TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made as of June 30, 2017 ,
_____ (the "Effective Date") by Giesecke & Devrient GmbH of Germany ("Assignor") to
Giesecke+Devrient Currency Technology GmbH having an address of Prinzregentenstrasse
159, 81677 Munich, Germany ("Assignee").

Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor. all of
Assignor's right, title and interest in and to the G&D mark of U.S. Registration No. 2,781,048 with
regard to those goods and services described as:

electronic device for counting, testing sorting, and destructing bank documents, in
particular, bank notes, stock shares, bank checks, except identification cards, credit cards and bank
cards; automatic money machines for depositing and dispensing money; electric, optical and
mechanical testing devices for determining the authenticity and value of paper bank documents, in
particular bank notes; software for determining the authenticity, quality and value of money for
use in automatic money machines; software for use in operating automatic money machines;
software for use with money depositing machines and money dispensing machines for registration
and association of money with a customer's account; computer programs for developing, managing
and maintaining the aforementioned software; in Class 9;

printed matter, namely non-magnetic security prints made of paper or plastic, with
authenticating features for protecting against reproduction and forgery in the nature of watermarks,
security threads, mottling fibers, planchets and embosses printed with optically variable effects or
additives with specific physical properties, namely bank notes, bank checks, traveler's checks, stock
shares, transportation tickets, admission tickets, security labels, revenue stamps and seal bands;
unprinted paper and unprinted plastic sheets for producing the above noted non magnetic security
prints; printed matter equipped with characteristic non-magnetic printed authenticating properties,
namely, paper, paperboard or goods made of said materials, namely, labels, stickers, tags and
certificates for proving the authenticity of the products connected with said goods; manuals and
brochures for software products; engraving plates for the printing industry, in particular for printed
matter produced by steel intaglio printing; in Class 16;

together with the good will of the business symbolized thereby.

NOW, THEREFORE, in consideration of the premises set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

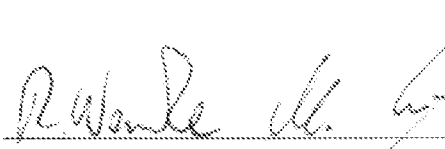

1. Assignment. Assignor hereby grants, assigns and conveys to Assignee all of its right, title and interest in and to the Trademark, together with the good will of the business symbolized thereby in connection with those goods set forth above.

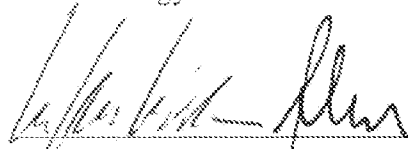

2. Title. Assignor hereby represents and warrants that it has not heretofore granted any license, right or privilege with regard to the Trademark, or in any other way encumbered the same, and that it has the full right to convey, free of licenses and encumbrances, all right, title and interest in and to the Trademark with respect to the goods set forth above.

3. Right to Sue for Past Infringement. Assignor also assigns to Assignee all claims for past damages by reason of past infringement or misappropriation of the Trademark in connection with those goods set forth above, with the right to sue for and collect same for its own use and behalf and for the use and on behalf of Assignee's successors, assigns or other legal representatives.
