**RELEASE OF SECURITY INTEREST  
IN TRADEMARK COLLATERAL**

This RELEASE OF SECURITY INTEREST IN TRADEMARK COLLATERAL, dated as of August 9, 2017 (this "Release"), is made by PEAPACK-GLADSTONE BANK (the "Secured Party"), in favor of ICSH HOLDINGS, LLC, a Delaware limited liability company ("Holdings"), and the Subsidiaries of Holdings (together with Holdings, the "Grantors"), as follows:

**W I T N E S S E T H**

WHEREAS, pursuant to the Intellectual Property Security Agreement, dated October 9, 2015 (as amended, restated, supplemented or otherwise modified from time to time, the "Agreement"), and recorded with the U.S. Patent and Trademark Office on October 12, 2015 at Reel/Frame 5643/0200, as security for the payment and performance of all Obligations, the Grantors granted to the Secured Party, for itself and the benefit of the Secured Party, a security interest in all of the following then owned or at any time thereafter acquired or existing (collectively, the "Released Trademark Collateral");

(a) the trademark registrations and applications set forth in Exhibit A hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof (the "Trademarks"), excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

WHEREAS, the Grantors has requested that the Secured Party release its security interest in all of the Grantors right, title or interest in or to the Released Trademarks Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Secured Party, on behalf of itself, its successors, legal representatives and assigns and any lenders for which the Secured Party, without recourse, representation or warranty of any kind or nature, and at the Holders sole cost and expense, hereby terminates,

cancels and releases its security interest in all of the Holders right, title and interest in or to the Released Trademarks Collateral, including the trademarks listed on Exhibit A hereto, and any and all right, title and interest of the Secured Party in the Released Trademark Collateral shall hereby terminate, cease and become void.

The Secured Party authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Release.

The validity, interpretation and enforcement of this Release and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by and construed in accordance with the laws of the State of New York.

Capitalized terms used but not defined herein shall have the meanings given to them in the Agreement.

Delivery of an executed signature page to this Release by facsimile or electronic transmissions (including .pdf file) shall be effective as delivery of an original signature.

[Signature Page Follows]

IN WITNESS WHEREOF, the Secured Party has caused this Release to be duly executed and delivered by its duly authorized officer as of the date first written above.
