WHEREAS, in connection with the execution of the Credit Agreement and the Joinder Agreement, (a) GBI executed a series of security agreements which granted a security interest in its intellectual property to Agent, for itself and for the benefit of several other parties (collectively, the “Security Agreements”), and (b) GBL executed a series of debentures which granted a charge over its intellectual property to Agent, for itself and for the benefit of several other parties (collectively, the “Debentures”);

Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be included in this definition of “Trademarks”.

2. Grant of Security Interest in Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the obligations under the Transaction Documents, hereby mortgages, pledges and hypothecates to Agent, for itself and as agent for the Creditors, and grants to Agent, for itself and as agent for the Creditors, a lien on and security interest in, all of its right, title and interest in, to and under the following property of such Grantor (the “Collateral”):

3. Credit Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interests granted pursuant to the Transaction Documents and each Grantor hereby acknowledges and agrees that the rights and remedies of Agent and Creditors with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Transaction Documents, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Transaction Documents, the provisions of the Transaction Documents shall control unless Agent shall otherwise determine.

4. Termination. Upon the payment in full of the Obligations under the Transaction Documents, the security interest in the Intellectual Property granted under this Agreement shall terminate, and Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the security interest in the Intellectual Property under this Agreement.

5. **Incorporation By Reference.** The parties hereto agree that the “WHEREAS” clauses contained at the beginning of this Agreement are true and correct, and are incorporated herein by reference.

6. **Grantor Remains Liable.** Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Intellectual Property subject to a security interest hereunder.

7. **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

8. **Choice of Law, Venue, Jury Trial Waiver.**

(a) **Governing Law.** California law governs the Loan Documents without regard to principles of conflicts of law. Grantors and Agent each submit to the exclusive jurisdiction of the State and Federal courts in Los Angeles County, California; provided, however, that nothing in this Agreement shall be deemed to operate to preclude Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Agent. Grantors expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and each Grantor hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non conveniens and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each Grantor hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to Grantor at the address set forth in, or subsequently provided by Grantors in accordance with, Section 10 of the Credit Agreement and that service so made shall be deemed completed upon the earlier to occur of Grantors’ actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

(b) Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, GRANTORS AND AGENT EACH WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THE LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR BOTH PARTIES TO ENTER INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

(c) **Judicial Reference.** WITHOUT INTENDING IN ANY WAY TO LIMIT THE PARTIES’ AGREEMENT TO WAIVE THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY, if the above waiver of the right to a trial by jury is not enforceable, the parties hereto

agree that any and all disputes or controversies of any nature between them arising at any time shall be decided by a reference to a private judge, mutually selected by the parties (or, if they cannot agree, by the Presiding Judge of Los Angeles County, California Superior Court) appointed in accordance with California Code of Civil Procedure Section 638 (or pursuant to comparable provisions of federal law if the dispute falls within the exclusive jurisdiction of the federal courts), sitting without a jury, in Los Angeles County, California; and the parties hereby submit to the jurisdiction of such court. The reference proceedings shall be conducted pursuant to and in accordance with the provisions of California Code of Civil Procedure §§ 638 through 645.1, inclusive. The private judge shall have the power, among others, to grant provisional relief, including without limitation, entering temporary restraining orders, issuing preliminary and permanent injunctions and appointing receivers. All such proceedings shall be closed to the public and confidential and all records relating thereto shall be permanently sealed. If during the course of any dispute, a party desires to seek provisional relief, but a judge has not been appointed at that point pursuant to the judicial reference procedures, then such party may apply to the Los Angeles County, California Superior Court for such relief. The proceeding before the private judge shall be conducted in the same manner as it would be before a court under the rules of evidence applicable to judicial proceedings. The parties shall be entitled to discovery which shall be conducted in the same manner as it would be before a court under the rules of discovery applicable to judicial proceedings. The private judge shall oversee discovery and may enforce all discovery rules and orders applicable to judicial proceedings in the same manner as a trial court judge.

(d) **Scope of Authority.** The parties agree that the selected or appointed private judge shall have the power to decide all issues in the action or proceeding, whether of fact or of law, and shall report a statement of decision thereon pursuant to California Code of Civil Procedure § 644(a). Nothing in this paragraph shall limit the right of any party at any time to exercise self-help remedies, foreclose against collateral, or obtain provisional remedies. The private judge shall also determine all issues relating to the applicability, interpretation, and enforceability of this paragraph.
