## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement is made effective as of June 20, 2014 (the "Effective Date"), by and between Bell and Howell, LLC, a Delaware limited liability company ("Assignor") and BCC Software, LLC, a Delaware limited liability company ("Assignee"). Assignor and Assignee are referred to herein individually as a "Party," and collectively as the "Parties."

WHEREAS, Assignor is executing this Assignment pursuant to that certain Contribution and Spin-Off Agreement dated June 20, 2014 by and between Assignor and Assignee (the "Contribution Agreement"). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Contribution Agreement;

WHEREAS, Assignor is the exclusive owner of certain intellectual property included in the BCC Assets, including but not limited to the patents and other intellectual property set forth in Exhibit A, and the intellectual property rights contained therein (the "Intellectual Property");

WHEREAS, Assignor wishes to assign and Assignee wishes to acquire the Intellectual Property and all intellectual property rights therein;

NOW, THEREFORE, Assignor and Assignee, in consideration of the mutual promises contained in this Intellectual Property Assignment and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, agree as follows:

1. Assignment of Intellectual Property. Assignor hereby sells, transfers, convey, assigns and sets over to Assignee all of Assignor's rights (including without limitation, intellectual property rights), title, and interests in and to the Intellectual Property, and any and all goodwill in connection therewith, and Assignor reserves no rights in any such Intellectual Property.

2. Recordation. Assignor authorizes the U.S. Patent and Trademark Office, the U.S. Copyright Office and any Official of any country or countries foreign to the United States whose duty it is to receive or register copyrights, patents, trademarks or applications therefore, to record Assignee as the owner of the Intellectual Property and to issue all registrations for said Intellectual Property, to be in the name of Assignee, as assignee of the Intellectual Property, for the sole use of Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this Agreement.

3. Miscellaneous Provisions.

2.1 Severability. Should any term or provision of this Assignment be held to any extent unenforceable, invalid, or prohibited under law, then such provision shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Assignment. The application of such term or provision to persons, property, or circumstances other than those as to which it is invalid, unenforceable, or prohibited, shall not be affected by such invalidity, unenforceability, or prohibition, and each term and provision of this Assignment shall be valid and enforceable to the fullest extent permitted by law.

2.2 Interpretation. This Assignment has been freely negotiated and entered into by each Party. A Party's role in drafting this Assignment shall not be a basis for construing this Assignment in any manner against such Party.

2.3 Headings. Section headings are for reference only and shall not affect the interpretation of this Assignment.

2.4 Successors in Interest. This Assignment and all of the provisions in this Assignment shall be binding upon and inure to the benefit of the successors in interest and assigns of the Parties.

2.5 Applicable Law. This Assignment, each transaction entered into under this Assignment, and all matters arising out of or related to this Assignment shall be in all respects governed by, and construed and enforced in accordance with, the laws of the State of Delaware without giving effect to its rules relating to conflict of laws.

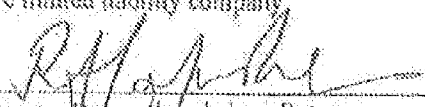

2.6 Entire Agreement. This Assignment and Exhibit A constitute the complete and exclusive statement of the agreement between the Parties with respect to the subject matter of this Assignment, and this Assignment supersedes any prior oral or written communications, proposals, representations, and agreements.
