**IP ASSIGNMENT AGREEMENT**

This **IP ASSIGNMENT AGREEMENT** (this “Assignment”) is entered into as of April 1, 2017, by and between Accenture LLP, an Illinois limited liability partnership (“**Assignee**”) and VeriSign, Inc., a Delaware corporation (the “**Assignor**”). All capitalized terms used herein and not defined shall have the meanings ascribed to them in the Purchase Agreement (as defined below).

**RECITALS**

A. Assignee and the Assignor are parties to that certain Asset Purchase Agreement, dated as of February 9, 2017, as amended by Amendment No. 1, dated as of March 31, 2017 (as amended, the “**Purchase Agreement**”), pursuant to which Assignor has agreed to sell, assign, transfer, convey and deliver to Assignee, and Assignee has agreed to purchase, acquire and accept from Assignor, the Business Registered Intellectual Property listed on Schedule 2.1(c) of the Purchase Agreement.

B. The Purchase Agreement provides that as a condition to the consummation of the transactions contemplated thereby, each of Assignee and Assignor shall execute and deliver this Assignment to the other parties.

In consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the parties hereby agree as follows:

1. Assignment of Patents. For good and valuable consideration received from Assignee, Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and Assignee hereby purchases, acquires and accepts from Assignor, all of the Assignor’s legal and beneficial right, title, and interest in, to and under the patents and patent applications included in the definition of Business Registered Intellectual Property and more fully described on Exhibit A (the “Business Patents”), together with any reissuances, continuations, continuations-in-part, divisions, revisions, extensions, and reexaminations of any Business Patent.

2. Assignment of Trademarks. For good and valuable consideration received from Assignee, Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee, and Assignee hereby purchases, acquires and accepts from Assignor, all of the Assignor’s legal and beneficial right, title, and interest in, to and under the Trademarks included in the definition of Business Registered Intellectual Property and more fully described on Exhibit B (the “Business Trademarks”), together with the goodwill, if any, of the Business associated therewith and which is symbolized thereby.

3. Assignment of Domain Names. For good and valuable consideration received from Assignee, Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and Assignee hereby purchases, acquires and accepts from Assignor, all of the Assignor’s legal and beneficial right, title, and interest in, to and under the domain names

included in the definition of Business Registered Intellectual Property and more fully described on Exhibit C.

4. Incorporation of Purchase Agreement. This Assignment is being delivered pursuant to, and is subject to all the terms of, the Purchase Agreement, the terms and conditions of which are hereby incorporated into this Assignment by this reference. This Assignment is made without representation or warranty, except as and to the extent provided in the Purchase Agreement. Nothing herein contained shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms of the Purchase Agreement in any manner whatsoever. In the event of any conflict or other difference between the Purchase Agreement and this Assignment, the provisions of the Purchase Agreement shall control.

5. Successors and Assigns. This Assignment inures to the benefit of, and is binding upon, the successors, permitted assigns, and personal representatives of the parties hereto.

6. Amendment and Waiver. This Assignment may be amended or any provision of this Assignment may be waived; provided that any amendment or waiver shall be binding only if such amendment or waiver is set forth in a writing executed by Assignee and Assignor.

7. No Third Party Beneficiaries. This Assignment shall not confer any rights or remedies on any person other than the parties hereto and their respective successors and permitted assigns.

8. Governing Law. This Assignment and all disputes or controversies arising out of or relating to this Assignment or the Transactions shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.

9. Counterparts. This Assignment may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

10. Facsimile or .pdf Signature. This Assignment may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.
