**INTELLECTUAL PROPERTY ASSIGNMENT**

This INTELLECTUAL PROPERTY ASSIGNMENT, dated as of April 3, 2017 (this “Assignment”), is by and between Foundation Technology Worldwide LLC, a Delaware limited liability company, with an address at 2821 Mission College Boulevard, Santa Clara, CA 95054 (“Assignee”), and Intel Corporation, a Delaware corporation, with an address at 2200 Mission College Boulevard, Santa Clara, CA (“Assignor”). Each of the Assignee and the Assignor are referred to herein as a “Party.” Unless otherwise specifically provided herein, each capitalized term used but not defined herein shall have the meaning given to such term in the Subscription Agreement (as defined below).

**RECITALS**

**WHEREAS**, pursuant to the Subscription Agreement, Assignor has agreed to, and has agreed to cause certain of its Affiliates to, assign, transfer and convey to Assignee all of Assignor’s and certain of its Affiliates’ right, title, and interest in and to the Transferred IP, and the Assignee has agreed to purchase the Transferred IP.

**AGREEMENT**

**NOW, THEREFORE**, in consideration of the premises and the mutual promises and conditions hereinafter set forth and set forth in the Subscription Agreement and the Ancillary Agreements, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

1. **Conveyance and Acceptance.** In accordance with and subject to the provisions of the Subscription Agreement, Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee, and the Assignee hereby purchases, all of Assignor’s right, title and interest in and to, and in connection with the domain names identified on Schedule 4 as being registered to a third party, its authority with respect to, the Transferred IP, including all of the following: (a) those registered and applied-for trademarks set forth on Schedule 1 hereto; (b) those patents and patent applications set forth on Schedule 2 hereto; (c) those registered and unregistered copyrights set forth on Schedule 3 hereto, (d) those registered domain names set forth on Schedule 4 and (e) those invention disclosures (“IDs”) set forth on Schedule 5. Without limiting the foregoing, with respect to any Transferred IP that is registered to or otherwise in the name of an Affiliate of Assignor, including as indicated on Schedules 1, 2, 3, 4 or 5 hereto, Assignor shall cause such Affiliate to effect the assignment of such Transferred IP to Assignee in accordance herewith and subject to the terms and conditions hereof, it being understood and agreed that Assignee shall own such Transferred IP as if assigned to it by Assignor hereunder as of the date hereof. The transfer of the IDs listed on Schedule 5 shall include, without limitation, the right to pursue patent applications of any sort in any jurisdiction throughout the world and similar or related applications for all inventions disclosed therein (including the right to claim priority to any such application).

2. Disclaimer of Representations and Warranties. EXCEPT AS AND TO THE EXTENT SET FORTH IN THE SUBSCRIPTION AGREEMENT, ASSIGNEE (ON BEHALF OF ITSELF AND EACH OF ITS SUBSIDIARIES) UNDERSTANDS AND AGREES THAT ASSIGNOR (ON BEHALF OF ITSELF AND ITS AFFILIATES) MAKES NO REPRESENTATIONS OR WARRANTIES IN ANY WAY PURSUANT TO OR IN CONNECTION WITH THIS ASSIGNMENT, AND HEREBY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES AS TO THE TRANSFERRED IP, INCLUDING THE NONINFRINGEMENT OR ABSENCE OF OTHER VIOLATION, VALIDITY OR ENFORCEABILITY OR ANY OTHER MATTER CONCERNING THE TRANSFERRED IP, AND ALL OF THE TRANSFERRED IP IS BEING TRANSFERRED ON AN “AS IS, WHERE IS” BASIS.

3. Subscription Agreement Controls. This Assignment is and shall be subject to and governed entirely by and in accordance with the terms and conditions of the Subscription Agreement. Notwithstanding any other provision of this Assignment to the contrary, nothing contained herein shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions of the Subscription Agreement, including any representation, warranty, covenant, agreement, obligation or condition contained therein or the rights or remedies contemplated thereby. To the extent this Assignment conflicts with the Subscription Agreement, the Subscription Agreement will control.

4. Governing Law; Jurisdiction and Forum.

(a) This Assignment, the rights of the Parties hereunder and all Actions arising in whole or in part under or in connection with this Assignment, the transactions contemplated hereby, and the negotiation of any of the foregoing or the relationship of the Parties under or in connection with any of the foregoing (in each case, whether sounding in contract, tort or statute, and whether at law or in equity) shall be governed by and construed in accordance with the Laws of the State of Delaware applicable to contracts executed and to be performed wholly within such State and without reference to the choice-of-law principles that would result in the application of the Laws of a different jurisdiction.

(b) Each Party irrevocably submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (or, solely if such court declines jurisdiction, in any federal court located in the State of Delaware) any Action arising out of or relating to this Assignment, and hereby irrevocably agrees that all claims in respect of such Action may be heard and determined in such court. Each Party hereby irrevocably waives, to the fullest extent that it may effectively do so, the defense of an inconvenient forum to the maintenance of such Action. The Parties further agree (i) that, to the extent permitted by Law, that final and nonappealable judgment against any of them in any Action contemplated above shall be conclusive and may be enforced in any other jurisdiction within or outside the U.S. by suit on the judgment, a certified copy of which shall be conclusive evidence of the fact and amount of such judgment, and (ii) that service of process upon such Party in any such Action shall be effective if notice is given in accordance with Section 12.7 of the Subscription Agreement.

(c) Each Party certifies that it has been induced to enter into this Assignment or instrument by, among other things, the mutual waivers and certifications set forth above in this

Section 4. No Party has in any way agreed with or represented to any other Party that the provisions of this Section 4 will not be fully enforced in all instances.

5. Counterparts. This Assignment may be executed in one or more counterparts, and by either of the Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same Assignment. Delivery of an executed counterpart of a signature page to this Assignment by facsimile or by .pdf, .tif, .gif or similar attachment to electronic mail shall be as effective as delivery of a manually executed counterpart of this Assignment.

[Signature Page Follows]

IN WITNESS WHEREOF, the Parties have each caused this Assignment to be duly executed as of the date first written above.
