B. In order to induce Secured Party to enter into the Loan Agreement and the transactions contemplated thereby, and as a condition thereto, each Grantor is required to execute and deliver this Agreement to Secured Party and pursuant hereto to assign and grant to Secured Party a security interest (to the extent any grant of a security interest is not prohibited by applicable law or governmental authority) in and to all of such Grantor's right, title, and interest in the Intellectual Property Collateral (as defined below). Any such Intellectual Property Collateral that is registered or has a pending application is listed on Schedule A attached hereto and incorporated herein by reference, as the same may be amended and supplemented from time to time.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Grant of Security Interest. As collateral security for the prompt and punctual payment and performance of the Obligations and for the prompt performance by Grantors of their obligations and undertakings under this Agreement, the Loan Agreement, and the other Loan Documents, each Grantor hereby grants to Secured Party a security interest in all of the Intellectual Property Collateral of such Grantor, whether now owned or hereafter acquired by such Grantor, and hereby grants, pledges and hypothecates such Intellectual Property Collateral to Secured Party.

2. Representations, Warranties and Covenants. Each Grantor hereby covenants, warrants and represents to the Secured Party that:

Each Grantor will defend the right, title and interest in and to its Intellectual Property Collateral against any and all claims of any third parties.

(c) All Intellectual Property Collateral of such Grantor is valid and enforceable and is not subject to any claim, judgment or administrative or arbitral decision that questions its validity or enforceability, any Grantor's purported rights thereunder or any Grantor's rights to use the same in its business.

(d) The execution, delivery and performance of this Agreement by such Grantor does not (i) violate, conflict with, result in a breach of, constitute a default under, result in the termination of, or result in the creation of any encumbrances upon any of the Intellectual Property Collateral of such Grantor, under any agreement to which any Grantor is a party or by which any Grantor is bound, or (ii) violate any laws, rules, regulations or orders applicable to any of the Intellectual Property Collateral.

(e) Such Grantor has used, and will continue to use for the duration of this Agreement, reasonably consistent standards of quality in the manufacture of the products sold under the Trademarks or utilizing any Patents, Copyrights or Other Assets.

Grantors hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is irrevocable coupled with an interest.
