**INTELLECTUAL PROPERTY ASSIGNMENT**

August 22, 2017

WHEREAS, BHF DÉCOR LLC, a Massachusetts limited liability company (the "Assignor"), is the owner of record of intellectual property including the registered intellectual property identified in Schedule A attached hereto (the "Intellectual Property"); and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns and conveys to Brewster Home Fashions LLC (the "Assignee") all of Assignor's rights, title and interests in and to the Intellectual Property. The Intellectual Property being assigned hereunder shall include without limitation: all of the Assignor's patents, patent rights, patent applications, copyrights, works which are the subject matter of copyrights, copyright applications, copyright registrations, trademarks, servicemarks, trade names, trade styles, trademark and service mark applications, and licenses and rights to use any of the foregoing and all applications, registrations and recordings relating to any of the foregoing as may be filed in the United States Copyright Office, the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country or jurisdiction, together with all rights and privileges arising under applicable law with respect to Assignors use of any of the foregoing; all statements, extensions, renewals, reissues, divisions, continuations, and continuations-in-part of any of the foregoing; all rights to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with, any and all past, present and future infringement of any of the foregoing or any associated good will; inventions, trade secrets, formulae, processes, compounds, drawings, designs, blueprints, surveys, reports, manuals, and operating standards; goodwill (including any goodwill associated with or symbolized by any trademark or servicemark or the license of any trademark or servicemark); customer and other lists in whatever form maintained; trade secret rights, copyright rights, rights in works of authorship, domain names and domain name registration; software and contract rights relating to computer software programs, in whatever form created or maintained.

Assignor agrees to execute and deliver at Assignee's reasonable request all papers, instruments, and assignments, and to perform any other acts Assignee may reasonably require, in order to vest in Assignee all of Assignor's rights, title, and interests in and to the Intellectual Property and/or to provide evidence to support any of the foregoing in the event such evidence is reasonably deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

This Intellectual Property Assignment (the "Assignment") may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A facsimile or emailed copy of this Assignment signed by the parties may be treated as an original for all purposes.
