B. Assignee desires to acquire all of Assignor's rights, title and interest in and to the Trademark Assets, and Assignor desires to sell, assign and transfer to Assignee, all of Assignor's rights, title and interest in and to the Trademark Assets, together with the good will of the business in connection with which the Trademark Assets has been used.

C. This Assignment is being executed pursuant to that certain Asset Purchase Agreement between Assignor and Assignee executed concurrently with this Assignment ("**Agreement**").

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey, and hereby set over unto Assignee, its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to the Trademark Assets, future trademark applications therefore and trademark registrations granted

therefrom together with the goodwill of the business in connection with which the Trademark Assets have been used and are being used and which are symbolized by the Trademark Assets in all countries and jurisdictions to the full end of the terms for which such registrations may be granted, to be held, used and enjoyed by, and in the name of, Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made, including, without limitation: (i) such trademarks, service marks and other marks as described in the Trademark Assets; (ii) any and all variations and modifications of such marks; (iii) such domain name as described in the Trademark Assets, together with the associated domain name registration and the trademark rights in all other domain names incorporating the string, nexidbiometrics; (iv) the uniform resource locators (URLs) related to the foregoing domain names; (v) all foreign rights related thereto, including the right to make applications for trademark registrations for the Trademark Assets in any and all foreign countries; and (vi) all income, royalties, damages and payments due or payable to Assignor as of the execution of this Assignment or thereafter, including, but not limited to, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademark Assets, together with the right to sue for, and collect the same.

Assignor hereby agrees to execute any papers, provide any information and testify in any opposition proceeding or litigation at the request of Assignee, its successors, assigns and legal representatives, when necessary for Assignee's, its successors', assigns' and legal representatives' full enjoyment, perfection, protection, enforcement and title in and to the Trademark Assets and other rights hereby transferred.

Assignor furthermore agrees upon request of Assignee, its successors, assigns or legal representatives, and without further remuneration, to execute any and all papers desired by Assignee, its successors, assigns and legal representatives, for the filing and granting of the applications and registrations assigned hereunder and the perfecting of title thereto in Assignee, its successors, assigns and legal representatives, including, without limitation, providing evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue registrations for the Trademark Assets on applications as aforesaid, to issue to Assignee, as assignee of the entire right, title and interest, the Trademark Assets and such registrations, including any and all trademark registrations of the United States which may be issued and granted on or as a result of any applications filed for the Trademark Assets. Assignor does hereby expressly agree that Assignee may singly, and without assistance or consent from Assignor, undertake procedures to record the transfer of the Trademark Assets and registration thereof to Assignee in the United States Patent and Trademark Office.
