AGREEMENT OF PURCHASE AND SALE

AGREEMENT OF PURCHASE AND SALE (this "Agreement"), made as of the 14 day of May, 2015, by and between NWPB LLC, a Delaware limited liability company ("Seller"), and Hotel Lotte Co., Ltd., a company incorporated in the Republic of Korea ("Buyer").

Background

A. Seller is (i) the ground lessee under the Ground Lease, and holds a leasehold interest in the property, located at 455 Madison Avenue, New York, New York, as more particularly described on Schedule A attached hereto and made a part hereof (the "Land") and (ii) the owner of the improvements constructed on the Land known (the "Improvements", and collectively with the Land, the "Property") pursuant and subject to the terms of the Ground Lease. The Property, together with the Asset-Related Property (as defined below), shall collectively be referred to as the "Assets".

B. Seller desires to sell to Buyer, and Buyer desires to purchase from Seller, the Assets, on the terms and conditions hereinafter set forth.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE I

DEFINITIONS

Section 1.1 Defined Terms. The capitalized terms used herein will have the following meanings.

“Applicable Law” shall mean all statutes, laws, common law, rules, regulations, ordinances, codes or other legal requirements of any Governmental Authority, board of fire underwriters and similar quasi-governmental agencies or entities, and any judgment, injunction, order, directive, decree or other judicial or regulatory requirement of any Governmental Authority of competent jurisdiction affecting or relating to the Person or property in question.

“Assigned IP” shall have the meaning assigned thereto in Section 2.1(b)(vi).

“Intellectual Property” shall have the meaning ascribed thereto in Section 2.1(b)(vi).

“Named IP” shall have the meaning assigned thereto in Section 3.2(l).

“Warranties” shall have the meaning assigned thereto in Section 2.1(b)(v).

ARTICLE II

SALE, PURCHASE PRICE AND CLOSING

Section 2.1 Sale of Assets.

(a) On the Closing Date and pursuant to the terms and subject to the conditions set forth in this Agreement, Seller shall sell to Buyer, and Buyer shall purchase from Seller, all of the Assets.

(b) The transfer of the Assets to Buyer shall include the transfer of all Asset-Related Property. For purposes of this Agreement, “Asset-Related Property” shall mean:

(vi) all of Seller's right, title and interest in and to URLs, logos, designs, trade names, building names, trademarks, copyrights and other intellectual property and all associated goodwill associated with the ownership or operation of the Property, (collectively, the "Intellectual Property") and all telephone exchange numbers specifically dedicated and identified with the Property, but in each case, excluding any of the foregoing which may not be assigned or conveyed by Seller to Buyer without the consent of an un-Affiliated third party (which consent Seller was unable to obtain after using commercially reasonable efforts to do so if requested by Buyer) (collectively, the "Assigned IP");

(1) Intellectual Property. Seller owns the U.S. trademark and domain name registrations that are included in the Intellectual Property and set forth on Schedule 3.2(1) (collectively, the "Named IP"), and none of the Named IP has been or is now involved in any cancellation proceeding,

dispute in writing or litigation and, to Seller's Knowledge, no such action is threatened in writing. Seller has not received written notice of (i) any violation of any legal requirements related to such registrations or (ii) any claims that Seller does not have ownership of the Named IP.

Section 3.6 Trademarks and URLs. The parties acknowledge and agree that, solely upon the Closing, Buyer shall acquire all right, title and interest of Seller and its Affiliates in and to the domain names included in the Assigned IP (the “URLs”) and any website content accessed through such URLs, in each case, to the extent assignable without consent (or, if consent is required, which consent Seller was able to obtain after using commercially reasonable efforts to do so if requested by Buyer). Buyer shall contact the administrator(s) of the URLs promptly following the Closing and shall at its sole cost provide such administrator(s) with such information as the administrator(s) shall reasonably require to effectuate a transfer of the URLs to Buyer. Seller shall (and shall cause its Affiliates to) reasonably cooperate with Buyer and the administrator(s) to effectuate such URLs transfer to Buyer, including the execution and delivery of such consents, transfer instruments and other documents as the URLs administrator may reasonably require. Buyer shall pay any costs or fees of the administrator in connection with the foregoing transfers. If the Closing occurs, the provisions of this Section 3.6 shall survive the Closing without limitation and will not be deemed merged into any instrument of conveyance delivered at the Closing.

SCHEDULE 3.2(h)(ii)

Union & Employee Matters

1. Pending Union Agreements:
 - a. Bargaining Authorization And Consent To Memorandum of Understanding relating to that certain Memorandum of Agreement between the Trades Council Union and the Hotel Association of New York City, Inc. dated as of April __, 2015, relating to the representation of concierge employees by the Trades Council Union.
 - b. Seller is currently in negotiations with the Trades Council Union regarding favorable work practices in connection with the proposed introduction of a breakfast service at the Property.

2. Discussions Regarding Restaurants: During the fourth quarter of the 2014 calendar year, Seller elected to close the Villard restaurant at The New York Palace due to underperformance with the goal of re-concepting the space to make it more profitable. At about the same time, the Maloney and Porcelli restaurant decided to open for breakfast to capture the displaced business. As a result, the Trades Council Union filed a grievance claiming that The New York Palace was outsourcing restaurant operations. The Trades Council Union sought a written assurance that the hotel would not give preferential treatment, signing privileges or marketing to the Maloney and Porcelli restaurant. The grievance has since been dismissed but there still exists the potential for the Trades Council Union to refile a grievance regarding this matter.
