AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT (as amended, supplemented and/or otherwise modified from time to time, this “*Agreement*”), dated as of August 31, 2017, is among TECHSTYLE, INC., a Delaware corporation (f/k/a Just Fabulous, Inc.) (“*TechStyle*”), SHOEDAZZLE.COM, INC., a Delaware corporation (“*Dazzle*”), FABLETICS, LLC, a Delaware limited liability company (“*Fabletics*”), PERSONAL RETAILING, INC., a Delaware corporation (“*Personal*” and, collectively with TechStyle, Dazzle, and Fabletics, the “*Grantors*” and each individually, the “*Grantor*”), and WHITE OAK GLOBAL ADVISORS, LLC, a Delaware limited liability company (“*Administrative Agent*”), as Administrative Agent for the benefit of the Lenders party to that certain Loan Agreement (as hereinafter defined).

RECITALS

A. Grantors have entered into that certain Loan and Security Agreement, dated as of August 31, 2015 (as amended, supplemented and/or otherwise modified from time to time, the “*Loan Agreement*”), among TechStyle as Borrower, Dazzle, Personal, Fabletics and the other subsidiaries of TechStyle from time to time party thereto as guarantors, the several entities from time to time party thereto as lenders (collectively, “*Lenders*”), and Administrative Agent, pursuant to which Lenders have agreed, subject to certain terms and conditions, to extend various financial accommodations to Grantor.

B. Pursuant to the Loan Agreement, each Grantor grants, pledges and assigns to Administrative Agent for the benefit of the Lenders a security interest in, among other assets, the Intellectual Property (as defined in the Loan Agreement) owned by such Grantor.

C. Each Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), and in order to induce Lenders to extend credit to TechStyle pursuant to the Loan Agreement, each Grantor agrees, for the benefit of Administrative Agent, as follows:

*Section 1. Definitions.* Unless the context otherwise requires, each capitalized term used but not otherwise defined herein has the meaning ascribed thereto in the Loan Agreement.

*Section 2. Grant of Security Interest.* For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt payment and performance when due of all of the Obligations, each Grantor hereby grants, pledges and assigns a security interest to Administrative Agent in and to, all of the following, whether now owned or hereafter acquired (collectively, the “*Trademark Collateral*”):

(a) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature (whether registered or unregistered), all registrations and recordings thereof, and all applications in connection therewith, including all registrations, recordings and applications in the United States

Patent and Trademark Office or in any similar office or agency of the United States, any State or Territory thereof, or any other country or any political subdivision thereof, including without limitation those trademarks listed on **Schedule A** attached hereto and the goodwill associated therewith (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the “*Trademarks*”);

(b) subject to the terms of the Loan Agreement, all rights under or interest in any trademark license agreements with any other party, whether such Grantor is a licensee or licensor under any such license agreement, except to the extent where such grant, pledge or assignment is a breach or causes a modification to, or would breach or cause a modification to, with notice, passage of time or both, the terms and conditions of such license agreement (all of the foregoing are hereinafter referred to collectively as the “*Trademark Licenses*”); and

(c) all income, royalties, damages, payments and proceeds at any time due or payable to such Grantor under and with respect to any of the foregoing, including, without limitation, all of such Grantor’s rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof, subject to the terms of any license or other similar agreement, as the case may be.

*Section 3. New Trademarks.* If, before the Obligations shall have been paid in full, any Grantor shall obtain rights to any new Trademarks or Trademark Licenses, the provisions of **Section 2** shall automatically apply thereto. Each Grantor shall promptly update **Schedule A** attached hereto as necessary, but no more frequently than once per fiscal quarter, and each Grantor shall provide written notice to Administrative Agent of such updates on a fiscal quarterly basis. Each Grantor authorizes Administrative Agent to modify this Agreement by amending **Schedule A** attached hereto to reflect such updates.

*Section 4. Administrative Agent’s Right to Sue.* Each Grantor shall have the right to bring any opposition proceedings, interferences, cancellation proceedings, or lawsuits in its own name to enforce or protect the Trademarks, provided that during the continuance of an Event of Default, such Grantor shall seek the prior written consent of Administrative Agent, which will not be unreasonably withheld or delayed, in which event Administrative Agent may, if necessary, be joined or named as a nominal party to such suit if Administrative Agent shall have been satisfied that it is not thereby incurring or has been adequately indemnified against any risk of liability because of such joinder. Each Grantor hereby agrees that, notwithstanding anything to the contrary contained herein or in the Loan Documents, as between such Grantor and Administrative Agent, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with all or any of the Trademark Collateral so long as such Grantor is the owner of such Trademark Collateral. Each Grantor shall promptly, upon demand, reimburse and indemnify Administrative Agent for all damages, costs, and expenses, including attorneys’ fees, incurred by Administrative Agent in the fulfillment of the provisions of this **Section 4**.

*Section 5. Loan Agreement.* This Agreement has been executed and delivered by each Grantor for the purpose of registering the security interest of Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has

been granted as a supplement to, and not in limitation of, the security interest granted to Lenders under the Loan Agreement. The Loan Agreement (and all rights and remedies of each Lender thereunder) shall remain in full force and effect in accordance with its terms and are incorporated herein by this reference.

*Section 6. Release of Security Interest.* Upon the payment in full of the Obligations or otherwise in accordance with the terms of the Loan Agreement, the Trademark Collateral shall be released from the security interest granted hereby and in the Loan Agreement and all obligations of each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all right, title and interest in and to the Trademark Collateral shall revert to the applicable Grantor. At the request and expense of Grantors, Administrative Agent shall promptly execute and deliver to the applicable Grantor all instruments and other documents as may be reasonably necessary to release the security interest in and to the Trademark Collateral that has been granted hereunder.

*Section 7. Acknowledgment.* Each Grantor does hereby further acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated herein by this reference.

*Section 8. Loan Document.* This Agreement is a Loan Document executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Loan Agreement.

*Section 9. Counterparts.* This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

*Section 10. Effect of Amendment and Restatement.* Upon the effectiveness hereof, this Agreement amends and restates in its entirety that certain Trademark Security Agreement dated as of August 31, 2015 among TechStyle (f/k/a Just Fabulous, Inc.), Dazzle, Personal, and Administrative Agent (the “Existing Trademark Security Agreement”). The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby are not intended by the parties to be, and shall not constitute a novation or an accord and satisfaction of the Obligations, the Guaranteed Obligations or any other obligations owing to any Lending Party under the Existing Trademark Security Agreement or any other Loan Document. Each of the parties hereto hereby acknowledges and agrees that the grant of the security interests in the Trademark Collateral pursuant to *Section 2* hereof is not intended to, nor shall it be construed to or constitute a release of any prior security interests granted by any Grantor in favor of Administrative Agent in or to any Trademark Collateral or any other property of such Grantor, but is intended to constitute a reinstatement and reconfirmation of the prior security interests granted by TechStyle, Dazzle, and Personal in favor of Administrative Agent in and to the Trademark Collateral.
