3. Restrictions on Future Agreements.

A. Loan Parties agree that until the Obligations shall have been paid in full and the Loan Documents have been terminated, Loan Parties will not, without Administrative Agent's prior written consent, enter into any document, instrument or agreement which is inconsistent with Loan Parties' obligations under this Agreement. Loan Parties further agree that they will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Administrative Agent under this Agreement. Notwithstanding the foregoing provisions of this Section 3.A. and provided no Event of Default then exists, Loan Parties may license or sublicense on an exclusive or non-exclusive basis to unaffiliated third parties any Intellectual Property Collateral in the ordinary course of business on an arm's length basis to the extent such license or sublicense shall not materially and adversely interfere with the Loan Parties' business, operations or value.

B. Each Loan Party hereby represents and warrants to Administrative Agent that other than exclusive or non-exclusive licensing of the Intellectual Property Collateral permitted in Section 3.A. above, such Loan Party has not granted any license or security interest to any Person other than Administrative Agent in connection with any of the Intellectual Property Collateral. Except as permitted in Section 3.A., each Loan Party hereby covenants unto Administrative Agent that until the Obligations shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, such Loan Party shall not grant any license or security interest to any third party in connection with the Intellectual Property Collateral without Administrative Agent's prior written consent.

4. **New Trademarks, Patents, Copyrights and Licenses.** Each Loan Party represents and warrants that the Trademarks, Patents, Copyrights and Licenses listed on Exhibits "A", "B", and "C" respectively constitute all of the registered trademarks, trademark registrations, registered patents, patent registrations, registered copyrights, and applications therefor now owned by such Loan Party. If, prior to payment of the Obligations in full, such Loan Party shall (i) obtain rights to any new registered Intellectual Property, or (ii) become entitled to the benefit of any registered Intellectual Property, the provisions of Paragraph 2 above shall automatically apply thereto and such Loan Party shall provide Administrative Agent with immediate notice thereof. Loan Parties hereby authorize Administrative Agent to modify this Agreement by amending Exhibits "A", "B", and "C" to include any future registered Intellectual Property.

5. **Royalties; Terms.** Each Loan Party hereby agrees that the use by Administrative Agent of all Intellectual Property Collateral during the existence of an Event of Default as described above shall be without any liability for royalties or other related charges from Administrative Agent to Loan Parties. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to Administrative Agent of the Obligations in full and the termination of the Loan Documents.

6. **Administrative Agent's Right to Inspect.** Subject to the terms of the Credit Agreement regarding field exams and other inspections, Administrative Agent shall have the right to inspect Loan Parties' premises and to examine Loan Parties' books, records and operations, including, without limitation, Loan Parties' quality control processes during regular business hours after reasonable notice to such Loan Party has been delivered by the Administrative Agent. Each Loan Party agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents, Copyrights or Licenses; (ii) to maintain the quality of any and all products produced in connection with the Intellectual Property Collateral consistent with the quality of said products as of the date hereof; and (iii) not to adversely change or alter the quality of said products without Administrative Agent's prior written

consent except where such changes or alterations are deemed warranted by such Loan Party in its commercially reasonable business discretion or as otherwise permitted by the terms of the Loan Documents. Notwithstanding the foregoing provisions of this Section 6 and provided no Event of Default then exists, Loan parties may license or sublicense on an exclusive or non-exclusive basis to unaffiliated third parties any Intellectual Property Collateral in the ordinary course of business on an arm's length basis to the extent such license or sublicense shall not materially and adversely interfere with the Loan Parties' business, operations or value.

7. **Nature and Termination of Administrative Agent's Security Interest.** This Agreement is made for collateral purposes only. Except as otherwise provided in Paragraphs 3, 6 and 13 hereof, nothing contained herein shall be deemed to limit in any way Loan Parties' right to use the Trademarks, Patents, Copyrights or Licenses or to grant to Administrative Agent any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Loan Parties.** Loan Parties shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, until the Obligations shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as appropriate and consistent with past business practices, and (iii) to preserve and maintain all Intellectual Property Collateral. Any expenses incurred in connection with such applications shall be borne by Loan Parties. Loan Parties shall not abandon any Intellectual Property Collateral, without the consent of Administrative Agent.

9. **Administrative Agent's Right to Sue.** Upon the occurrence and during the continuation of an Event of Default, Administrative Agent shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of a Loan Party to enforce the Trademarks, Patents, Copyrights and Licenses. If Administrative Agent shall commence any such suit, Loan Parties shall, at the request of Administrative Agent, do any and all acts and execute any and all instruments, documents and agreements reasonably required by Administrative Agent to enforce such Intellectual Property Collateral, and Loan Parties shall promptly, upon demand, reimburse and indemnify Administrative Agent for all Attorney Costs incurred by Administrative Agent in the exercise of its rights and remedies under this Paragraph 9.

10. **Waivers.** Administrative Agent's failure at any time or times hereafter to require strict performance by Loan Parties of any provision of this Agreement shall not waive, affect or diminish any right of Lenders thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lenders of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Loan Parties contained in this Agreement and no Event of Default by Loan Parties shall be deemed to have been suspended or waived by Lenders unless such suspension or waiver is in writing signed by officers of Administrative Agent and directed to Loan Parties specifying such suspension or waiver.

11. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Credit Agreement.** All of Administrative Agent's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Loan Party hereby authorizes Administrative Agent to make, constitute and appoint any officer or agent of Administrative Agent as such Loan Party's true and lawful attorney-in-fact, with power, upon the occurrence and during the continuation of an Event of Default and commencement by Administrative Agent of any of its rights and remedies whatsoever, whether pursuant to this Agreement, the Loan Documents, at law, in equity or otherwise, to (a) endorse such Loan Party's name on all applications, documents, papers and instruments necessary for Administrative Agent in connection with selling the Intellectual Property Collateral, (b) take any other permitted actions with respect to the Intellectual Property Collateral as Administrative Agent decides in its sole and absolute discretion, (c) assign, pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as Administrative Agent may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Each Loan Party agrees to indemnify Administrative Agent and all Lenders for any infringement claims or other similar claims filed or asserted against Administrative Agent or any of the Lenders from the use of any of the Intellectual Property Collateral. Loan Parties hereby ratify all actions that attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and all financing arrangements between Loan Parties or any Loan Party and Administrative Agent have been terminated. Loan Parties acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of Administrative Agent or any of the Lenders under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Loan Parties and their respective successors and assigns, and shall inure to the benefit of Administrative Agent, its permitted nominees, successors and assigns.

15. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Credit Agreement and shall be effective as set forth in the Credit Agreement.

16. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of the State of Illinois.

17. **Joint and Several.** All references to "Loan Parties" and "Loan Party" shall mean Borrowers and Holdings, both individually and collectively, and jointly and severally, and all representations, warranties, duties, covenants, agreements and obligations of Loan Parties shall be the individual and collective representations, warranties, duties, covenants, agreements and obligations of each of Borrowers and Holdings.
