TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made and entered into effective as of July 31, 2017 by and between Georgia-Pacific Gypsum LLC, a Delaware limited liability company ("Assignor"), and GP Industrial Plasters LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in and to the trademarks set forth on Schedule A ("Marks"), and the goodwill associated therewith; and

WHEREAS, Assignor wishes to assign to Assignee all right, title and interest in and to the Marks, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee the Assignor's entire right, title and interest in and to the Marks together with the Assignor's goodwill in connection with which the Marks are used, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made, together with all income, royalties or payments in respect of the Marks due or payable as of the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignee shall request the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office to record Assignee as owner of the Marks for the sole use and enjoyment of assignee, its successors, assigns or other legal representatives.

3. Assignor shall provide Assignee, its successors, assigns or other legal representatives, with reasonable cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all documentation as may be reasonably required) in the recordation of this Assignment.

[Signature page follows]

The Assignor has caused this Assignment to be signed and executed by its undersigned officer thereunto duly authorized on the respective date written below.
