NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Borrower pursuant to the Credit Agreement, the Grantors agree as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement or in the Credit Agreement, as applicable.

SECTION 2. Grant of Security Interest. As general and continuing security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, each of the Grantors hereby mortgages, pledges, charges and assigns to the Agent, for the benefit of itself, the Secured Parties and their respective

successors and permitted assigns, and grants to the Agent, for the benefit of itself, the Secured Parties and their respective successors and permitted assigns, a Lien on and security interest in all of its right, title and interest in, to and under the following Collateral of such Grantor (collectively, the "Trademark Collateral"):

The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest and hypothec granted to the Agent, for the benefit of itself, the Secured Parties and their respective successors and permitted assigns, under the Security Documents as security for the discharge and performance of the Obligations. The Security Documents (and all rights and remedies of the Agent and the other Secured Parties thereunder) shall remain in full force and effect in accordance with their terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent and the other Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Documents, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Documents, the terms of the Security Documents shall govern.

SECTION 5. Grantors Remains Liable. Each of the Grantors hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and Trademark Licenses subject to a security interest hereunder.
