(e) the goodwill of such Grantor’s business connected with the use of and symbolized by the Trademarks; and

(f) all Proceeds of any of the foregoing;

provided, however, notwithstanding anything herein to the contrary, the “Collateral” shall not include the Excluded Assets (as such term is defined in the Security Agreement).

2.2. Security Agreement. This Agreement has been executed and delivered by each Grantor for the purpose of registering the security interest of Administrative Agent in the Collateral with the United States Patent and Trademark Office, the United States Copyright Office and any other applicable office or Governmental Authority. The security interest granted pursuant to this Agreement is a supplement to, and not a limitation of, the Lien granted to Administrative Agent pursuant to the Security Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to its Lien in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement shall be effective when it has been executed by each Grantor and Administrative Agent. Further, any facsimile copy, other copy or reproduction of a signed counterpart original of this Agreement shall be as fully effective and binding as the original signed counterpart of this Agreement.

3.5. **CHOICE OF LAW.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS (AND NOT THE LAW OF CONFLICTS) OF THE STATE OF TEXAS.
