## INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT (this "Assignment"), dated as of August 30, 2017, is by and between Jeffrey Kaufman ("Assignor") and Kriser's Feeding Pets for Life, LLC, a Delaware limited liability company ("Assignee").

### Background

- A. Assignor has adopted and used the **Bark!** service mark, for which Assignor owns common law rights and **United States Registration Number 3,273,472** with the United States Patent and Trademark Office (the "Trademark");
- B. Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which, among other things Assignor has agreed to assign, at the closing, to Assignee all right, title and interest in and to all Intellectual Property Assets, including the Trademark, together with all associated goodwill;
- C. The parties wish to execute this Assignment for purposes of evidencing the transfer of the Trademark and to allow Assignee to file this Assignment with the United States Patent and Trademark Office, as may be necessary to effectuate the assignment and transfer of the Trademark from Assignor to Assignee; and
- D. Assignor hereby acknowledges and agrees that from and after the date hereof, Assignee shall be the exclusive owner of all of Assignor's right, title, and interest in and to the Trademark.

The parties hereby agree as follows:

1. Defined Terms. Each capitalized term used but not otherwise defined herein shall have the meaning ascribed to such term in the Purchase Agreement.
2. Assignment of Trademark. Assignor hereby irrevocably and unconditionally grants, conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest in and to the Trademark, including all registrations and applications thereof, all registrations that may be granted in respect of such applications, all renewals of such registrations, all common law rights therein, the goodwill and all rights associated therewith and all other corresponding rights that are or may be secured under the laws of the United States, any jurisdiction thereof, any foreign country or any multinational jurisdiction now or hereafter in effect, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns and other legal representatives, together with all rights to income, royalties, and license fees deriving from the Trademark, all claims for damages by reason of past, present, and future infringements, dilution, misappropriation, violation or unauthorized uses of the Trademark and the right to sue for and collect such damages in Assignee's own name, as permitted under the applicable laws of any jurisdiction or country in which such claims may be asserted for the use and benefit of Assignee and Assignee's successors, assigns, and other legal representatives.

3. Recordation. Assignor authorizes the United States Patent and Trademark Office, and any Governmental Authority of any country or countries foreign to the United States whose duty it is to receive or register trademarks or applications therefor, to record Assignee as the owner of the Trademark and to issue all registrations for the Trademark in the name of Assignee. Assignor and Assignee shall execute and deliver such instruments and take such other actions as may reasonably be required in order to carry out the intent of this Assignment and to evidence and effectuate the transactions contemplated herein, including the execution of all documents, instruments and papers to perform all acts as deemed reasonably necessary by Assignee to perfect in Assignee the foregoing rights, title and interests. Assignee shall use reasonable effort to secure, and Assignor shall use reasonable effort to provide, Assignor's signature on any document needed in connection with the transactions specified herein.

4. Terms of the Purchase Agreement. The Purchase Agreement is hereby incorporated herein by reference. The parties hereto hereby acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the Purchase Agreement and this Assignment, the Purchase Agreement shall govern.

5. Enforceability. This Assignment is executed by Assignor and is binding upon each of Assignee and Assignor, and their respective permitted successors and assignees, for the uses and for purposes above set forth and referred to, and shall be effective as of the date hereof.

6. Governing Law. This Assignment is governed by and construed in accordance with the laws of the State of Delaware without giving effect to its choice or conflict of laws rule.

7. Counterparts. This Assignment may be executed in one or more counterparts, all of which shall together comprise one and the same instrument. This Assignment becomes effective upon its execution and delivery by each party hereto to each other party hereto.

8. Electronic Delivery. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
