E. the goodwill of such Borrower's business connected with and symbolized by the Trademarks, Patents, Copyrights and Licenses.

This Agreement is made for collateral purposes only. Borrowers acknowledge and agree that upon the occurrence of an Event of Default, Lender will have the remedies provided for in the Loan Agreement with respect to the Intellectual Property Collateral. Borrowers covenant and agree to execute and deliver to Lender all agreements, instruments, documents and other written matter that Lender may request, in form and substance acceptable to Lender, to perfect and maintain perfected Lender's security interests and lien in and to the Intellectual Property Collateral and to consummate transactions in connection with the exercise of remedies by Lender.

3. **New Trademarks, Patents, Copyrights and Licenses.** If, prior to payment of the Liabilities in full, such Borrower shall (i) obtain rights to any new trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, application for copyright registration or licenses, or (ii) become entitled to the benefit of any trademark, trademark registration, trademark application, copyright, application for copyright registration or license renewal, the provisions of Paragraph 2 above shall automatically apply thereto and such Borrower shall provide Lender with immediate notice thereof. 4. **Nature and Termination of Lender's Security Interest.** This Agreement is made for collateral purposes only. Except as expressly set forth in the Loan Agreement, nothing contained herein or in the Loan Agreement shall be deemed to limit in any way Borrowers' right to use the Trademarks, Patents, Copyrights or Licenses or to grant to Lender any right to use the Trademarks, Patents, Copyrights or Licenses prior to the occurrence and continuance of an Event of Default. Upon the termination of the

Loan Agreement and the payment in full of all Liabilities (other than contingent indemnification obligations which expressly survive the termination of the Loan Agreement and as to which no demand for payment has been made), the security interests and Liens created by this Agreement shall terminate and Lender (at Borrowers' sole cost and expense) shall promptly execute and deliver to Borrowers such documents and instruments reasonably requested by Borrowers as shall be necessary to evidence the termination of all such security interests and Liens given by Borrowers to Lender hereunder.

5. **Waivers.** Lender's failure at any time or times hereafter to require strict performance by Borrowers of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lender of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Borrowers contained in this Agreement and no Event of Default by Borrowers shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by an officer of Lender and directed to Borrowers specifying such suspension or waiver.

6. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

7. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 4 hereof or by a writing signed by the parties hereto.

8. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Lender's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Borrower irrevocably hereby designates, makes, constitutes and appoints Lender, and all Persons designated by Lender, as such Borrower's true and lawful attorney and agent-in fact to, upon the occurrence and during the continuation of an Event of Default and in any Borrower's or Lender's name, exercise any one or more of the rights and remedies set forth in the Loan Agreement with respect to the Intellectual Property Collateral. This power of attorney shall be irrevocable until the Liabilities shall have been paid in full (other than contingent indemnification obligations which expressly survive the termination of the Loan Agreement and as to which no demand for payment has been made) and all financing arrangements between Borrowers and Lender have been terminated. Borrowers acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

9. **Binding Effect; Benefits.** This Agreement shall be binding upon Borrowers and their respective successors and assigns, and shall inure to the benefit of Lender, its nominees, successors and assigns.

10. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Loan Agreement and shall be effective as set forth in the Loan Agreement.

12. **Counterparts.** This Intellectual Property Security Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. A facsimile or email transmitted executed counterpart to this Intellectual Property Security Agreement and the other documents and instruments executed in connection herewith will be deemed an acceptable original for purposes of consummating this Intellectual Property Security Agreement and such other documents and instruments; provided, however, Borrowers shall be required to deliver to Lender original executed signature pages in substitution for said facsimile or email transmitted signature pages upon Lender's request therefor.

13. **Joint and Several.** All references to "Borrowers" and "Borrower" shall mean RDC, RotaDyne, Wood Graphics, AGT and Katahdin, both individually and collectively, and jointly and severally, and all representations, warranties, duties, covenants, agreements and obligations of Borrowers shall be the individual and collective representations, warranties, duties, covenants, agreements and obligations of each of RDC, RotaDyne, Wood Graphics, AGT and Katahdin.
