Borrowers covenant and agree to execute and deliver to the Bank all agreements, instruments, documents and other written matter that the Bank may request, in form and substance acceptable to the Bank, to perfect and maintain

perfected the Bank's security interests and lien in and to the Intellectual Property Collateral and to consummate the transactions contemplated by this Paragraph 2.

3. **Restrictions on Future Agreements.**

A. Borrowers agree that until the Liabilities shall have been paid and satisfied in full and the Loan Documents have been terminated, Borrowers will not, without the Bank's prior written consent, enter into any document, instrument or agreement which is inconsistent with Borrowers' obligations under this Agreement. Borrowers further agree that they will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to the Bank under this Agreement.

B. Other than liens subordinate to the Bank's lien provided as collateral for Subordinated Debt, each Borrower hereby represents and warrants to the Bank that such Borrower has not granted any license or security interest to any Person other than the Bank in connection with any of the Intellectual Property Collateral. Each Borrower hereby covenants unto the Bank that until the Liabilities shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, other than as collateral for Subordinated Debt, such Borrower shall not grant any license or security interest to any third party in connection with the Intellectual Property Collateral without the Bank's prior written consent.

4. **New Trademarks, Patents, Copyrights and Licenses.** Each Borrower represents and warrants that the Trademarks, Patents, Copyrights and Licenses listed on Exhibits "A", "B", "C" and "D" respectively constitute all of the trademarks, trademark registrations, patents, patent registrations, copyrights, applications therefor and licenses now owned by Borrowers. If, prior to payment of the Liabilities in full, such Borrower shall (i) obtain rights to any new trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, application for copyright registration or licenses, or (ii) become entitled to the benefit of any trademark, trademark registration, trademark application, copyright, application for copyright registration or license renewal, the provisions of Paragraph 2 above shall automatically apply thereto and such Borrower shall provide the Bank with immediate notice thereof. Borrowers hereby authorize the Bank to modify this Agreement by amending Exhibits "A", "B", "C" and "D" to include any future trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, applications for copyright registration and licenses.

5. **Royalties; Terms.** Each Borrower hereby agrees that the use by the Bank of all Intellectual Property Collateral after an Event of Default as described above shall be without any liability for royalties or other related charges from the Bank to Borrowers. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to the Bank of the Liabilities in full and the termination of the Loan Documents.

6. **Bank's Right to Inspect.** The Bank shall have the right to inspect Borrowers' premises and to examine Borrowers' books, records and operations, including, without limitation, Borrowers' quality control processes. Upon an Event of Default, Borrowers agree that the Bank shall have the right to establish such additional product quality controls as the Bank, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by Borrowers under the Trademarks, Patents, Copyrights or Licenses. Each Borrower agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents, Copyrights or Licenses; (ii) to maintain the quality of any and all

products produced in connection with the Intellectual Property Collateral consistent with the quality of said products as of the date hereof; and (iii) not to adversely change or alter the quality of said products in any way without the Bank's prior written consent.

7. **Nature and Termination of the Bank's Security Interest.** This Agreement is made for collateral purposes only. Except as otherwise provided in Paragraphs 3, 6 and 13 hereof, nothing contained herein shall be deemed to limit in any way Borrowers' right to use the Trademarks, Patents, Copyrights or Licenses or to grant to the Bank any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Borrowers.** Borrowers shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, until the Liabilities shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as appropriate, and (iii) to preserve and maintain all Intellectual Property Collateral. Any expenses incurred in connection with such applications shall be borne by Borrowers. Borrowers shall not abandon any Intellectual Property Collateral, without the consent of the Bank.

9. **Bank's Right to Sue.** Upon an Event of Default, the Bank shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of a Borrower to enforce the Trademarks, Patents, Copyrights and Licenses. If the Bank shall commence any such suit, Borrowers shall, at the request of the Bank, do any and all acts and execute any and all instruments, documents and agreements required by the Bank to enforce such Intellectual Property Collateral, and Borrowers shall promptly, upon demand, reimburse and indemnify the Bank for all costs and expenses incurred by the Bank in the exercise of its rights and remedies under this Paragraph 9.

10. **Waivers.** The Bank's failure at any time or times hereafter to require strict performance by Borrowers of any provision of this Agreement shall not waive, affect or diminish any right of the Bank thereafter to demand strict compliance and performance therewith. Any suspension or waiver by the Bank of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Borrowers contained in this Agreement and no Event of Default by Borrowers shall be deemed to have been suspended or waived by the Bank unless such suspension or waiver is in writing signed by an officer of the Bank and directed to Borrowers specifying such suspension or waiver.

11. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Credit Agreement.** All of the Bank's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Borrower hereby authorizes the Bank to make, constitute and appoint any officer or agent of the Bank as such Borrower's true and lawful attorney-in-fact, with

power, upon an Event of Default and commencement by the Bank of any of its rights and remedies whatsoever, whether pursuant to this Agreement, the Loan Documents, at law, in equity or otherwise, to (a) endorse such Borrower's name on all applications, documents, papers and instruments necessary or desirable for Bank in connection with selling the Intellectual Property Collateral, (b) take any other actions with respect to the Intellectual Property Collateral as the Bank decides in its sole and absolute discretion, (c) assign, pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as the Bank may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Each Borrower agrees to indemnify Bank for any infringement claims or other similar claims filed or asserted against Bank from the use of any of the Intellectual Property Collateral. Borrowers hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been paid in full and all financing arrangements between Borrowers and the Bank have been terminated. Borrowers acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Bank under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Borrowers and their respective successors and assigns, and shall inure to the benefit of the Bank, its nominees, successors and assigns.

15. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Credit Agreement and shall be effective as set forth in the Credit Agreement.
