1. Assignment. Assignors hereby assign, transfer, convey, and deliver to Assignee and its successors and assigns, and Assignee hereby accepts from Assignors, all of its right, title, and interest in, to, and under the Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Trademarks, and all registrations that have been or may be granted for any of the Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present, and past infringements of the Trademarks and to fully and entirely stand in the place of Assignors in all matters related to the Trademarks.
