TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement") is made this 20th day of September, 2017, among **JO'S CANDIES LLC**, a Delaware limited liability company ("Jo's"), **CLOVER CONFECTION COMPANY LLC**, a Delaware limited liability company ("Clover" and, collectively with Jo's, the "Grantors" and, each individually, a "Grantor"), and **PRESIDENTIAL FINANCIAL CORPORATION**, a Georgia corporation (together with its successors and assigns, "Lender").

Recitals:

Grantors and Lender are parties to a certain Loan and Security Agreement dated as of August 4, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement") pursuant to which Lender has made and may in the future make, certain revolving credit loans, a term loan and other financial accommodations to or for the benefit of Grantors.

Under the terms of the Loan Agreement, each Grantor has granted to Lender a security interest in, among other property, certain intellectual property of such Grantor, and has agreed to execute this Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for Ten Dollars (\$10.00) in hand paid and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees with Lender as follows:

1. Defined Terms. Capitalized terms used herein (including those used in the Recitals hereto), unless otherwise defined, shall have the meanings ascribed to them in the Loan Agreement.

2. Grant of Security. Each Grantor hereby grants to Lender a security interest in all of such Grantor's right, title and interest in and to the following (the "Collateral"):

(a) all trademarks, service marks, domain names, trade dress, logos, designs, slogans, trade names, business names, corporate names and other source identifiers (but expressly excluding intent-to-use trademarks to the extent, and solely to the extent, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law), whether registered or unregistered, together, in each case, with the goodwill symbolized thereby, including without limitation, the specific Trademarks listed on Exhibit A attached hereto (the "Trademarks");

(b) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the

foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of Grantor accruing thereunder or pertaining thereto;

(c) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(d) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

3. Security for Obligations. The grant of a security interest in the Collateral by Grantors under this Agreement secures the performance of all Obligations of Grantors now or hereafter existing, whether direct or indirect, absolute or contingent, joint or several, including without limitation, the payment of all principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the Obligations and that would be owed by Grantors to Lender under the Loan Documents but for the fact that such Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any Grantor.

4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Agreement.

5. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

6. Grants, Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Loan Agreement. Each Grantor hereby acknowledges and confirms that the grant of the security interest hereunder to, and the rights and remedies of, the Lender with respect to the Collateral are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

7. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia.

8. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY DISPUTE, LITIGATION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

[Remainder of page intentionally left blank;
signatures appear on the following page.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed, sealed and delivered by a duly authorized officer as of the date first above written.
