Dated: September 22, 2017

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, CANARY CONNECT, INC., a Delaware corporation (the "Assignor"), hereby assigns and grants to WRV II, L.P. as agent for the secured parties listed on Exhibit A (the "Assignee"), a security interest in all of the Assignor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Patent and Trademark Collateral"), whether presently existing or hereafter arising or acquired:

(i) each United States patent and patent application owned by the Assignor, including each patent and patent application referred to on Schedule A hereto;

(ii) each United States trademark, trademark registration and trademark application owned by the Assignor, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application, including each trademark, trademark registration and trademark application referred to in Schedule B hereto, but excluding in all cases all intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office; and

(iii) all products and proceeds of the foregoing, including any claim by the Assignor against third parties for past, present or future infringement of any patent, or past, present or future infringement or dilution of any trademark or trademark registration, including any patent or trademark listed on Schedule A or B hereto, or for injury to the goodwill associated with any trademark or trademark registration.

THIS ASSIGNMENT is granted in conjunction with the security interests granted to the Assignee pursuant to the Secured Subordinated Convertible Promissory Note issued by the Assignor to the Assignee or other secured parties as to which the Assignee is acting as agent, dated as of September 22, 2017, as amended, modified or supplemented from time to time (the "Secured Note").

THIS ASSIGNMENT has been granted in conjunction with the security interest granted to the Assignee under the Secured Note. The rights and remedies of the Assignee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Secured Note, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Assignment are deemed to conflict with the Secured Note, the provisions of the Secured Note shall govern.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the day and year first above written.
