NOTICE  
OF  
GRANT OF SECURITY INTEREST  
IN  
TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that (a) pursuant to the Pledge and Security Agreement dated as of September 15, 2017 (as amended, modified, extended, restated, replaced, or supplemented from time to time, the “Security Agreement”), by and among the Grantors party thereto (each a “Grantor” and collectively, the “Grantors”) and JPMorgan Chase Bank, N.A. (the “Administrative Agent”) for itself and for the other Secured Parties referenced therein, the undersigned Grantor has granted a security interest in the Trademarks referenced therein, including such trademarks listed on Schedule 1 attached hereto, excluding, for clarity, any intent-to-use trademark application prior to the filing and acceptance of a verified “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant, attachment or perfection of a security interest therein would impair the validity or enforceability of, or cause the voiding, lapse or abandonment of, such intent-to-use trademark application or any registration issuing therefrom under applicable federal law, to the Administrative Agent, on behalf of and for the benefit of the Secured Parties, and (b) the undersigned hereby grants to the Administrative Agent, on behalf of and for the benefit of the Secured Parties, a security interest in any and all right, title and interest of such Grantor in and to the Trademarks listed on Schedule 1.

The Grantors and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the Trademarks (i) may only be terminated in accordance with the terms of the Security Agreement and (ii) is not to be construed as an assignment of any Trademark.
