**WHEREAS**, Assignor and Assignee entered into that certain Stock Purchase Agreement by and among Control4 Corporation, Triad Holding, Inc. and Lawrence H. Pexton, Jr., dated February 27, 2017 (the "Purchase Agreement"), pursuant to which Assignor conveyed, transferred and assigned to Assignee, among other assets, the trademark applications and registrations set forth on Schedule A attached hereto, in each case, together with the goodwill of the business associated therewith (collectively, the "Marks"), and has agreed to execute and deliver this Assignment, for recording with the United States Patent and Trademark Office.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.
