## Trademark Assignment Agreement

This Trademark Assignment Agreement ("Trademark Assignment") is made effective as of June 30, 2014 by and between Novelis Inc., a Canadian corporation (the "Assignor"), and Reynolds Consumer Products Canada Inc., a Canadian corporation ("Assignee"). Unless otherwise indicated, capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the APA (as defined below).

WHEREAS, Assignor and Reynolds Consumer Products LLC, a Delaware limited liability company (f/k/a Reynolds Consumer Products, Inc.) ("Buyer"), are parties to that certain Asset Purchase Agreement dated November 15, 2013 (the "APA"), pursuant to which Assignor agreed to sell, convey, assign, and transfer to Buyer, among other assets, the entire title, rights, interests, benefits, and privileges in and to all trademarks specified on Schedule 1 hereto (collectively, the "Business Marks"), together with the respective goodwill of the Business symbolized by the respective Business Marks;

WHEREAS, Buyer has designated Assignee, its Affiliate, to take title to the Business Marks; and

WHEREAS, Assignor now wishes to assign the Business Marks to Assignee, and Assignee is desirous of acquiring the Business Marks from Assignor.

NOW, THEREFORE, pursuant and subject to the terms of the APA and in consideration of the mutual covenants set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns, transfers, sells and conveys, and confirms that it has assigned, transferred, sold and conveyed, to Assignee, as successor to the Business, the whole entire right, title, and interest in and to the Business Marks, including all goodwill associated therewith, and the right to sue for and the remedies resulting from past and future infringement of the foregoing, and rights of protection of interest therein under the Laws of all jurisdictions.

2. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other Governmental Entities to issue or transfer all Business Marks to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

3. Assignor covenants, agrees and undertakes to execute, wherever reasonably requested by the Assignee, all assignments, lawful oaths and any other papers which Assignee may deem necessary or desirable for securing to Assignee or for maintaining for Assignee any and all of the Business Marks, at Assignee's expense.

4. Assignor agrees that it is hereby legally bound, upon reasonable request and at the expense of Assignee or its successors or assigns or a legal representative thereof, to supply all information and evidence of which the Assignor has knowledge or possession relating to the Business Marks (and the Business identified by the Business Marks), and to testify in any legal proceeding relating thereto.

5. This Trademark Assignment is being delivered pursuant to the APA and will be construed consistently therewith. This Trademark Assignment is not intended to, and does not, in any manner enhance, diminish, or otherwise modify the rights and obligations of the Parties under the APA. To the extent that any provision of this Trademark Assignment conflicts or is inconsistent with the terms of the APA, the terms of the APA will govern.

6. This Trademark Assignment may be executed in multiple counterparts (each of which will be deemed an original, but all of which together will constitute one and the same instrument), and may be delivered by email transmission, with originals to follow by overnight courier or certified mail (return receipt requested).

7. This Trademark Assignment and all of the provisions hereof will be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.
