THIS TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is entered into as of October 12, 2017 between the Grantor (as defined below) listed on the signature pages hereof (the “**Grantor**”) and MIDCAP FINANCIAL TRUST, in its capacity as administrative agent for the Lenders (together with its successors and assigns in such capacity, “**Administrative Agent**”).

WITNESSETH:

WHEREAS, pursuant to that certain Credit and Guaranty Agreement, dated as of October 31, 2016 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, including all annexes, exhibits and schedules thereto, the “**Credit Agreement**”), among TG MIDCO, LLC, a Delaware limited liability company (“**Initial Borrower**”), upon consummation of the Acquisition (as defined therein), TRADEMARK GLOBAL, LLC, a Delaware limited liability company (“**Trademark OpCo**”), and TRADEMARK GAMES HOLDINGS, LLC, a Delaware limited liability company (“**Trademark Parent**”; Initial Borrower and, upon consummation of the Acquisition, Trademark OpCo and Trademark Parent, collectively “**Borrowers**”, and individually, a “**Borrower**”), the Lenders (as defined therein) party thereto from time to time, the Guarantors (as defined therein) party thereto from time to time, and Administrative Agent, Lenders have agreed to make Loans (as defined therein) to Borrowers from time to time pursuant to the terms and subject to the conditions set forth therein; and

WHEREAS, Lenders are willing to make Loans to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that the Grantor shall have executed and delivered to Administrative Agent, for the benefit of the Secured Parties (as defined in the Security Agreement, defined below), that certain Security and Pledge Agreement dated as of October 31, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, including all schedules and exhibits thereto, the “**Security Agreement**”); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to Administrative Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.
2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby grants to Administrative Agent, for the benefit of the Secured Parties, a valid and continuing first priority security interest in and Lien on all of the Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

- (a) all of the Grantor's Trademark registrations, Trademark applications and Trademark Licenses, including, without limitation, those referred to on Schedule 1 hereto;
- (b) all goodwill with respect to the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and
- (d) all products and proceeds of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement, misappropriation or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not extend to any intent-to-use United States trademark applications for so long as and to the extent that such intent-to-use United States trademark applications constitute Excluded Collateral.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Secured Obligations of the Grantor, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantor to Administrative Agent, the other Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving the Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with and in furtherance of the security interests and Liens granted to Administrative Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, and to the extent a conflict exists, the terms of the Security Agreement control.

5. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. If the Grantor shall file an application for the registration of any trademark with the United States Patent and Trademark Office, the Grantor shall report such filing to Administrative Agent within five (5) Business Days after the last day of the fiscal quarter in which such filing occurs (in accordance with Section 4(k) of the Security Agreement). Without limiting the Grantor's obligations under this Section 5, the Grantor hereby authorizes Administrative Agent unilaterally (but Administrative Agent shall be under no obligation) to modify this Trademark Security Agreement by amending Schedule 1 to include any such new trademark rights of the Grantor, which become part of the Trademark Collateral under the Security Agreement. Notwithstanding the foregoing, no delay or failure to so modify this Trademark Security Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from

Administrative Agent's valid and continuing security interest in all Collateral (including without limitation the Trademark Collateral), whether or not listed on Schedule 1.

6. SUCCESSORS IN INTEREST. This Trademark Security Agreement shall be binding upon the Grantor, its successors and assigns and shall insure, together with the rights and remedies of Administrative Agent and the other Secured Parties hereunder, to the benefit of Administrative Agent and the other Secured Parties and their successors and assigns.

7. COUNTERPARTS; INTEGRATION. This Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) may be executed in any number of counterparts, each of which shall be deemed an original with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed signature page of this Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof or thereof.

Any reference in this Trademark Security Agreement or in any other Financing Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Financing Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash in accordance with the terms of the Credit Agreement (or cash collateralization in accordance with the terms thereof) of all Obligations other than unasserted Contingent Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any requirement of a writing contained herein or in any other Financing Document shall be satisfied by the transmission of a Record, and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.

ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.
