WHEREAS, the execution and delivery of this Assignment is a condition to Closing.

NOW THEREFORE, for good and valuable consideration, including the premises and covenants set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto hereby agree as follows:

1. Assignment. Effective upon Closing, Assignor hereby sells, assigns and transfers to Assignee, and Assignee hereby accepts the sale, assignment and transfer of, all right, title and interest in and to the Purchased Trademarks, including all rights therein provided by international conventions and treaties, all rights of priority and renewals, and all rights to sue and recover damages for past, present and future infringement, dilution, misappropriation, unlawful imitation or other violation thereof or conflict therewith.

2. Further Assurances. (a) Assignor shall, at the request and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts that may be necessary or desirable to assist Assignee (or its successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignee's interest in and to the Purchased Trademarks, including without limitation, in the (i) preparation and prosecution of any application for registration of the Purchased Trademarks, and (ii) prosecution or defense of any opposition, cancellation, infringement or other legal or administrative proceedings that may arise in connection with any of the Purchased Trademarks, including testifying as to any facts relating to the Purchased Trademarks and this Assignment.

3. Due Authorization. Assignor hereby authorizes and requests any official of any applicable Governmental Authority to issue any and all registrations from any and all applications for registration included in the Purchased Trademarks to and in the name of Assignee.

4. Governing Law. This Assignment shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State.

5. Counterparts. This Assignment may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.
