TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "**Assignment**") is made and entered into as of September 20, 2017 ("**Effective Date**") by and among JOHNSON & JOHNSON, a New Jersey corporation ("**Assignor**"), and LABORATOIRE HRA PHARMA SAS, a French company with its place of business at 15 rue Béranger, 75 003 Paris, France ("**Buyer**") ("**Assignee**").

WHEREAS, Assignor is the owner of the trademark applications and registrations shown in Schedule A, in respect of all goods and services covered by the specifications thereof (collectively, the "**Marks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Marks;

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all its right, title and interest to the Marks; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

SECTION 1. Conveyance, Assignment and Transfer. Assignor hereby sells, assigns, transfers and conveys to Assignee its entire right, title and interest in and to the Marks and related goodwill including, without limitation, any registrations and applications therefor, any renewals of the registrations, and all other corresponding rights that are or may be secured, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement, dilution, misappropriation or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

SECTION 2. Further Assurance. Assignor hereby further agrees to promptly execute, or to cause to have executed, any confirmatory assignment of the Marks that may be reasonably required in addition to the signing of this Assignment and reasonably requested by the Assignee, Assignee's successors, assigns or other legal representatives, in order to transfer to the Assignee the ownership of the Marks in individual countries and to effectuate the purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

SECTION 3. Recordal. Assignor hereby requests the applicable agency with jurisdiction over trademarks to record Assignee as the assignee and owner of the Marks.

SECTION 4. General.

(a) This Assignment may be executed in counterparts, each of which, when executed, shall be deemed an original, and all of which shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that both parties need not sign the same counterpart.

(b) This Agreement and the rights and obligations hereunder shall be binding upon and inure solely to the benefit of the parties hereto, their respective successors and permitted assigns.

(c) This Agreement shall be governed by English law, and each party irrevocably submits to the exclusive jurisdiction of the English courts in relation to any issues, disputes or claims arising out of or in connection with it.
