RECITALS

WHEREAS, this Agreement is being delivered pursuant to that certain Asset Purchase Agreement, dated as of the date herewith (as amended from time to time, the "Purchase Agreement"), by and among Assignor, Assignee, ZD Holding, LLC, a New Mexico limited liability company, Moritz Schlenzig and Garrett Thornburg Revocable Trust u/t/a dated March 7, 2001;

WHEREAS, in accordance with the Purchase Agreement, Assignor has agreed to transfer and assign to Assignee certain of the assets, rights and properties of Assignor, including all right, title and interest in and to all intellectual property owned by Assignor, including, but not limited to, the specific intellectual property listed on the attached Exhibit A attached hereto ("Intellectual Property"); and

WHEREAS, Assignee desires to obtain all right, title and interest in and to the Intellectual Property according to the terms of this Agreement.

NOW, THEREFORE, in consideration of the premises and agreements contained herein and in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby act and agree as follows:

1. Assignment of the Intellectual Property. Assignor hereby absolutely, unconditionally and irrevocably sells, assigns, transfers and conveys to Assignee, its successors, assigns and legal representatives, the entire worldwide right, title and interest in and to the Intellectual Property, free and clear of any liens or other restrictions or claims from any person, including, without limitation, all associated goodwill, all applications, all registrations, and divisions, reissues, reexaminations, renewals, substitutions, continuations, extensions and foreign counterparts thereof, and all other corresponding rights that are or may be secured under the laws of the United States, any foreign country or jurisdiction or any multilateral organization, together with all income, royalties or payments due or payable as of the date first written above or thereafter, all claims for damages and the right to sue for, collect, settle or release any past, present or future infringement, misuse or misappropriation of any of the Intellectual Property, in each case for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made.

2. Assistance. From time to time, as and when requested by Assignee, Assignor shall execute and deliver, or cause to be executed and delivered, all documents and instruments and shall take, or cause to be taken, all further or other actions as Assignee may reasonably deem necessary or desirable to consummate the transactions contemplated by this Agreement, including, in the case of Assignor, executing and delivering to Assignee such assignments, deeds, bills of sale, consents, powers of attorney, declarations, affidavits and other instruments as Assignee or its counsel may reasonably request as necessary or desirable for such purpose. Further, at Assignee's expense, Assignor and its successors and assigns shall testify in any legal proceedings, sign all lawful papers, make all lawful oaths and generally do everything possible to vest title to the Intellectual Property in Assignee and to aid Assignee, its successors, assigns and legal representatives to obtain and enforce proper protection for the Intellectual Property.
