FULL RELEASE OF SECURITY INTEREST IN  
INTELLECTUAL PROPERTY

Reference is hereby made to that certain Commercial Security Agreement dated as March 8, 2017 (the "Agreement") executed by Organicgirl, LLC, a California limited liability company (the "Grantor") and the borrowers signatory thereto in favor of East West Bank (the "Secured Party"). The Agreement was recorded with the United States Patent and Trademark Office, and pursuant to which the Grantor assigned and granted to the Secured Party a security interest in all of the Grantor's right, title and interest in, to and under the trademarks of the Grantor thereunder, including the registered trademarks specifically listed on Annex 1 attached hereto (collectively, the "Pledged IP").

WHEREAS, the Secured Party wishes to terminate the Agreement and release to the Grantor all of the Secured Party's right, title and interest in and to the Pledged IP;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged: the Secured Party hereby terminates the Agreement and releases and reconveys to the Grantor, without representation, recourse or warranty, all of the Secured Party's right, title and interest in and to the Pledged IP (this "Release"); and the Secured Party hereby authorizes the United States Commissioner of Patents and Trademarks and any other applicable government officers to record this termination and release, including but not limited to recording the termination and release of the Secured Party's security interest in the Pledged IP.

This Release shall be construed under and governed by the laws of the State of California and may be executed in any number of counterparts and by different parties on separate counterparts. Delivery of an executed counterpart of this release by telefacsimile or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart of this Release.

IN WITNESS WHEREOF, the Secured Party has executed this Release as of October 17, 2017.
