THIS ASSIGNMENT dated June 1, 2017 is by and between **Amy Schmidt Hamilton**, an individual C/O Spacesaver Systems, Incorporated with offices at 10800 Connecticut Avenue, Kensington, Maryland 20895 (“**Assignor**”), and **Spacesaver Systems, Incorporated**, a District of Columbia corporation, with offices at 10800 Connecticut Avenue, Kensington, Maryland 20895 (“**Assignee**”).

WHEREAS, **Assignor** owns the trademarks listed on Exhibit A attached hereto and incorporated herein by reference (each herein referred to as a “Trademark” and jointly as “Trademarks”), the goodwill associated with **Assignee** in connection with the goods/services **Assignee** offers under each Trademark (“Goodwill”), and the United States Patent and Trademark Office registration listed with each Trademark (each herein referred to as a “Registration” and jointly as “Registrations”); and,

WHEREAS, **Assignor** desires to transfer and assign to **Assignee**, and **Assignee** desires to acquire from **Assignor** the entire worldwide right, title and interest in and to all Trademarks, all Goodwill, all Registrations, and all appertaining rights and privileges.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Assignor** hereby irrevocably transfers and assigns to **Assignee**, the entire worldwide right, title, and interest in and to the Trademarks together with and all Goodwill, each associated Registration, and all related common law, statutory and other rights derived therefrom, including, but not limited to, registration and other rights in the United States and countries other than the United States that derive from the Registrations, all claims, demands and causes of action for any and all past, current and future infringement, and for unfair competition or other cause of action related to or arising from any one or more or all of the Trademarks and Registrations or any of them, and further including, but not limited to, all common law and statutory damages, injunctive relief, and all other remedies and relief, whether at-law or in equity, and any and all other appertaining rights and privileges, the same to be held and enjoyed by **Assignee**, its successors, assigns or other legal representatives as fully and entirely as the same would or could have been held and enjoyed by **Assignor** had this Assignment not been made, all as of the effective as of the date of this Assignment.

Assignor warrants, represents and covenants that: (i) **Assignor** is the sole and exclusive owner of the Trademarks, all Goodwill, all Registrations, and all other appertaining

rights and privileges; (ii) Assignor has the full right to convey the entire interest hereby assigned; (iii) Assignor has not and will not assign or otherwise transfer any of the rights hereby assigned to any third party; and (iv) there are no actual or threatened claims, actions or proceedings against the Trademarks, Registrations, or any product or service associated with any of the Trademarks.

Upon Assignee's written request, Assignor will, without additional consideration, take such further actions and execute promptly such further documents as are necessary or desirable to transfer, vest, record and perfect good, valid and marketable title to the Trademarks, all Goodwill, and all Registrations, in Assignee. Assignor hereby authorizes Assignee to duly record this Assignment with any one or more government entities throughout the world, as, when and where Assignee determines, to further show, perfect and publicize that Assignee is the owner of the Trademarks and all Goodwill, all Registrations, and all other appertaining rights and privileges, pursuant to this Assignment.
