## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "*Assignment*") is made and entered into as of February 1, 2016, by and between Reloaded Games, Inc., a California corporation ("*Assignor*"), and Seaside Entertainment, LLC, a California limited liability company ("*Assignee*").

WHEREAS, Assignor and Assignee, are parties to that certain Quit-Claim Bill of Sale, dated as of February 1, 2016 (the "*Bill of Sale*"), pursuant to which Assignee has acquired assets of Assignor and to which Assignee is to receive all of Assignor's right, title, and interest in and to all of the trademarks, service marks, and trade names, together with the goodwill associated with and symbolized by them, including, without limitation, those trademarks, service marks, and trade names listed in Schedule I hereto (all such trademarks, service marks, and trade names are referred herein collectively as the "*Assigned Trademarks*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agree as follows:

1. Assignment. Assignor hereby assigns, transfers, conveys, and delivers to Assignee and its successors and assigns, and Assignee hereby purchases and accepts from Assignor, all of its right, title, and interest in, to, and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present, and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

2. Further Assurances. Assignor agrees to execute and deliver such other documents and to take all such other actions which Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens, and other documentation as may be reasonably required to effect the terms of this Assignment and its recordation in relevant state and national trademark offices.

3. Miscellaneous. This Assignment shall be governed by, and construed in accordance with the laws of the State of California without reference to such state's principles of conflicts of law. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors. This Assignment and any amendments hereto may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.
