SHORT-FORM TRADEMARKS SECURITY AGREEMENT

WHEREAS, the Subsidiary of American Broadband Holding Company identified under the caption "OBLIGOR" on the signature page hereto (the "Obligor") has adopted, used, is using, or intends to use, and is the owner of the trademarks and trademark applications listed in the attached Schedule of registered Trademarks, and the registrations and applications associated therewith;

WHEREAS, the Obligor has contemporaneously with the execution of this Short-Form Trademarks Security Agreement entered into the Pledge and Security Agreement dated as of October 25, 2017 (as modified from time to time, the "Security Agreement"), in which the Obligor has granted certain interests in favor of Silver Point Finance, LLC, as Collateral Agent ("Collateral Agent") for the benefit of the Secured Parties (as defined therein); and

WHEREAS, pursuant to the Security Agreement, the Obligor has agreed with Collateral Agent and the Secured Parties to execute this Short-Form Trademarks Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Obligor hereby grants to Collateral Agent for the benefit of the Secured Parties, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of the Obligor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks listed on the attached Schedule of registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Short-Form Trademarks Security Agreement and the Security Agreement, the Security Agreement shall control.

Date: October 25, 2017

IN WITNESS WHEREOF, the party hereto has caused this Short-Form Trademarks Security Agreement to be duly executed and delivered by the respective officer thereunto duly authorized as of the date first written above.
