WHEREAS, pursuant to the terms of the Guarantee and Collateral Agreement dated as of June 1, 2015 (as amended, restated, supplemented or modified from time to time, the "Collateral Agreement") among each Grantor, the other grantors party thereto and Agent (in such capacity, together with its successors in such capacity pursuant to the terms of such Collateral Agreement, "Grantee"), each Grantor has granted to Grantee for the ratable benefit of such secured parties a continuing security interest in or other Lien (as defined in the Credit Agreement) on substantially all the assets of such Grantor, including all right, title and interest of such Grantor in, to and under the Trademark Collateral (as defined below), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as defined in the Collateral Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby grant to Grantee, to secure the Secured Obligations, a continuing security interest in all of such Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

Except to the extent permitted in the Collateral Agreement or the Credit Agreement, each Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

The foregoing security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Collateral Agreement. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
