ASSIGNMENT

WHEREAS, **TIDI Securement Products, LLC**, a corporation organized in the state of Delaware and having a principal place of business at 570 Enterprise Drive, Neenah, WI 54956, USA (hereinafter "Assignor") is the current owner of certain intellectual property, invention(s), discoveries, trademark applications, trademark registrations, and any goodwill associated therewith included in Schedule 1 (hereinafter collectively referred to as the "Invention(s)").

WHEREAS, **TIDI Products, LLC**, a corporation organized in the state of Delaware and having its principal place of business at 570 Enterprise Drive, Neenah, WI 54956, USA (hereinafter "Assignee") is desirous of acquiring the entire interest in and to said Invention(s), said applications, any Letters Patent, and any trademark registrations to be obtained therefore;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid, the receipt and sufficiency whereof are hereby acknowledged, Assignor has sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto Assignee, and the assignee's legal representative, successors, and assigns, the entire right, title, and interest in the Invention(s) including any and all applications, patents, and all corresponding foreign patent applications, all divisional, continuation, continuation-in-part, reissue and reexamination applications related to the Invention(s), and all Letters Patent or comparable rights issuing thereon in the United States and in all foreign countries together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and any trademark registrations, trademark applications, common law trademarks, and any goodwill associated therewith, and Assignor hereby authorize and request the U.S. Commissioner of Patent and Trademarks and all foreign Patent or Trademark offices to issue all Letters Patent, trademark registrations, or comparable rights issuing on any application as aforesaid to Assignee, or to its successors, assigns or legal representatives.

ASSIGNOR HEREBY AUTHORIZE the law firm of Boyle Fredrickson, S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office or any other office for recordation of this document.

UPON SAID CONSIDERATION, Assignor do hereby covenant for myself and my heirs, legal representatives, and assigns that neither me nor any of my heirs, legal representatives, or assigns have or will execute any instrument or perform any act in conflict herewith and that Assignor or its heirs, legal representatives, and assigns will at all times do such acts and execute such papers, without expense to ourselves, as may be necessary or desirable in order to fully protect the Invention(s) for the benefit of the assignee, its successors or assigns, and to otherwise carry into full force and effect the text and interest of this assignment.
