TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of November 3, 2017 (this “*Trademark Security Agreement*”), is made by each of the signatories hereto (together with any other entity that may become a party hereto as provided herein, the “*Trademark Grantors*”), in favor of Perceptive Credit Holdings, LP, as administrative agent (in such capacity, the “*Agent*”) for the Secured Parties.

W I T N E S S E T H:

WHEREAS, the Trademark Grantors are party to (i) a Credit Agreement and Guaranty, dated as of November 3, 2017 (the “*Credit Agreement*”) with the Agent and (ii) a Security Agreement, dated as November 3, 2017 (the “*Security Agreement*”) with the Agent, pursuant to which the Trademark Grantors are required to execute and deliver this Trademark Security Agreement (capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement); and

WHEREAS, pursuant to the terms of the Security Agreement, each Trademark Grantor has created in favor of the Agent a security interest in, and the Agent has become a secured creditor with respect to, the Trademark Collateral (as defined below).

NOW, THEREFORE, in consideration of the premises and to induce the Agent and the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to Counsyl, Inc., as the borrower thereunder, each Trademark Grantor hereby grants to the Agent, for the benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “*Trademark Collateral*”), as collateral security for the complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of all Secured Obligations:

(a) all Trademarks of such Trademark Grantor, including, without limitation, the registered and applied-for Trademarks of such Grantor listed on **Schedule 1** attached hereto;

(b) to the extent not covered by **clause (a)**, all Proceeds of any of the foregoing;

(c) to the extent not covered by **clause (a)**, the goodwill of the businesses with which the Trademarks are associated; and

(d) to the extent not covered by **clause (a)**, all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

In no event shall the Trademark Collateral include any application for registration of a Trademark filed on an intent-to-use basis, solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation or termination of, or

otherwise invalidate, such trademark application; provided that, immediately upon the time at which the consequences described in the foregoing shall no longer exist, the Trademark Collateral shall include, and the applicable Trademark Grantor shall be deemed to have granted a security interest in, all of such Trademark Grantor's right, title and interest in such Trademark.

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement, and the Trademark Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Each Trademark Grantor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Trademark Security Agreement.

**THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION; PROVIDED THAT SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW SHALL APPLY.**

This Trademark Security Agreement may be executed by one or more of the parties to this Trademark Security Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or electronic transmission (in PDF format) shall be effective as delivery of a manually executed counterpart hereof.

[Remainder of This Page Intentionally Left Blank.]

IN WITNESS WHEREOF, each Trademark Grantor has caused this TRADEMARK SECURITY AGREEMENT to be executed and delivered by its duly authorized officer as of the date first above written.
