AMENDMENT TO PATENT AND TRADEMARK SECURITY AGREEMENT

THIS AMENDMENT TO PATENT AND TRADEMARK SECURITY AGREEMENT (this "**Amendment**") is dated as of _____, 2017, but is effective as of August 24, 2017, by 4WEB, Inc., a Texas Corporation ("**Grantor**"), Stevens Financial Group, LP, as Administrative Agent for the Lenders ("**Initial Administrative Agent**") and Medical Device Partners, LLC, as successor Administrative Agent for the Lenders ("**Successor Secured Party**").

BACKGROUND

A. Grantor and Initial Administrative Agent (as the designated "Secured Party") are parties to that certain Patent and Trademark Security Agreement, dated April 14, 2017 (the "**Security Agreement**"), pursuant to which Grantor granted to Initial Administrative Agent (as Secured Party), for the benefit of the Lenders, a Security Interest in and to all of the Patents and Trademarks as security for the Secured Obligations.

B. All of the capitalized terms not defined herein shall have the same meanings given them in the Security Agreement and in that certain Loan and Security Agreement, dated as of April 14, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "**Loan Agreement**"), by and among Grantor and 4WEB EU, LLC, as Borrowers, thereunder, the Lenders from time to time parties thereto (the "**Lenders**"), and the Initial Administrative Agent, as Administrative Agent for the Lenders.

C. The Security Agreement was recorded in the United States Patent and Trademark Office on April 20, 2017 under Reel/Frame Nos. 042082/0481; 042082/0798; and 6038/0444.

D. Pursuant to that certain Amendment to Loan Documents and Payoff Agreement, dated as of August 24, 2017, by and among the parties to the Loan Agreement and Jessee Hunt, Initial Administrative Agent resigned as the Administrative Agent and Successor Administrative Agent was appointed as the successor Administrative Agent and succeeded to and became vested with all of the rights, powers and privileges and duties of the resigning Initial Administrative Agent.

E. Grantor, Initial Administrative Agent and the Successor Administrative Agent desire to amend the Security Agreement to effect a change in and to replace the "Secured Party" as herein provided.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and intending to be legally bound hereby, the parties hereto agree as follows:

1. From and after August 24, 2017, Initial Administrative Agent shall no longer serve in the capacity as the Secured Party under the Security Agreement and in its place and stead Successor Administrative Agent shall become the Secured Party under the Security Agreement and shall serve in that capacity from and after the aforesaid date.

2. This Amendment is deemed incorporated into the Security Agreement. Any and all references in any of the Financing Documents to the Patent and Trademark Security Agreement shall refer to the Security Agreement, as amended by this Amendment.

3. Grantor hereby certifies that: (a) no consent, approval, order or authorization of, or registration or filing with, any third party is required in connection with the execution, delivery and carrying out of this Amendment or, if required, has been obtained, and (b) this Amendment has been duly authorized, executed and delivered so that it constitutes the legal, valid and binding obligation of Grantor, enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting the enforcement of creditors' rights generally. Grantor confirms that the Secured Obligations remain outstanding without defense, set off, counterclaim, discount or charge of any kind as of the date of this Amendment.

4. This Amendment will be binding upon and inure to the benefit of Grantor and Secured Party and their respective successors and assigns.

5. This Amendment will be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the State of Texas, excluding its conflict of laws rules.

6. This Amendment may be executed in one or more counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which, when taken together, shall constitute but one and the same agreement.

7. Except as amended hereby, the terms and provisions of the Security Agreement remain unchanged, are and shall remain in full force and effect unless and until modified or amended in writing in accordance with their terms, and are hereby ratified and confirmed.

[Signature Page Follows]

WITNESS the due execution of this Amendment to Patent and Trademark Security Agreement as a document under seal as of the date first written above, but effective as of August 24, 2017.
