ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment") is made this 4th day of May, 2012, by and among Smith & Nephew, Inc., a Delaware corporation ("Assignor"), and Bioventus LLC, a Delaware limited liability company ("Assignee"; each a "Party," and together, the "Parties").

WITNESSETH:

WHEREAS, Assignor and Assignee are parties to that certain Contribution Agreement, dated as of January 3, 2012 (as amended, the "Contribution Agreement"), pursuant to which, among other things, Assignor agreed to assign to Assignee all right, title and interest in, to and under the trademarks, trademark registrations and trademark applications set forth on Schedule A (collectively, the "Trademarks"), together with all goodwill associated therewith;

WHEREAS, Assignor is the owner, by assignment or otherwise, of the Trademarks; and

WHEREAS, Assignor desires to transfer all right, title and interest in, to and under the Trademarks and all goodwill associated therewith to Assignee and Assignee desires to acquire all such right, title and interest in, to and under the Trademarks and all goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and as more fully set forth in the Contribution Agreement and subject to the terms and conditions therein, Assignor and Assignee, intending to be legally bound, agree as follows:

1. Assignor hereby sells, assigns, transfers, conveys and delivers unto Assignee all right, title and interest in, to and under the Trademarks, together with all goodwill associated therewith, and all rights to sue or recover and retain damages and costs and attorneys' fees for past, present and future infringement or misappropriation of any of the foregoing.
2. Assignor hereby agrees to sign all necessary papers and do all lawful acts reasonably requisite to effect the terms of this Assignment, without further compensation, but at the expense of Assignee or its successors and assigns. Assignor hereby authorizes and requests the officials of all countries in which the Trademarks are now or in the future will be registered to issue to Assignee all of Assignor's right, title and interest in and to the same for the sole use and enjoyment of Assignee, its successors and assigns.
3. Notwithstanding anything in this Assignment to the contrary, Assignee acknowledges and agrees that the only representations and warranties given by Assignor with respect to the Trademarks are set forth in the Contribution Agreement.
4. Any provision of this Assignment may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each Party, or in the case of a waiver, by the Party against whom the waiver is to be effective. No failure or

delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

5. This Assignment shall be governed by and construed in accordance with the law of the State of New York, without regard to the conflicts of law rules of such state. The Parties agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Assignment or the transactions contemplated hereby shall be brought in the United States District Court for the Southern District of New York or any New York State court sitting in New York City, so long as one of such courts shall have subject matter jurisdiction over such suit, action or proceeding, and that any cause of action arising out of this Assignment shall be deemed to have arisen from a transaction of business in the State of New York, and each of the Parties hereby irrevocably consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any Party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in the Contribution Agreement shall be deemed effective service of process on such Party.

6. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS ASSIGNMENT.

7. This Assignment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Assignment shall become effective when each Party shall have received a counterpart hereof signed by the other Party. Until and unless each Party has received a counterpart hereof signed by the other Party, this Assignment shall have no effect and no Party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be to be duly executed by their respective authorized officers as of the day and year first above written.
