INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Assignment") is made as of November 6, 2017, by American Silk Mills LLC, a Delaware limited liability company ("Assignor"), in favor of Sultej USA, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of October 18, 2017, by and among Assignor, Assignee, and Gerli & Co., Inc., a Delaware corporation (the "Purchase Agreement"), and subject to the terms and conditions of the Purchase Agreement, Assignor agreed to sell, convey, assign, transfer and deliver or cause to be sold, conveyed, assigned, transferred and delivered, and Assignee agreed to purchase, acquire and accept, all of the right, title and interest of the Assignor in and to: (i) the trademark registrations set forth in Schedule 1 hereto, together with all goodwill associated therewith, (ii) the copyright registrations set forth in Schedule 2 hereto, (iii) the domain names set forth in Schedule 3 hereto, and (iv) all other of Assignor's intellectual property as set forth in the Purchase Agreement (collectively, the "Assigned IP Rights");

WHEREAS, in accordance with the Purchase Agreement, Assignor wishes to sell, convey, assign, transfer and deliver all of Assignor's right, title and interest in and to the Assigned IP Rights, and Assignee wishes to purchase, acquire and accept all of Assignor's right, title and interest in and to the Assigned IP Rights;

NOW, THEREFORE, in consideration of the covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Any term used herein but not otherwise defined herein shall be defined as set forth in the Purchase Agreement.

2. Assignment. Assignor hereby irrevocably sells, conveys, assigns, transfers and delivers to Assignee and its successors and assigns forever, without any restrictions, limitations or reservations, all of Assignor's right, title and interest in and to the Assigned IP Rights, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made, including (i) any and all rights of priority thereto and renewals thereof, as may now or hereafter be granted to it by law, (ii) all income, royalties or payments now or hereafter due or payable with respect thereto and (iii) any and all rights corresponding thereto throughout the world, including rights, interests, claims and demands recoverable in law or equity that Assignor has or may have in profits and damages for past, present and future infringements of such Assigned IP Rights, including the right to compromise, sue for and collect such profits and damages, and Assignee does hereby accept assignment of the Assigned IP Rights from Assignor.

3. Recordation. This Assignment has been executed and delivered by Assignor with the intention of recording the assignment herein with the U.S. Patent and Trademark Office, U.S. Copyright Office, and similar governmental entities throughout the

02298461.7

world, and Assignee shall have the right to record this Assignment with any applicable governmental entity so as to perfect its ownership of the Assigned IP Rights.

4. Further Assurances. From time to time at the request of Assignee, Assignor shall, without further consideration, execute and deliver or procure the execution and delivery of such instruments of transfer, conveyance, assignment and assumption, and take such other action as may reasonably be necessary, to confirm and assure the rights and obligations provided for in this Assignment (and in the Purchase Agreement with respect to this Assignment), or to give effect to the transactions contemplated by this Assignment (and by the Purchase Agreement with respect to this Assignment). Without limiting the generality of the foregoing, Assignor acknowledges and agrees that (i) the Assigned IP Rights include certain trademark and copyright registrations in the name of Weave Textiles LLC and Weave Corporation which are not set forth on the schedules to this Assignment (collectively, the "Weave Legacy IP"), and (ii) upon the request of Assignee, Assignor shall, without further consideration, execute and deliver or procure the execution and delivery of any and all instruments of transfer, conveyance, assignment and assumption, and take such other action as may reasonably be necessary, to confirm and assure the rights of Assignee in and to the Weave Legacy IP.

5. Purchase Agreement. This Assignment shall not enlarge, restrict or otherwise modify the terms of the Purchase Agreement or constitute a waiver or release of any of the terms of the Purchase Agreement, including the representations, warranties, covenants and agreements set forth in the Purchase Agreement. In the event of any conflict between the provisions of this Assignment, on the one hand, and the provisions of the Purchase Agreement, on the other hand, the provisions of the Purchase Agreement shall control.

6. Assignment. This Assignment shall be binding upon, and inure to the benefit of and be enforceable by, the parties and their respective successors and permitted assigns.

7. Counterparts. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered, in person or by facsimile, or by electronic image scan, receipt acknowledged, to the other party.

8. Severability. The invalidity, illegality or unenforceability of any portion of this Assignment shall not affect the validity, force or effect of the remaining portions of this Assignment. If it is ever held that any restriction hereunder is too broad to permit enforcement of such restriction to its fullest extent, each party agrees that a court of competent jurisdiction may enforce such restriction to the maximum extent permitted by law, and each party hereby consents and agrees that such scope may be judicially modified accordingly in any proceeding brought to enforce such restriction.

9. Amendments. This Assignment may be amended, modified, superseded or canceled only by an instrument in writing signed by the Assignor and Assignee. Any of the provisions hereof may be waived only by an instrument in writing signed by or on behalf of the party waiving compliance.

*[Signature Page Follows]*
