3. **Representations and Warranties.** Grantor represents and warrants to Lender as follows:

(a) Grantor has good and valid rights in, title to or leasehold interests in each item of the Collateral pledged by Grantor hereunder (or, in the case of after-acquired Collateral, at the time Grantor acquires rights in such after-acquired Collateral pledged by Grantor hereunder). No other Person has (or, in the case of after-acquired Collateral, at the time Grantor acquires rights therein, will have) any right, title, claim or interest (by way of lien, purchase option or otherwise) in, against or to the Collateral, other than Permitted Liens.

(b) Lender has (or in the case of after-acquired Collateral, at the time Grantor acquires rights therein, will have) a first priority perfected security interest in the Collateral, subject to Permitted Liens; provided, however, that Lender must file a financing statement with the Delaware Secretary of State describing the Collateral to perfect its security interest in Grantor’s Patents and Trademarks and also make the filings with the Patent and Trademark Office or Copyright Office contemplated by this Security Agreement to perfect its security interest in Grantor’s Patents, Trademarks or Copyrights registered with such offices.

(c) Grantor has full corporate power and corporate authority to grant the security interest herein granted.

(d) Grantor has (or in the case of after acquired Collateral, at the time Grantor acquires rights therein, will have) the sole, full and, subject to Permitted Liens, unencumbered right, title and interest in and to (i) each of the Trademarks described in Schedule A to Attachment 1 hereto for the goods and services covered by the registrations or applications thereof, (ii) each of the Patents described in Schedule B to Attachment 1 hereto, and (iii) each of the Copyrights described in Schedule C to Attachment 1 hereto. The registrations for such Trademarks and Patents are valid and enforceable and in full force and effect and none of the Patents have been abandoned or dedicated. According to the records of the Copyright Office, such Copyrights are valid and enforceable and in full force and effect.

(e) Grantor does not own any Patents, Trademarks or Copyrights registered in, or the subject of pending applications in, the Patent and Trademark Office or the Copyright Office, other than those described in Schedules A, B and C to Attachment 1 hereto.

(f) Other than as disclosed in Schedule 3(f), no claim has been made by any third party and remains unresolved that any of the issued Patents, Trademarks or Copyrights is invalid and unenforceable or violates or may violate the rights of any Person.

(g) Grantor has obtained from each of its employees, officers, directors and consultants who may be considered the inventor of patentable inventions (invented within the scope of such Person's relationship with Grantor) an assignment to such Grantor of all rights to such inventions, including Patents.

(h) Grantor has taken all commercially reasonable steps to protect the secrecy and the validity under applicable law of all material Trade Secrets.

4. Covenants of the Grantor. Grantor hereby agrees as follows:

(a) Grantor, at the Grantor's expense, shall promptly procure, execute and deliver to Lender all documents, instruments and agreements and perform all acts which are necessary, or which Lender may reasonably request, to establish, maintain, preserve, protect and perfect the Collateral, the security interest granted to Lender therein and the first priority of such lien (subject to Permitted Liens) or to enable Lender to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the preceding sentence, Grantor shall (i) execute all notices of security interest for each relevant type of intellectual property in forms suitable for filing with the Patent and Trademark Office or the Copyright Office, as applicable, substantially in the form of Attachment 2 hereto or other forms acceptable to Lender and (ii) take all commercially reasonable steps in any proceeding before the Patent and Trademark Office, the Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to diligently prosecute or maintain, as applicable, each application and registration of the Patents, Trademarks and Copyrights, including filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings (except to the extent that the failure to prosecute or maintain or the dedication, abandonment or invalidation thereof is permitted hereunder or required by Grantor's participation in standards setting organizations, or unless Grantor in the exercise of its prudent business judgment deems the failure to prosecute or maintain or the dedication, abandonment or invalidation to be commercially reasonable).

(b) Grantor shall not use any Collateral or permit any Collateral to be used in violation of (i) any provision of the Loan Agreement, this Security Agreement or any Other Agreements, (ii) any applicable governmental rule or contractual obligation, or (iii) any policy of insurance covering the Collateral.

(c) Grantor shall appear in and use commercially reasonable efforts to defend any action or proceeding which may affect Lender's security interest in the Collateral. Grantor shall also appear in and use commercially reasonable efforts to defend any action or proceeding which may affect its title to the Collateral (except to the extent that Grantor in the exercise of its prudent business judgment deems the failure to defend any such action or proceeding to be commercially reasonable).

(d) Grantor shall keep accurate and complete records of the Collateral and shall permit Lender to examine and make copies of such records and provide such reports and information relating to the Collateral as Lender may reasonably request from time to time to the extent required under the Loan Agreement.

(e) Grantor will not do any act, or omit to do any act, whereby the Trademarks may become abandoned or dedicated and shall notify Lender promptly if it knows of any reason or has reason to know that any such Trademark may become abandoned or dedicated, unless Grantor, in the exercise of its prudent business judgment, deems the abandonment or dedication of any such Trademark to be commercially reasonable. Grantor will not do any act, or omit to do any act, whereby the Patents or Patent Registrations may become abandoned or dedicated and shall notify Lender promptly if it knows of any reason or has reason to know that any such Patent Registration may become abandoned or dedicated, unless Grantor, in the exercise of its prudent business judgment, deems the abandonment or dedication of any such Patent to be commercially reasonable. Grantor will not do any act or omit to do any act, whereby the Copyrights may become abandoned or dedicated unless Grantor, in the exercise of its prudent business judgment, deems the abandonment or dedication of any such Copyright to be commercially reasonable, and shall notify Lender promptly if it knows of any reason or has reason to know that any such Copyright may become abandoned or dedicated.

(f) Grantor will promptly notify Lender upon the filing, either by Grantor or through any agent, employee, licensee or designee, of (i) an application for the registration of any Patent, Trademark, or Copyright with the Patent and Trademark Office or the Copyright Office or any similar office or agency in any other

country or any political subdivision thereof, (ii) any assignment of any Patent or Trademark, which Grantor may acquire from a third party, with the Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, or (iii) any assignment of any Copyright, which Grantor may acquire from a third party, with the Copyright Office or any similar office or agency in any other country or any political subdivision thereof.

(g) Grantor shall and shall cause its employees and licensees to (i) use proper statutory notice in connection with its use of the Patents, Trademarks and Copyrights, (ii) maintain consistent standards of quality in its manufacture of products sold under the Trademarks or provision of services in connection with the Trademarks, and (iii) take all commercially reasonable steps necessary to protect the secrecy and the validity under applicable law of all material Trade Secrets.

(h) Grantor shall maintain with each employee or consultant who may have access to the Trade Secrets of Grantor an agreement by which such employee or consultant agrees not to disclose such Trade Secrets and with each employee or consultant who may be the inventor of patentable inventions (invented within the scope of their employment or consulting relationship) an invention assignment agreement requiring such employee or consultant to assign all rights to such inventions, including, patents and patent applications, to Grantor and, with respect to employees or consultants located in the United States, further requiring such employee or consultant to cooperate fully with Grantor and its counsel in the prosecution of any patent application or in any litigation involving the invention, whether such cooperation is required during such employee's employment or such consultant's relationship with Grantor or after the termination thereof.

5. **Authorized Action by the Lender.** After the occurrence and during the continuance of an Event of Default, Grantor hereby irrevocably appoints Lender as its attorney-in-fact and agrees that Lender may perform (but Lender shall not be obligated to and shall incur no liability to Grantor or any third party for failure so to do) any act which Grantor is obligated by this Security Agreement to perform, and to exercise such rights and powers as Grantor might exercise with respect to the Collateral, including, without limitation, the right to (a) collect by legal proceedings or otherwise and endorse, receive and receipt for all royalties, payments, proceeds and other sums and property now or hereafter payable on or on account of the Collateral; (b) insure, process, preserve and enforce the Collateral; (c) make any compromise or settlement, and take any action it deems advisable, with respect to the Collateral; (d) pay any indebtedness of Grantor relating to the Collateral; and (e) execute UCC financing statements and other documents, instruments and agreements required hereunder. Such power of attorney shall expire immediately upon payment and performance in full of the Secured Obligations (other than contingent indemnification obligations). Grantor agrees that such care as Lender gives to the safekeeping of its own property of like kind shall constitute reasonable care of the Collateral when in Lender's possession so long as Lender complies with Section 9-207 of the Uniform Commercial Code; provided, however, that Lender shall not be required to make any presentment, demand or protest, or give any notice and need not take any action to preserve any rights against any prior party or any other Person in connection with the Secured Obligations or with respect to the Collateral.

6. **Default and Remedies.** Grantor shall be deemed in default under this Security Agreement upon the occurrence and during the continuance of an Event of Default. In addition to all other rights and remedies granted to Lender by this Security Agreement, the Loan Agreement, the Other Agreements, the UCC and other applicable governmental rules, Lender may, upon the occurrence and during the continuance of any Event of Default, exercise any one or more of the following rights and remedies: (a) collect, receive, appropriate or realize upon the Collateral or otherwise foreclose or enforce the Lender's security interests in any or all Collateral in any manner not prohibited by applicable governmental rules or in this Security Agreement; (b) notify any or all licensees of Collateral to make payments thereon directly to Lender; (c) sell, license or otherwise dispose of any or all Collateral at one or more public or private dispositions, whether or not such Collateral is present at the place of sale, for cash or credit or future delivery, on such commercially reasonable terms and in such commercially reasonable manner as Lender may determine; (d) upon ten (10) days' prior notice to Grantor, direct Grantor not to make any further use of the Patents, the Trademarks (or any mark similar thereto), or the Copyrights (or any work deriving therefrom); (e) upon ten (10) days' prior notice to Grantor, license, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any of the Patents, Trademarks or Copyrights, throughout the world for such term or terms, on such conditions, and in such manner, as permitted under applicable law; (f) enforce (and upon notice to Grantor have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of Grantor in, to and under any one or more license agreements with respect to the Collateral (without

assuming any obligations or liability thereunder), and take or refrain from taking any action under any thereof; and (g) in addition to the foregoing, in order to implement the assignment, sale or other disposal of any of the Collateral, pursuant to the authority granted in Section 5, execute and deliver on behalf of Grantor, upon ten (10) days' prior notice to Grantor, one or more instruments of assignment of the Patents, Trademarks or Copyrights (or any application or registration thereof), in form suitable for filing, recording or registration in any country.

7. **Application of Proceeds.** After and during the continuance of an Event of Default, the proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be applied by Lender to the Secured Obligations in any manner whatsoever as Lender shall choose in its sole and absolute discretion.

8. **Indemnification and Release.**

(a) Grantor assumes all responsibility and liability arising from its use of the Patents, Trademarks and Copyrights, and Grantor hereby agrees to indemnify and hold Lender and its directors, officers, employees, agents and any of its respective Affiliates ("Indemnitees") harmless from and against any third party claim, suit, loss, damage or expense (including attorneys' fees and expenses) arising out of or in connection with (i) any alleged infringement by Grantor of any patent, trademark, service mark, trade name, trade secret or copyright of a third party or alleged defect in any product manufactured, promoted or sold by Grantor (or any Affiliate of Grantor) in connection with any Patent, Trademark or Copyright, (ii) the manufacture, promotion, labeling, sale or advertisement of any product or service by Grantor (or any Affiliate of Grantor) and (iii) any claim, suit or proceeding related to any Collateral instituted by Grantor (other than claims against Indemnitees) or in which Grantor participates.

(b) To the extent expressly required under Section 5.6 of the Loan Agreement, Grantor agrees to cause Lender to be named as an additional insured with respect to any policy of insurance held by Grantor from time to time, if any, covering product liability or intellectual property infringement risk.

(c) Nothing contained in this Section 8 shall, however, be deemed to require Grantor to indemnify or hold harmless any Indemnitee from or against any losses, costs, suits, expenses, claims or damages to the extent determined by a court of competent jurisdiction to have arisen from such Indemnitee's gross negligence or willful misconduct.

9. **Miscellaneous.**

(a) **Notices.** Except as otherwise specified herein, all notices, requests, demands, consents, instructions or other communications to or upon Grantor or Lender under this Security Agreement shall be given as provided in Section 9.1 of the Loan Agreement.

(b) **Partial Invalidity.** If at any time any provision of this Security Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Security Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

(c) **Headings.** The section headings and captions appearing in this Security Agreement are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Security Agreement.

(d) **No Waiver; Cumulative Remedies.** Lender shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder or under the Loan Agreement or the Other Agreements, nor shall any single or partial exercise of any right or remedy hereunder or thereunder on any one or more occasions preclude the further exercise thereof or the exercise of any other right or remedy hereunder or thereunder. The rights and remedies hereunder provided or provided under the Loan Agreement or the Other Agreements are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law or by any of the Other Agreements. None of the terms or provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by

In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) Termination of this Security Agreement. Subject to Section 9(f), this Security Agreement shall terminate upon the later to occur of the full, complete and final payment of the Secured Obligations (other than contingent indemnification obligations) and the termination of Lender's commitments under the Loan Agreement.

This Security Agreement and all obligations of Grantor hereunder shall be binding upon the successors and assigns of Grantor, and shall, together with the rights and remedies of Lender hereunder, inure to the benefit of Lender and its successors and assigns except that Grantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of Lender. Any assignment or transfer in violation of the foregoing shall be null and void.

(i) Amendment, Etc. No amendment, modification, supplement, extension, termination or waiver of any provision of this Security Agreement, no approval or consent thereunder, and no consent to any departure by Grantor therefrom, may in any event be effective unless in writing signed by Lender and Grantor, and then only in the specific instance and for the specific purpose given and any such amendment, modification, supplement, extension, termination or waiver shall be binding upon Lender and Grantor; and, without the approval in writing of Lender and Grantor (as applicable), no amendment, modification, supplement, termination, waiver or consent may be effective as to the matters set forth in the Loan Agreement, including, without limitation, the release of Grantor.

(j) ENTIRE AGREEMENT. THIS SECURITY AGREEMENT REPRESENTS THE COMPLETE AND FINAL AGREEMENT AMONG GRANTOR AND LENDER AND SUPERSEDES ALL PRIOR AGREEMENTS, WRITTEN OR ORAL, ON THE SUBJECT MATTER HEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF SUCH PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN OR AMONG GRANTOR AND LENDER.

(k) Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws and decisions of the State of New York without reference to conflicts of law rules.

(l) Counterparts. This Security Agreement may be executed in any number of identical counterparts, any set of which signed by all the parties hereto shall be deemed to constitute a complete, executed original for all purposes.
