## SCHEDULE A

Unlimited number of Voting shares;  
Unlimited number of Non-voting common shares; and  
Unlimited number of Voting preferred shares.

- (1) The Voting shares shall have attached thereto the following rights, privileges, restrictions and conditions:
  - (a) *Voting.* Each Voting share shall entitle the holder thereof to one (1) vote at all meetings of the shareholders of the Corporation (except meetings at which only holders of another specified class of shares are entitled to vote pursuant to the provisions hereof or pursuant to the provisions of the *Canada Business Corporations Act* (hereinafter referred to as the "Act")).
  - (b) *Dividends.* No dividends shall at any time be declared, paid or set apart for payment in any financial year of the Corporation upon the Voting shares.
  - (c) *Liquidation, etc.* In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or other distribution of assets of the Corporation among shareholders for the purpose of winding up its affairs, the holders of the Voting shares shall be entitled to receive, for each Voting share, in preference and priority to any distribution of the property or assets of the Corporation to the holders of the Non-Voting common shares or to any other shares ranking junior to the Voting shares, but after distribution to the holders of the Voting preferred shares, an amount equal to the Voting Redemption Price, and no more.
  - (d) *Redemption by Corporation.* The Corporation may, in the manner hereinafter provided, redeem at any time all, or from time to time any part, of the outstanding Voting shares on payment for each Voting share to be redeemed of the Voting Redemption Price.
  - (e) *Procedure on Redemption.* Before redeeming any Voting shares, the Corporation shall mail or deliver to each person who, at the date of such mailing or delivery, shall be a registered holder of Voting shares to be redeemed, notice of the intention of the Corporation to redeem such shares held by such registered holder. Such notice shall be delivered to, or mailed by ordinary prepaid post addressed to, the last address of such holder as it appears on the records of the Corporation, or in the event of the address of any such holder not appearing on the records of the Corporation, then to the last address of such holder known to the Corporation, at least one (1) day before the date specified for redemption. Such notice shall set out the Voting Redemption Price, the date on which the redemption is to take place and, if part only of the Voting shares held by the person to whom it is addressed is to be redeemed, the number thereof so to be redeemed. On or after the date so specified for redemption, the Corporation shall pay or cause to be paid the Voting Redemption Price to the registered holders of the Voting shares to be redeemed upon presentation and surrender of

the certificates for the Voting shares so called for redemption at the registered office of the Corporation or at such other place or places as may be specified in such notice, and the certificates for such Voting shares shall thereupon be cancelled, and the Voting shares represented thereby shall thereupon be redeemed. From and after the date specified for redemption in such notice, the holders of the Voting shares called for redemption shall cease to be entitled to exercise any of the rights of the holders thereof, except the right to receive the Voting Redemption Price, unless payment of the Voting Redemption Price shall not be made by the Corporation in accordance with the foregoing provisions, in which case the rights of the holders of such shares shall remain unaffected. On or before the date specified for redemption, the Corporation shall have the right to deposit the Voting Redemption Price of the Voting shares called for redemption in a special account with any chartered bank or trust Corporation in Canada named in the notice of redemption, to be paid, without interest, to or to the order of the respective holders of such Voting shares called for redemption, upon presentation and surrender of the certificates representing the same and, upon such deposit being made or upon the date specified for redemption, whichever is later, the Voting shares in respect whereof such deposit shall have been made, shall be deemed to be redeemed and the rights of the respective holders thereof, after such deposit or after such redemption date, as the case may be, shall be limited to receiving, out of the moneys so deposited, without interest, the Voting Redemption Price applicable to their respective Voting shares against presentation and surrender of the certificates representing such Voting shares. If less than all of the Voting shares are to be redeemed, the shares to be redeemed shall be redeemed *pro rata*, disregarding fractions, unless the holders of the Voting shares unanimously agree to the adoption of another method of selection of the Voting shares to be redeemed. If less than all of the Voting shares represented by any certificate be redeemed, a new certificate for the balance shall be issued.

- (f) **Redemption by Holder.** A holder of Voting shares shall be entitled to require the Corporation to redeem at any time all, or from time to time any part, of the Voting shares registered in the name of such holder by tendering to the Corporation at its registered office the share certificate(s) representing the Voting shares which the registered holder desires to have the Corporation redeem, together with a request in writing specifying (i) the number of Voting shares which the registered holder desires to have redeemed by the Corporation and (ii) the business day (in this paragraph, referred to as the "Redemption Date") on which the holder desires to have the Corporation redeem such Voting shares, which Redemption Date shall not be less than five (5) days after the day on which the request in writing is received by the Corporation. Upon receipt of the share certificate(s) representing the Voting shares which the registered holder desires to have the Corporation redeem together with such a request, the Corporation shall on or, at its option, before the Redemption Date, redeem such Voting shares by paying to the registered holder thereof, for each share to be redeemed, an amount equal to the Voting Redemption Price in respect thereof. Such payment shall be made by cheque payable at any branch of the Corporation's bankers for the time being in Canada. The said Voting shares shall

be deemed to be redeemed on the date of payment of the Voting Redemption Price and, from and after such date, such Voting shares shall cease to be entitled to exercise any of the rights of the holders of the Voting shares in respect thereof. Notwithstanding the foregoing, the Corporation shall only be obliged to redeem Voting shares so tendered for redemption to the extent that such redemption would not be contrary to any applicable law, and if such redemption of any such Voting shares would be contrary to any applicable law, the Corporation shall only be obliged to redeem such Voting shares to the extent that the moneys applied thereto shall be such amount (rounded to the next lower multiple of one hundred dollars (\$100.00)) as would not be contrary to such law, in which case the Corporation shall pay to each holder his *pro rata* share of the purchase moneys allocable. If less than all of the Voting shares represented by any certificate be redeemed, a new certificate for the balance shall be issued.

- (g) **Voting Redemption Price.** For the purposes of the foregoing paragraphs (d), (e) and (f), the "Voting Redemption Price" of each Voting share shall be an amount equal to the fair market value of the consideration received by the Company upon the issuance of such share (denominated in Canadian dollars or in the Canadian dollar equivalent of the consideration received based on the noon spot exchange rate of the Bank of Canada on the day such consideration was paid to the Company) less all amounts paid in respect of such share on account of reductions in stated capital. The Company considers that the fair market value of the consideration received by it for the Voting shares issued by it upon its amalgamation on December 9, 2010 is zero dollars (\$0.00).

The Voting Redemption Price shall be subject to revision in accordance with any binding agreement with, or decision by, the appropriate taxation authorities, or any judgment of a court of competent jurisdiction. In the event that any such agreement, decision or judgment shall result in a final determination under the provisions of the appropriate taxation legislation and the amount thereby determined is an amount other than the Voting Redemption Price as set forth above, then such finally determined amount for the purpose of the appropriate taxation legislation shall be deemed to be the new Voting Redemption Price. Such adjustment to the Voting Redemption Price shall reflect any assessment by the Canada Revenue Agency or other taxing authority to which no appeal is taken, or any agreement reached by the Corporation or any holder of a Voting share and a said taxing authority in settlement of a dispute regarding such assessment or proposed assessment, or any decision by a court or tribunal of competent jurisdiction regarding the Voting Redemption Price to which no appeal may be taken or the period during which an appeal may be taken has expired.

In the event that, subsequent to any redemption of any Voting shares, the Voting Redemption Price of each Voting share is adjusted pursuant to a revision of Voting Redemption Price as aforementioned, the Corporation shall pay out to the former holders of such redeemed Voting shares the difference between the Voting Redemption Price of the said Voting shares as adjusted and the amount

paid by the Corporation upon redemption, within sixty (60) days from the date of adjustment of the Voting Redemption Price.

- (2) The Non-Voting common shares shall have attached thereto the following rights, privileges, restrictions and conditions:
  - (a) *Non-Voting.* Subject to the provisions of the Act or as otherwise expressly provided herein, the holders of the Non-Voting common shares shall not be entitled to receive notice of, nor to attend or vote at, meetings of the shareholders of the Corporation.
  - (b) *Dividends.* The holders of the Non-Voting common shares shall be entitled to receive, as and when declared by the board of directors, subject to the rights, privileges, restrictions and conditions attaching to the Voting preferred shares, dividends payable in money, property or by the issue of fully paid shares of the share capital of the Corporation.
  - (c) *Liquidation, etc.* In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or other distribution of assets of the Corporation among shareholders for the purpose of winding up its affairs, subject to the rights, privileges, restrictions and conditions attaching to the Voting preferred shares and the Voting shares, the holders of the Non-Voting common shares shall be entitled to receive the remaining property of the Corporation.
  - (d) *Purchase for Cancellation.* The Corporation may purchase for cancellation at any time all, or from time to time any part, of the Non-Voting common shares outstanding, by private contract at any price, with the unanimous consent of the holders of the Non-Voting common shares then outstanding. If less than all of the Non-Voting common shares represented by any certificate be purchased for cancellation, a new certificate for the balance shall be issued.
- (3) The Voting preferred shares shall have attached thereto the following rights, privileges, restrictions and conditions:
  - (a) *Voting.* Each Voting preferred share shall entitle the holder thereof to one (1) vote at all meetings of the shareholders of the Corporation (except meetings at which only holders of another specified class of shares are entitled to vote pursuant to the provisions hereof or pursuant to the provisions of the Act).
  - (b) *Dividends.* The holders of the Voting preferred shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors of the Corporation, in priority to the holders of the Non-Voting common shares and any other shares ranking junior to the Voting preferred shares, a preferential, cumulative monthly dividend at a floating rate equal to one-twelfth (1/12) of the prime rate of the Bank of Canada in effect at the opening of business on the first business day of each calendar month plus a margin of four and one-half percent (4.5%), calculated on the Preferred

Redemption Price per share and payable monthly on dates to be fixed from time to time by the board of directors; such dividends shall accrue and be cumulative from the respective dates of issue of the Voting preferred shares. The board of directors of the Corporation shall be entitled to declare part of such preferential, cumulative dividends for any financial year notwithstanding that such dividend for such financial year may not be declared in full. If on any dividend payment date the Corporation shall not have paid the said dividends in full on all Voting preferred shares then issued and outstanding, such dividends or the unpaid part thereof shall be paid on a subsequent date or dates determined by the board of directors of the Corporation. The holders of the Voting preferred shares shall not be entitled to any dividends other than or in excess of the monthly, preferential cumulative, dividends hereinbefore provided for.

Except with the consent in writing of the holders of all the Voting preferred shares outstanding, no dividends shall at any time be declared or paid on or set apart for payment on the Non-Voting common shares or on any shares of any other class of the Corporation ranking junior to the Voting preferred shares for any financial year, unless and until all dividends, up to and including the dividend payable on the last preceding dividend payment date, on the Voting preferred shares then issued and outstanding shall have been declared and paid or set apart for payment at the date of such declaration or payment or setting apart for payment.

- (c) *Liquidation, etc.* In the event of the dissolution, liquidation or winding-up of the Corporation, whether voluntary or involuntary, or other distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Voting preferred shares shall be entitled to receive for each Voting preferred share, in preference and priority to any distribution of the property or assets of the Corporation to the holders of the Non-Voting common shares and to the holders of the Voting shares, an amount equal to the Preferred Redemption Price plus all accrued and unpaid dividends thereon but shall not be entitled to share any further in the distribution of the property or assets in the Corporation.
- (d) *Redemption by Corporation.* The Corporation may, in the manner hereinafter provided, redeem at any time all, or from time to time any part, of the outstanding Voting preferred shares on payment of the Preferred Redemption Price for each such Voting preferred share to be so redeemed plus all accrued and unpaid dividends thereon.
- (e) *Procedure on Redemption.* Before redeeming any Voting preferred shares, the Corporation shall mail or deliver to each person who, at the date of such mailing or delivery, shall be a registered holder of Voting preferred shares to be redeemed, notice of the intention of the Corporation to redeem such shares held by such registered holder. Such notice shall be delivered to, or mailed by ordinary prepaid post addressed to, the last address of such holder as it appears on the records of the Corporation, or in the event of the address of any such holder not appearing on the records of the Corporation, then to the last address

of such holder known to the Corporation, at least one (1) day before the date specified for redemption. Such notice shall set out the Preferred Redemption Price, the date on which the redemption is to take place and, if part only of the Voting preferred shares held by the person to whom it is addressed is to be redeemed, the number thereof so to be redeemed. On or after the date so specified for redemption, the Corporation shall pay or cause to be paid the Preferred Redemption Price to the registered holders of the Voting preferred shares to be redeemed upon presentation and surrender of the certificates for the Voting preferred shares so called for redemption at the registered office of the Corporation or at such other place or places as may be specified in such notice, and the certificates for such Voting preferred shares shall thereupon be cancelled, and the Voting preferred shares represented thereby shall thereupon be redeemed. From and after the date specified for redemption in such notice, the holders of the Voting preferred shares called for redemption shall cease to be entitled to exercise any of the rights of the holders thereof, except the right to receive the Preferred Redemption Price, unless payment of the Preferred Redemption Price shall not be made by the Corporation in accordance with the foregoing provisions, in which case the rights of the holders of such shares shall remain unaffected. On or before the date specified for redemption, the Corporation shall have the right to deposit the Preferred Redemption Price of the Voting preferred shares called for redemption in a special account with any chartered bank or trust company in Canada named in the notice of redemption, to be paid, without interest, to or to the order of the respective holders of such Voting preferred shares called for redemption, upon presentation and surrender of the certificates representing the same and, upon such deposit being made or upon the date specified for redemption, whichever is later, the Voting preferred shares in respect whereof such deposit shall have been made, shall be deemed to be redeemed and the rights of the respective holders thereof, after such deposit or after such redemption date, as the case may be, shall be limited to receiving, out of the moneys so deposited, without interest, the Preferred Redemption Price applicable to their respective Voting preferred shares against presentation and surrender of the certificates representing such Voting preferred shares. If less than all of the Voting preferred shares are to be redeemed, the shares to be redeemed shall be redeemed *pro rata*, disregarding fractions, unless the holders of the Voting preferred shares unanimously agree to the adoption of another method of selection of the Voting preferred shares to be redeemed. If less than all of the Voting preferred shares represented by any certificate be redeemed, a new certificate for the balance shall be issued.

- (f) *Preferred Redemption Price.* For the purposes of the foregoing paragraphs (d) and (e), the "Preferred Redemption Price" of each Voting preferred share shall be an amount equal to the fair market value of the consideration received by the Corporation upon the issuance of such share (denominated in Canadian dollars or in the Canadian dollar equivalent of the consideration received based on the noon spot exchange rate of the Bank of Canada on the day such consideration was paid to the Corporation) less all amounts paid in respect of such share on account of reductions in stated capital.
