1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the IP Security Agreements, as applicable.

2. Assignment by Existing Agent. Effective as of the date hereof, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Existing Agent hereby sells, assigns, transfers and conveys to the Successor Agent all of its right, title and interest in, to and under the IP Security Agreements, including, without limitation, a continuing security interest in, to, and under the Patents and Trademarks.
