(ix) the Bank Liens (as defined in Section 3.10(I)).

1.4 Purchase Price; Payment of Purchase Price. Subject to the conditions contained in this Agreement, and in consideration of the sale of the Acquired Assets as set forth herein, Buyer agrees to pay the Purchase Price to Sellers, at Closing, in an amount equal to [REDACTED] [REDACTED] (the "Base Purchase Price"), as adjusted by

the Closing Date Working Capital Adjustment pursuant to Section 1.6 below (the "Purchase Price"). The Purchase Price will be payable in cash.

1.5 Manner of Payment. The Purchase Price shall be paid to Sellers on the Closing Date in immediately available funds by wire transfer to a bank account or bank accounts designated by Sellers in writing at least two (2) business days prior to the Closing Date.

1.6 Adjustments.

(a) Closing Date Working Capital Adjustment. Sellers shall be entitled to all income earned and collected and be responsible for all expenses incurred in connection with the business and operation of the Publications on or prior to the Closing Date. Buyer shall be entitled to all income earned and be responsible for all expenses incurred in connection with the business and operation of the Publications after the Closing Date. The Purchase Price is subject to a further adjustment for working capital (the "Closing Date Working Capital Adjustment") as determined in accordance with Section 1.6(c) below. The term "Closing Date Working Capital" shall mean an amount, as of the Closing Date, equal to the dollar value of the current assets of the Publications less the dollar value of the current liabilities of the Publications (including, but not limited to, accounts payable, prepaid advertising, unearned subscription revenue, accrued salary, payroll and wages, vacation and sick pay, and similar items with respect to New Employees (as defined in Section 10.5), and net of Sellers' reserves for uncollectible receivables established by Sellers in the ordinary course of business consistent with past practice, in each case only to the extent included in the Acquired Assets or the Assumed Liabilities and as set forth in the Closing Date Balance Sheet). The Closing Date Working Capital Adjustment shall be an increase to the Purchase Price to the extent the Closing Date Working Capital exceeds a deficit balance of negative [REDACTED] (the "Target Working Capital"), or a decrease in the Purchase Price to the extent the Closing Date Working Capital is less than the Target Working Capital.

In computing the Closing Date Working Capital Adjustment, components of the Closing Date Balance Sheet (as defined in Section 1.6(c)) shall be derived from subsidiary ledgers maintained in accordance with Sellers' historical accounting practices which reflect accrual basis accounting and are utilized by Morris Publishing in the preparation of consolidated financial statements in accordance with generally accepted

accounting principles in the United States ("GAAP"). The Closing Date Balance Sheet shall be prepared in a manner consistent with the notes to the Working Capital History set forth on Schedule 1.6(a), each line item of which shall reflect components derived from and prepared consistently with the methods used in the preparation of Morris Publishing's balance sheets which methods are used by Sellers in the ordinary course of business consistent with past practice and are in accordance with GAAP ("Sellers Accounting Practices"). All intercompany and Affiliate receivables or liabilities will be treated as shareholders' equity and will be excluded from the Closing Date Working Capital Adjustment and will not be assumed by Buyer. All prepaid advertising and unearned subscription revenue shall be accrued as liabilities in the amount of such prepayments. All cash will be excluded from the Closing Date Working Capital Adjustment and will not be acquired by Buyer.

(b) Other Adjustments. All items of income and expense directly relating to the business of operating the Publications, other than the income and expenses referred to above, shall be prorated between Sellers and Buyer as of the close of business on the Closing Date. Such items to be prorated shall include, without limitation, power and utility charges, personal property Taxes and real property Taxes. The portion of any personal property Taxes and real property Taxes for a taxable period that includes the Closing Date (a "Straddle Period") that shall be deemed to be payable for the portion of the period ending on the Closing Date shall be the amount of such Taxes for the entire period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period) multiplied by a fraction the numerator of which is the number of calendar days in the period ending on the Closing Date and the denominator of which is the number of calendar days in the entire period. The portion of any other item of income or expense for a Straddle Period that shall be deemed to be payable for the portion of the period ending on the Closing Date shall be determined based on an interim closing of the books to the extent practicable and otherwise based on the formula described in the immediately preceding sentence.

(c) Adjustment Calculations. Three (3) business days prior to the Closing Date, to the extent practicable, the adjustments provided in this Section 1.6 shall be made to the Purchase Price on the basis of the then most recently available financial statements

of the Publications, which shall be reflected on a preliminary balance sheet for the Publications (the "Preliminary Balance Sheet") prepared by Sellers in accordance with Sellers Accounting Practices. Within ninety (90) days after the Closing Date, Sellers will prepare an adjusted balance sheet for the Publications (the "Closing Date Balance Sheet") as of the close of business on the Closing Date, reflecting the adjustments provided in this Section 1.6 and showing the recalculation of adjustments reflected on the Preliminary Balance Sheet, along with back-up materials necessary for Buyer's understanding of the Closing Date Balance Sheet and Buyer's confirmation of the calculations thereof. Sellers and their accountants will provide Buyer's accountants with reasonable access to the books, records and working papers of Sellers necessary to review such calculations. Within one-hundred fifty (150) days after the Closing Date, final adjustments pursuant to this Section 1.6 and any required refund or payment shall be made on the basis of the Closing Date Balance Sheet (the "Adjustment Payment Date"), provided that if any amounts are in dispute, the Adjustment Payment Date for the disputed amounts shall be the date payment is required to be made as required below. If any dispute arises over the amount to be refunded or paid, such refund or payment shall nonetheless be promptly made to the extent such amount is not in dispute. If Buyer does not notify Sellers within forty-five (45) days of receiving the Closing Date Balance Sheet that Buyer disputes the information contained therein, then Buyer shall be deemed to agree to the Closing Date Balance Sheet and to have waived all further right to dispute the information contained therein and its use in applying the provisions of this Agreement. If Buyer does notify Sellers of a dispute regarding the Closing Date Balance Sheet within the forty-five (45) day period of receiving the Closing Date Balance Sheet, and if such dispute cannot be resolved by the parties within thirty (30) days thereafter, such dispute shall be referred to a mutually satisfactory independent public accounting firm of national stature which has not been employed by any of the parties herein for the two (2) years preceding the Closing Date. If Buyer and Sellers cannot agree upon an independent public accounting firm to perform the valuation of the Acquired Assets, then Buyer and Sellers shall each select an independent public accounting firm which firms shall select and engage an independent public accounting firm to perform and prepare a written determination of the adjustments or dispute between the parties. The determination of such independent

accounting firm shall be conclusive and binding on each party and any required payment or refund in accordance therewith shall be made in immediately available funds within ten (10) days of such determination. The fees of such firm shall be shared equally by Morris Publishing and Buyer.

ARTICLE III.
REPRESENTATIONS AND WARRANTIES OF SELLERS AND MORRIS
COMMUNICATIONS

Morris Communications and Sellers, jointly and severally represent and warrant to Buyer and GateHouse Media that the statements contained in this Article III are correct and complete as of the date of this Agreement and will be correct and complete as of the Closing Date, except as may be set forth in the disclosure schedules delivered pursuant hereto. Disclosure made in a specific section or subsection of the disclosure schedules shall not be deemed to have been made with respect to any other section or subsection herein unless an explicit cross-reference appears in such disclosure schedule to that effect or such disclosure is reasonably apparent on its face.

3.1 Organization; Qualification. Each Seller is duly organized, validly existing and in good standing under the laws of the jurisdiction of its respective organization or incorporation. Each Seller has the full power and authority to own and operate the Acquired Assets (excluding the Mastheads) and carry on the business and operations of the Publications as are now being conducted. Each Seller has the full power and authority to own the Masthead and the Rights. Each Seller (a) is duly qualified to do business and in good standing, and is duly licensed, authorized or qualified to transact business in each jurisdiction in which the ownership or lease of real property or the conduct of its business related to the Publications requires it to be so qualified, and (b) has all Permits (as defined in Section 3.16) necessary to own its properties and assets and carry on its business related to the Publications as it is now being conducted, except in each case, for any failures to be so qualified or licensed, or to have such Permits which would not, individually, or in the aggregate have or be reasonably expected to have a Material Adverse Effect (as defined in Section 3.4 hereof). Any applications for the renewal of any such Permits related to the Publications that are due prior to the Closing Date have been timely made or filed by Sellers prior to the Closing Date. No proceeding to renew, suspend, modify, suspend, revoke, withdraw, terminate or otherwise limit any such Permit related to the Publications is pending or threatened.

3.2 Authority Relative to this Agreement. Each of Morris Communications and each Seller has the full power, authority and legal right to execute and deliver this Agreement and to consummate the transactions and perform its obligations as contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by all necessary action, and this Agreement has been duly and validly executed and delivered by Morris Communications and Sellers and, assuming due authorization, execution and delivery by Buyer and GateHouse Media, constitutes a legal, valid and binding obligation of Morris Communications and Sellers enforceable against Morris Communications and Sellers in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency or similar law affecting the rights of creditors generally.

3.3 Income Statements. Schedule 3.3 sets forth (a) the unaudited consolidated financial summary of the Publications for the fiscal year ended December 31, 2016 and (b) unaudited consolidated financial summary of the Publications for the period through May 31, 2017 (the "Income Statement Date") (the financial statements referred to in clauses (a) and (b) being "Income Statements"). Morris Publishing operates (and reports its financial results) as a single operating segment. Accordingly, separate balance sheets, income statements or other financial statements are not maintained for the Publications as a group, or for any individual Publication. The Income Statements were prepared, (i) specifically in contemplation of this Agreement, (ii) from Morris Publishing's consolidated statements of income, and (iii) on the accrual basis. The Income Statements exclude certain corporate related expenses and make assumed adjustments related to newsprint, occupancy and printing costs, as disclosed in the notes to Schedule 3.3. The Income Statements reflect fees for management and shared services paid to Affiliates and allocations of shared expenses based upon various factors (such as a percentage of circulation, advertising revenue, total revenue, newsprint consumption or employees) deemed by Morris Publishing as of the Income Statement Date to be appropriate for such expenses, but no attempt has been made to determine what such costs would have been if the Publications had been operated on a stand-alone basis. The revenue items on the Income Statements reflect components derived from and prepared consistently with the methods used in the preparation of Morris Publishing's financial statements, which methods are used by Sellers in the ordinary course of business consistent with past practice and are in accordance with GAAP. Subject to the foregoing, the Income Statements fairly present in all material respects the revenues of the

Publications for the periods covered thereby and have been prepared in conformity with Sellers Accounting Practices. The Working Capital History has been prepared in accordance with Sellers Accounting Practices and consistent with past practice. Sellers shall deliver on the Closing Date to Buyer a schedule of the Publications' outstanding accounts receivable as of the Closing Date. All such accounts receivable have arisen in the ordinary course of business consistent with past practice and represent bona fide indebtedness incurred by the applicable account debtor and have been properly adjusted for bankrupt and other uncollectible accounts in accordance with Sellers Accounting Practices. Assuming reasonable collection efforts by Buyer, Morris Communications and Sellers have no reason to believe that such accounts receivable would not be collectible (net of Sellers' reserves for uncollectible receivables established by Sellers in the ordinary course of business consistent with past practice).

3.4 Business Since the Income Statement Date. Except as set forth on Schedule 3.4, since the Income Statement Date, the business of the Publications has been conducted in the ordinary course of business and in substantially the same manner as it was before the Income Statement Date. Since the Income Statement Date, there has been no change in the business, condition (financial or otherwise), properties, operations or prospects of the Publications or other event or occurrence which has had or would reasonably be expected to have a material adverse effect on the business, operations, properties, condition or prospects (financial or otherwise) of the Publications taken as a whole ("Material Adverse Effect") as of the Closing Date.

3.5 Non-Contravention; No Defaults.

(b) Except for the required consents with respect to the contracts referred to in Section 3.9 and the requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "Hart-Scott-Rodino Act"), neither Morris Communications nor any Seller is required to submit any notice, report or other filing with, or obtain any consent, approval or waiver from, any Governmental Authority or any other third party in connection with the execution, delivery or performance of this Agreement or the consummation of the transactions contemplated hereby, except for any such failure which would not individually or in the aggregate have or be reasonably expected to have a material adverse effect on Sellers' ability to consummate the transactions contemplated hereby.

PRE-CLOSING COVENANTS OF SELLERS AND BUYER PENDING THE
CLOSING DATE

Each of Morris Communications, Sellers, Buyer and GateHouse Media, as applicable, covenant and agree that from the date hereof to and including the Closing Date:

5.1 Maintenance of Business. Sellers shall continue to carry on the business and operation of, and maintain the books, accounts and records of, the Publications in substantially the same manner as heretofore in the ordinary course of business and shall maintain the properties, machinery, equipment and other Acquired Assets used in the business of the

Publications in substantially the same manner as heretofore in the ordinary course of business consistent with past practice.

(a) (i) Make any change in circulation practices, or promotional, marketing or premium practices of the Publications, other than changes in the ordinary course of business which changes are not material, or (ii) make any change in policies for the pricing of circulation or advertising of the Publications except for changes in the ordinary course of business which changes are not material;

(b) Sell, lease, remove, transfer or agree to sell, lease, remove or transfer any of the Acquired Assets without replacement thereof with an asset of substantially equivalent kind, condition and value and except in the ordinary course of business consistent with past practice;

(c) Enter into or amend any contract of employment or collective bargaining agreement, or permit or commit to any increases or changes in the compensation (including, but not limited to, bonus, pension, profit-sharing, incentive, deferred compensation, stock purchase, stock option, stock appreciation right, group insurance, severance pay, retirement or other employee benefit plan, agreement or arrangement) of any Publication Employee or any independent contractor or other person providing services to any of Sellers primarily as it relates to the Publications and/or the Acquired Assets, except for increases in accordance with historical practices and except in the ordinary course of business consistent with past practice;

(d) Enter into or amend any contract or commitment as it relates to any of the Publications involving annual consideration of more than \$25,000 individually or \$250,000 in the aggregate, waive any right or enter into any other transaction, other than as permitted by other provisions of this Agreement;

(e) Sell, assign, transfer, license or permit to lapse any material Right;

(f) Make any material change in any of the Real Property or fail to maintain the Real Property or other Acquired Assets in adequate repair and condition, ordinary wear and tear excepted; or cancel or fail to renew any of the current insurance policies or

any of the coverage thereunder maintained for the protection of any of the Real Property or the other Acquired Assets;

(g) Except for Permitted Encumbrances, encumber any of the Acquired Assets or permit any of the Acquired Assets to become subject to any Lien;

(h) Enter into any contracts, agreements or arrangements (written or oral) with any Affiliate except those that would not create an Assumed Liability; or

(i) Take any action that would otherwise require disclosure to be made on Schedule 3.4.

5.2 Organization; Goodwill. Sellers shall use its reasonable efforts to preserve the business organization of the Publications intact and preserve the goodwill of the Publications' suppliers, customers and others having business relations with them.

5.3 Access to Facilities, Files and Records. At the reasonable request of Buyer and subject to the need to preserve the confidentiality of this transaction prior to Closing in order to preserve relationships with employees and customers, Sellers and Morris Communications shall give or cause to be given to the officers, employees, accountants, counsel and authorized representatives of Buyer (a) access after prior notice during normal business hours to all Facilities, property, accounts, books, minute books, deeds, title papers, licenses, agreements, contracts, Tax Returns (other than Federal and State income Tax Returns), records and files of every character, equipment, machinery, fixtures, furniture, vehicles, notes and accounts payable and receivable and inventories primarily related to the Publications, and (b) all such other information concerning the Acquired Assets and affairs of the Publications as Buyer may reasonably request. With the consent and supervision of Sellers, such consent not to be unreasonably withheld or delayed, Sellers and Morris Communications shall permit representatives of Buyer to perform inspections of the Real Property and the structures located thereon and to perform surveys, environmental assessments, sampling and audits as Buyer may request with respect to the Acquired Assets. If Buyer finds any such Real Property inspection item or condition unacceptable, Buyer shall notify Sellers in writing of any such matters to which Buyer reasonably objects or has concerns (the "Property Condition Objections"). Sellers may cure prior to Closing, at their sole expense, all of the Property Condition Objections, to the sole satisfaction of Buyer either by (i) the remediation/repair of such Property Condition Objections, (ii) providing alternative arrangements, satisfactory to Buyer in its sole discretion, providing

Buyer the full economic benefit of the ownership and/or operation of the affected Real Property without any of the risk associated with or relating to such Property Condition Objections or (iii) removing such particular parcel of the Real Property from the Acquired Assets being transferred upon written notice to Sellers, and with an equitable adjustment to the Purchase Price in accord with an appraisal of the real estate (or of the leasehold interest in Real Property that is not Owned Real Property) by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties). If Sellers fail to cure or address, prior to Closing, all Property Condition Objections with respect to any particular parcel of the Real Property as provided above, then Buyer, in its sole discretion may either (A) consummate the transactions contemplated hereby, notwithstanding the Property Condition Objections, with an equitable adjustment to the Purchase Price in accord with an appraisal of the real estate (or of the leasehold interest in Real Property that is not Owned Real Property) by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties) or (B) terminate this Agreement.

5.4 Representations and Warranties. Sellers and Morris Communications shall give detailed written notice to Buyer and GateHouse Media promptly upon the occurrence of or becoming aware of the impending or threatened occurrence of any event which would cause or constitute a breach, or would have caused a breach had such event occurred or been known to Sellers or Morris Communications prior to the date hereof, of any of Sellers' or Morris Communications' representations or warranties contained in this Agreement or in any schedule delivered pursuant hereto. Buyer and GateHouse Media shall give detailed written notice to Sellers promptly upon becoming aware of any inaccuracy in any of the representations or warranties in Article III or any other breach of this Agreement, which notice shall not waive or otherwise limit any of GateHouse Media's or Buyer's rights or remedies hereunder. From time to time on or prior to the Closing, Sellers and Morris Communications shall supplement or amend any schedules delivered in connection herewith with respect to any matter arising after the date hereof, which, if arising prior to the date of this Agreement, would have been required to be set forth or described in such schedule or which is necessary to correct any information in such schedule which has been rendered inaccurate as a result of a matter arising after the date hereof and such amendment shall not be deemed to create a breach of any representation or warranty.

5.5 Corporate Action. Subject to the provisions of this Agreement, Sellers and Morris Communications will take all necessary action required of them to carry out the transactions contemplated by this Agreement.

5.6 Consents.

(a) Sellers will use commercially reasonable efforts to obtain or cause to be obtained prior to the Closing Date consents to the assignment to or assumption by Buyer of all of the Material Contracts which require the consent of any third party by reason of the transactions provided for in this Agreement as shown on Schedule 3.9 and Schedule 3.10(b); provided, however, that Sellers shall not be required to make any payments or to incur any obligations to third parties in connection with the obtaining of any such consent.

(b) Nothing in this Agreement shall be deemed to be a condition to Closing or to constitute or require the transfer or assignment or the attempt to transfer or assign any of the Acquired Assets if the attempted transfer or assignment thereof, without the consent of a third party, would adversely affect in any way the rights of any of Sellers or Morris Communications, on the one hand, or Buyer or GateHouse Media, on the other hand or, in Buyer's opinion, would adversely affect any of the Publications or the Acquired Assets. If any such consent shall not have been obtained at or prior to the Closing, or the attempted transfer or assignment of any of the Acquired Assets at the Closing would have an adverse effect on Sellers or Morris Communications, on the one hand, or Buyer, GateHouse Media, the Publications or the Acquired Assets on the other hand, or on Buyer's rights thereto or Buyer would not in fact receive the rights thereto, (i) Sellers will cooperate with Buyer in any reasonable arrangement designed to provide for Buyer the rights thereto and benefits thereunder, including, without limitation, (A) enforcing for the benefit of Buyer any or all rights of Sellers under any contract, commitment or other agreement against any other party thereto, or (B) at Buyer's election, not transferring, conveying, assigning or delivering to Buyer at the Closing, and retaining legal title to such Acquired Asset, while permitting Buyer the possession and use of such Acquired Asset for Buyer's account and with Buyer receiving the benefits and bearing the burdens of such Acquired Asset as if such Acquired Asset had been so transferred, conveyed, assigned and delivered, and (ii) Sellers will take all reasonable

appropriate further action to obtain such consents, approvals or novations as may be required under applicable laws or otherwise to effect the transfer or assignment of such Acquired Asset to Buyer. Pending the obtaining of such consents, approvals or novations, Buyer will continue performance of any remaining unfulfilled obligations of Sellers under any contract, commitment or other agreement constituting such an Acquired Asset in the same manner as though Buyer rather than Sellers was a party to such contract, commitment or agreement, with Buyer receiving the benefits and bearing the burdens thereof. Sellers agree to remit to Buyer all collections received in respect of any such Acquired Asset promptly on receipt thereof less any amount due Sellers from Buyer with respect to such Acquired Assets. Expenses incurred in connection with actions taken pursuant to this Section 5.6(b) shall be borne in such a manner as to place Sellers and Buyer in the economic positions in which they would have been had such Acquired Asset been transferred, conveyed, assigned or delivered at Closing.

5.7 Confidential Information. If for any reason the transactions contemplated in this Agreement are not consummated, none of Sellers nor Morris Communications shall disclose to third parties any information designated as confidential and received from Buyer, GateHouse Media or their respective agents in the course of investigating, negotiating and completing the transactions contemplated by this Agreement. Nothing shall be deemed to be confidential information with respect to the preceding sentence which: (a) is known to Sellers or Morris Communications at the time of its disclosure to it; (b) becomes publicly known or available other than through disclosure by Sellers or Morris Communications; (c) is rightfully received by Sellers from a third party not known by Sellers or Morris Communications to be subject to an obligation of confidentiality; or (d) is independently developed by Sellers or Morris Communications. If for any reason the transactions contemplated in this Agreement are not consummated, the parties acknowledge and agree that the terms of the Confidentiality Agreement dated May 26, 2017 shall continue to apply to all confidential information.

5.8 Consummation of Agreement. Subject to the provisions of Section 10.2 of this Agreement, Sellers and Morris Communications shall use reasonable efforts to fulfill and perform all conditions and obligations on their part to be fulfilled and performed under this Agreement and to cause the transactions contemplated by this Agreement to be fully carried out.

5.9 Notice of Proceedings. Sellers and Morris Communications will promptly notify Buyer in writing upon becoming aware of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder, or upon receiving any notice from any Governmental Authority of its intention to institute an investigation into, or institute any action or proceeding to restrain or enjoin consummation of this Agreement or such transactions, or to nullify or render ineffective this Agreement or such transactions if consummated.

5.10 Interim Financial Statements. Sellers and Morris Communications shall deliver to Buyer and GateHouse Media unaudited interim balance sheets and statements of income, changes in stockholders' equity and cash flows for the Publications promptly but not later than twenty (20) days after the close of each of the Publications' periodic accounting periods (and in no event less frequently than on a monthly basis), if any, that occurs between the Income Statement Date and the Closing Date. Such interim periodic financial statements shall include financial information both for the current accounting period and for the fiscal year to date, as well as comparisons with the respective corresponding periods in the prior fiscal year.

5.11 Taxes. Sellers shall pay all Taxes relating to the Publications or the Acquired Assets as they become due.

5.12 Audited Financial Statements; Interim Financial Statements. If and when requested by Buyer, Sellers and Morris Communications will, within 60 days of Closing provided such request is made by November 1, 2017, cause to be delivered to Buyer an audit of the Publications' financial statements for up to the three years ending December 31, 2016 and interim financial statements of Publications as required by financial reporting standards affecting Buyer or GateHouse Media. Buyer shall pay Sellers' reasonably incurred and necessary incremental third party costs and expenses for such audit. It is understood that Sellers shall not be responsible for any delays to the extent caused by the outside auditors provided Sellers and Morris Communications use commercially reasonable efforts to promptly and fully cooperate with such auditors and timely comply with their requests.

5.13 Title Matters.

(a) Within five (5) days after the date of this Agreement, Sellers and Morris Communications will provide Buyer with copies of all title information in the possession of Sellers or Morris Communications, any of their respective Affiliates, or their

respective agents relating to the Owned Real Property, including abstracts of title, surveys and policies of title insurance.

(b) Within thirty (30) days after the date of this Agreement, Buyer will obtain title commitments for a 2006 ALTA Owner's Title Insurance Policy or Policies with respect to the Owned Real Property (each a "Title Commitment"), issued by a title company reasonable acceptable to Buyer and its lenders (the "Title Company"), in form and substance reasonably satisfactory to Buyer and its lenders. Each Title Commitment will be accompanied by readable copies of all documents cited as exceptions to title therein (the "Underlying Documents"), which will be certified by the Title Company as true, correct and complete copies of the Underlying Documents. Buyer, at its option, may obtain survey maps of the Owned Real Property (each a "Survey") acceptable to the title insurance company providing the Title Commitments, prepared and certified in accordance with generally accepted professional standards by a duly licensed land surveyor, dated after the date of this Agreement. Buyer shall provide Sellers with legible copies of the Title Commitments, exception documents and other instruments referenced therein and survey maps, if any, promptly following Buyer's receipt thereof. Buyer will bear all costs of any surveys and the costs of such Title Commitments and any title policies issued pursuant to the Title Commitments.

(c) Buyer will have twenty (20) days after its receipt of all Title Commitments and Underlying Documents related to the Owned Real Property and the related Survey to review each of them and to notify Sellers in writing of any exceptions or matters to which Buyer reasonably objects, other than Permitted Encumbrances (the "Title Objections"). If after the date hereof and prior to Closing any Title Objection or other Lien is asserted against any of the Owned Real Property that is not a Permitted Encumbrance, Sellers and Morris Communications will, at their sole expense, either (i) obtain the release of such Title Objection or Lien, (ii) obtain title insurance covering such Title Objection or Lien, (iii) provide alternative arrangements, satisfactory to Buyer in its sole discretion, which provide Buyer the full economic benefit of the ownership of the affected Owned Real Property without any of the risk associated with or relating to such Title Objections or Lien or (iv) remove such particular parcel of the Owned Real Property from the Acquired Assets being transferred upon written notice to Buyer, and with an equitable adjustment

to the Purchase Price in accord with an appraisal of the real estate by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties). If Sellers fail to cure or address, prior to Closing, all Title Objections with respect to any particular parcel of the Owned Real Property as provided above, then Buyer may either (A) consummate the transactions contemplated hereby, notwithstanding the Title Objections, with an equitable adjustment to the Purchase Price in accord with an appraisal of the real estate by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties) or (B) terminate this Agreement. After the date hereof Sellers will take no action that has the effect of creating or causing any Title Objection or other Lien upon any of the Owned Real Property, except mechanic's or materialman's liens arising (A) in the ordinary course of business or (B) incident to the construction or improvement of any property in the ordinary course of business, in each case for amounts not yet due and payable, for which Sellers shall remain responsible for payment (including through the inclusion of such liability in the Closing Date Working Capital Adjustment).

(d) Any matters shown on a Title Commitment or Survey to which Buyer does not object during the twenty (20) day period set forth in Section 5.13(c), or to which any Title Objection is waived by Buyer, will become Permitted Encumbrances.

5.14. Buyer's Representations and Warranties. Buyer and GateHouse Media shall give detailed written notice to Sellers promptly upon the occurrence of or becoming aware of the impending or threatened occurrence of any event which would cause or constitute a breach, or would have caused a breach had such event occurred or been known to Buyer and GateHouse Media prior to the date hereof, of any of the representations and warranties of Buyer contained in this Agreement.

5.15 Corporate Action. Subject to the provisions of this Agreement, each of Buyer and GateHouse Media, on one hand, and Sellers and Morris Communications, on the other hand, will take all necessary corporate and other action required of them to carry out the transactions contemplated by this Agreement.

5.16 Consummation of Agreement. Subject to the provisions of Section 10.2 of this Agreement, each of Buyer and GateHouse Media shall use its reasonable efforts to fulfill and

perform all conditions and obligations on its part to be fulfilled and performed under this Agreement and to cause the transactions contemplated by this Agreement to be fully carried out.

5.17 Notice of Proceedings. Buyer and GateHouse Media will promptly notify Sellers in writing upon becoming aware of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder, or upon receiving any notice from any Governmental Authority of its intention to institute an investigation into, or institute any action or proceeding to restrain or enjoin the consummation of this Agreement or such transactions, or to nullify or render ineffective this Agreement or such transactions if consummated.

5.18 No Solicitation; Acquisition Proposals. Except following a termination in accordance with Section 10.2, Morris Communications and Sellers agree that they will not, directly or indirectly, through any officer, director, employee, partner, stockholder, agent, or Affiliate or otherwise, except in furtherance of the transactions of the type contemplated by this Agreement (a) solicit, initiate, or encourage submission of proposals or offers from any person relating to any transactions of the type contemplated herein or to the direct or indirect purchase of any of the Acquired Assets, the Publications (collectively, an "Acquisition Proposal"), (b) participate in any discussions or negotiations regarding, or furnish to any other person any information with respect to, or otherwise cooperate in any way with or assist, facilitate, or encourage, any Acquisition Proposal by any person, (c) enter into any agreement, arrangement, or understanding with respect to any Acquisition Proposal, or (d) sell, transfer, or otherwise dispose of, or enter into any agreement, arrangement, or understanding with respect to, any interest in the Acquired Assets.

5.19 Phase I Environmental Site Assessment. Buyer may obtain Phase I Environmental Reports (prepared in accordance with ASTM standards) for the Real Property certified to Buyer and prepared by independent consultants approved by Buyer ("Real Property Phase I Reports"), the results of which shall be satisfactory to Buyer in its sole discretion, subject to the remainder of this Section 5.19. Sellers and Morris Communications shall fully cooperate with Buyer and Buyer's representatives and exercise commercially reasonable efforts to cause all third parties to fully cooperate with Buyer and Buyer's representatives in obtaining the Real Property Phase I Reports. Upon Buyer's review of the Real Property Phase I Reports, Buyer shall notify Sellers in writing of any matters set forth therein to which Buyer reasonably object or

has concerns (the "Environmental Objections"). Sellers may cure prior to Closing, at their sole expense, all of the Environmental Objections, to the sole satisfaction of Buyer either by (i) the remediation/repair of such Environmental Objections, (ii) the procurement of environmental insurance for the benefit of GateHouse Media, Buyer and Affiliates identified by Buyer, with such insurance providing full and complete coverage against loss or damage as a result of such Environmental Objections, (iii) providing alternative arrangements, satisfactory to Buyer in its sole discretion, providing Buyer the full economic benefit of the ownership and/or operation of the affected Real Property without any of the risk associated with or relating to such Environmental Objections or (iv) remove such particular parcel of the Real Property from the Acquired Assets being transferred upon written notice to Sellers, and with an equitable adjustment to the Purchase Price in accord with an appraisal of the real estate (or of the leasehold interest in Real Property that is not Owned Real Property) by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties). If Sellers fail to cure or address, prior to Closing, all Environmental Objections with respect to any particular parcel of the Real Property as provided above, then Buyer, in its sole discretion may either (A) consummate the transactions contemplated hereby, notwithstanding the Environmental Objections, with an equitable adjustment to the Purchase Price in accord with an appraisal of the real estate (or of the leasehold interest in Real Property that is not Owned Real Property) by an independent third party appraiser to be selected by the parties (or as otherwise agreed by the parties) or (B) terminate this Agreement.

5.20 Bulk Transfer Laws. The parties hereby waive compliance with the provisions of the applicable bulk transfer laws of any jurisdiction in connection with the transactions contemplated by this Agreement.

ARTICLE VI. ADDITIONAL COVENANTS

6.1 No Securities Transactions.

(a) Neither Morris Communications, Sellers nor any of their respective managers, members or officers or any of their Affiliates, directly or indirectly, shall engage in any transactions involving the securities of New Media Investment Group Inc., the publicly traded parent of GateHouse Media and Buyer, prior to the time of the making of a public announcement of the transactions contemplated by this Agreement. Morris Communications and

Sellers shall use their commercially reasonable efforts to ensure compliance with the foregoing requirement.

(b) (Reserved)

6.2 Operating Leases.. At Closing, Buyer shall enter into leases with Sellers (or their Affiliates) for Buyer's use of the facilities listed and as generally summarized in Schedule 6.2 (collectively the "Operating Facilities", and each an "Operating Facility"), substantially in the form, attached hereto as Exhibit B, or such other form as mutually agreed by the parties (the "Operating Leases"), it being understood that the specific terms will be agreed upon by the parties prior to Closing.

ARTICLE VII CONDITIONS TO THE OBLIGATIONS OF SELLERS

The obligations of Sellers and Morris Communications under this Agreement are, at their option, subject to the fulfillment of the following conditions prior to or at the Closing Date:

7.1 Representations, Warranties and Covenants.

(a) The representations and warranties of Buyer and GateHouse Media contained in this Agreement and in any statement, certificate, schedule or other document delivered by Buyer and GateHouse Media pursuant hereto or in connection with the transactions contemplated hereby, shall have been true and accurate as of the date when made and shall be deemed to be made again on and as of the Closing Date and shall then be true and accurate, except for untrue or inaccurate representation or warranties which would not, in the aggregate, impair Buyer's or GateHouse Media's ability to fulfill its

obligations under this Agreement or have a Material Adverse Effect on GateHouse Media and its subsidiaries, taken as a whole;

(b) Buyer and GateHouse Media shall have performed and complied in all material respects with each and every covenant and agreement required by this Agreement to be performed or complied with by them prior to or at the Closing Date, and shall have delivered all agreements and documents contemplated by Section 2.3, other than the delivery by Buyer and GateHouse Media of the Purchase Price and the instrument of assumption, each of which shall be delivered as of the Closing; and

In the event such a notice of intent is received or such an investigation is commenced, this Agreement may not be terminated by Sellers for a period of ninety (90) days from the date of such notice of intent or notice of commencement, but Closing shall be delayed during such period. This Agreement may be terminated after this ninety (90)-day period if, in the reasonable opinion of Sellers, there is a likely probability that an investigation will result in an action or proceeding of the type described in clause (a) of this Section 7.2; and

(c) At the Closing Date, there shall be no injunction, restraining order or decree of any nature of any Governmental Authority in effect which restrains or prohibits the consummation of the sale and purchase of the Acquired Assets as contemplated by this Agreement.

The waiting period (and any extensions thereof) under the Hart-Scott-Rodino Act shall have expired or otherwise been terminated, and all other authorizations, consents and approvals of Governmental Authority required for consummation of the transactions contemplated hereby shall have been obtained.

ARTICLE VIII.
CONDITIONS TO THE OBLIGATIONS OF GATEHOUSE MEDIA AND BUYER

The obligations of GateHouse Media and Buyer under this Agreement are, at their option, subject to the fulfillment of the following conditions prior to or at the Closing Date.

8.1 Representations, Warranties and Covenants.

(a) The representations and warranties of Sellers and Morris Communications contained in this Agreement and in any statement, deed, certificate, schedule or other document delivered pursuant to this Agreement or in connection with the transactions contemplated hereby, shall have been true and accurate as of the date when made and shall be deemed to be made again on and as of the Closing Date and shall then be true and accurate;

(b) Sellers and Morris Communications shall have performed and complied in all material respects with each and every covenant and agreement required by this Agreement to be performed or complied with by them prior to or at the Closing Date, and shall have delivered all agreements and documents contemplated by Section 2.2, other than delivery to Buyer of the instruments conveying the Acquired Assets to Buyer which shall be delivered as of the Closing; and

(c) Sellers and Morris Communications shall have delivered to Buyer certificates of appropriate officers of Sellers, dated the Closing Date, certifying to the fulfillment of the conditions set forth in Sections 8.1(a) and 8.1(b) above.

8.2 Proceedings.

(a) No action or proceeding shall have been instituted before any Governmental Authority to restrain or prohibit, or to obtain substantial damages in respect of, the consummation of this Agreement which, in the reasonable opinion of Buyer, may be expected to result in an award of such substantial damages;

(b) None of the parties to this Agreement shall have received written notice from any Governmental Authority of (i) its intent to institute any action or proceeding to restrain or enjoin or nullify this Agreement or the transactions contemplated hereby, or to commence any investigation (other than a routine letter of inquiry), into the consummation of this Agreement, or (ii) the actual commencement of such an investigation. In the event such a notice of intent is received or such an investigation is commenced, this Agreement may not be terminated by Buyer for a period of ninety (90) days from the date of such notice of intent or notice of commencement, but Closing shall be delayed during such period. This Agreement may be terminated after this ninety (90)-day period if, in the reasonable opinion of Buyer, there is a likely probability that an investigation will result in an action or proceeding of the type described in clause (a) of this Section 8.2; and

(c) At the Closing Date, there shall be no injunction, restraining order or decree of any nature of any Governmental Authority or body in effect which restrains or prohibits the consummation of the sale and purchase of the Acquired Assets contemplated by this Agreement.

8.3 Hart-Scott-Rodino. The waiting period (and any extensions thereof) under the Hart-Scott-Rodino Act shall have expired or otherwise been terminated, and all other authorizations, consents and approvals of Governmental Authority required for consummation of the transactions contemplated hereby shall have been obtained.

8.4 Consents. Sellers shall have obtained the consents set forth on Schedule 3.9 and Schedule 3.10(b), all of which shall be reasonably satisfactory to Buyer in form and substance.

8.5 Title Insurance. Buyer shall have received and be satisfied with the Title Commitments and the Underlying Documents on all Owned Real Property and the Surveys for the Owned Real Property in accordance with the requirements of Section 5.13.

8.6 Real Property Phase I Reports. The Real Property Phase I Reports shall be performed at each Owned Real Property and a copy of the Real Property Phase I Reports shall be

satisfactory to Buyer in accordance with the requirements of Section 5.19, and the Environmental Objections identified by Buyer shall be cured or addressed to the sole satisfaction of Buyer pursuant to the provisions of Section 5.19 and/or the parties shall have agreed on an equitable adjustment to the Purchase Price as set forth in Section 5.19.

8.7 Landlord Estoppel Certificates. Sellers shall have obtained and delivered to Buyer an estoppel certificate with respect to each of the Leases dated no more than thirty (30) days prior to the Closing Date, from the other party to such Lease, in form and substance reasonably satisfactory to Buyer.

ARTICLE IX. INDEMNIFICATION

9.1 Survival; Limitations.

(a) The representations and warranties of the parties contained in or made pursuant to this Agreement shall be deemed to have been made on the date hereof and on the Closing Date, shall survive the Closing Date and shall remain operative and in full force and effect for the period ending 18 months thereafter (the "Survival Period"); provided that if on or prior to the expiration of the Survival Period, a notice of claim for indemnification shall have been given in accordance with Section 9.4 hereof, the indemnified party shall continue to have the right to be indemnified with respect to such indemnification claim until such claim for indemnification has been satisfied or otherwise resolved as provided in this Article IX; and provided further that the representations and warranties contained in, Section 3.16 ('Environmental Matters') and Section 3.19 ('Taxes') shall survive until the expiration of the applicable statute of limitations period plus 90 days and the representations and warranties contained in Sections 3.2 ('Authority Relative to the Agreement'), 3.21 ('Brokers'), 4.2 ('Authority Relative to the Agreement') and 4.8 ('Brokers') and all covenants and agreements made by any party hereunder which are to be performed after the Closing Date shall survive without time limit, with the exception of Sections 9.2(a) and 9.3(a), which shall only remain operative and in full force and effect as long as indemnification with respect to the underlying representation and warranty remains available in accordance with the foregoing

provisions of this Section 9.1(a) (including as extended pursuant to the first proviso hereof).

(b) Except for any Loss and Expense (as defined in Section 9.2) suffered by Buyer based on the breach of any representation or warranty contained in Section 3.16 ('Environmental Matters') and Section 3.19 ('Taxes') or resulting from fraud or willful misconduct by Sellers or Morris Communications, Buyer and/or GateHouse Media shall not be entitled to indemnification under this Agreement for any indemnification claim under Section 9.2(a) until the aggregate Loss and Expense suffered by Buyer and/or GateHouse Media subject to indemnification under Section 9.2(a) of this Agreement exceeds \$1,000,000 (the "Threshold"). Once the Threshold has been reached, Buyer and/or GateHouse Media shall be entitled to full indemnification from Sellers pursuant to Section 9.2(a) below for the aggregate amount of Loss and Expense suffered by Buyer and/or GateHouse Media, in excess of the Threshold. Notwithstanding the foregoing, the Threshold shall not apply to any adjustments under Section 1.6, any Loss and Expense suffered by Buyer and GateHouse Media based on any breach of any representation or warranty contained in , Section 3.16 ('Environmental Matters') or Section 3.19 ('Taxes') or resulting from fraud or willful misconduct by Sellers or Morris Communications or to any indemnification claim related to covenants and agreements made by any party hereto which are to be performed after the Closing Date.

(c) Sellers' and Morris Communication's maximum aggregate liability to Buyer and GateHouse Media for indemnification claims under Section 9.2(a) of this Agreement with respect to any Loss and Expense shall be \$12.0 million (the "Cap"); provided that the Cap shall not apply to any Loss and Expense suffered by Buyer and GateHouse Media based on any breach of any representation or warranty contained in Section 3.16 ('Environmental Matters') or Section 3.19 ('Taxes') or resulting from fraud or willful misconduct by Sellers or Morris Communications or any covenants and agreements made by any party hereto which are to be performed after the Closing Date. Except with regard to compensation for claims paid to third parties, no indemnifying party shall have any liability to an indemnified party for any punitive, indirect, incidental or consequential damages or loss including, without limitation, loss of revenue or loss of profits.

(d) Except for equitable remedies (including, without limitation, injunctive relief) and in the absence of fraud, the parties hereto acknowledge and agree that the sole and exclusive remedy of the parties, as the case may be, from and after the Closing Date with respect to any Loss and Expense whatsoever and any and all claims for breach or liability under this Agreement or any of the transactions contemplated hereby shall be solely in accordance with, and limited by, the indemnification provisions set forth in this Agreement.

9.2 Indemnification of Buyer and GateHouse Media. Morris Communications and Sellers, jointly and severally agree to indemnify, defend and hold Buyer and GateHouse Media harmless from and against any and all damages, claims, losses, expenses, costs, fines, penalties, obligations and liabilities, including without limitation, liabilities for reasonable attorneys' fees and disbursements net of the benefit of Tax deductions and insurance claims (collectively, "Loss and Expense"), suffered directly or indirectly by Buyer and/or GateHouse Media by reason of, or arising out of:

(a) any breach of any representation or warranty made by Morris Communications or Sellers pursuant to this Agreement, in each case as read without regard to any materiality qualifiers or references to material adverse effect if any single Loss or Expense (or series of related Losses or Expenses in the aggregate) exceeds \$50,000 (the "Materiality Threshold"), in which case Buyer and GateHouse Media shall be indemnified from the first dollar of such Loss or Expense; provided however that the Materiality Threshold shall not apply where there are no such qualifiers or references;

(b) any failure by Morris Communications or any of Sellers to perform or fulfill any of their covenants or agreements set forth in this Agreement, in each case as read without regard to any materiality qualifiers or references to material adverse effect if any single Loss or Expense (or series of related Losses or Expenses in the aggregate) exceeds the Materiality Threshold, in which case Buyer and GateHouse Media shall be indemnified from the first dollar of such Loss or Expense; provided however that the Materiality Threshold shall not apply where there are no such qualifiers or references;

(c) any failure by Morris Communications or any of Sellers to pay or perform when due any of their liabilities or obligations arising out of or related to the business and

operation of the Publications on or prior to the Closing Date which have not been assumed by Buyer hereunder, including, but not limited to, the Excluded Liabilities;

(d) any litigation, proceeding or claim by any third party relating to the business or operations of the Publications on or prior to the Closing Date which have not been expressly assumed by Buyer;

(e) the Excluded Assets; or

(f) any liability, including but not limited to any liability pursuant to any Environmental Law, arising from or related to conditions or events that occurred prior to the Closing arising from or related to the ownership and/or operation of the Real Property and/or the operations of the Publications on the Real Property on or prior to the Closing Date, and, without limiting the foregoing, any liability with respect to the Operating Facilities arising from or related to any acts or omissions of Sellers, their Affiliates, and/or any other person under their control after the Closing Date and/or the ownership of the Operating Facilities after the Closing (except to the extent any such liability arises out of, or relates to, and/or results from any acts of Buyer, its Affiliates, and/or any other person under their control after the Closing Date and/or any omissions of Buyer, its Affiliates, and/or any other person under their control with respect to environmental conditions caused by Buyer, its Affiliates, and/or any other person under their control after the Closing Date); provided, however, that Morris Communications and Sellers shall have no liability to the extent such liability results from (i) any changes in use of the Real Property by Buyer after the Closing Date which trigger clean-up standards under Environmental Laws that are more stringent than the clean-up standards applicable based on the use of the Real Property as of the Closing Date and any reasonably foreseeable or related uses and (ii) any changes in Environmental Laws after the Closing Date which result in clean-up standards that are more stringent than the clean-up standards applicable as of the Closing Date with respect to the uses of the Real Property as of the Closing Date and any reasonably foreseeable or related uses; and provided further, however, that the limitations in (i) and (ii) above shall not apply with respect to the Operating Facilities if Buyer's use of an Operating Facility is in accordance with the permitted use set forth in the Operating Lease.

9.3 Indemnification of Sellers and Morris Communications. Buyer and GateHouse Media, jointly and severally, agree to indemnify, defend and hold Sellers and Morris Communications harmless from and against any and all Loss and Expense suffered directly or indirectly by such Sellers and/or Morris Communications by reason of, or arising out of:

(a) any breach of any representation or warranty made by Buyer or GateHouse Media pursuant to this Agreement;

(b) any failure by Buyer or GateHouse Media to perform or fulfill any of their covenants or agreements set forth in this Agreement;

(c) any failure by Buyer or GateHouse Media to pay or discharge on or subsequent to the Closing Date any Assumed Liabilities hereunder or any liabilities or obligations, but not including any liabilities or obligations that are Excluded Liabilities, arising out of or related to the business of the Publications incurred or first required to be performed by Buyer or GateHouse Media after the Closing Date;

(d) any litigation, proceeding or claim by any third party relating to the business or operation of the Publications after the Closing Date, but not including any litigation, proceedings or claims that are Excluded Liabilities; or

(e) claims made by New Employees with respect to termination of employment by Buyer after the Closing Date, including, but not limited to, any claims for improper termination or severance payments.

9.4 Notice of Claims. If any party to the Agreement believes that it has suffered or incurred any Loss and Expense, it shall notify the other party(ies) promptly in writing and within the applicable time period specified in Section 9.1, describing such Loss and Expense, the amount thereof, if known, and the method of computation of such Loss and Expense, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss and Expense shall have occurred; provided, however, that the amount of the Loss and Expense set forth in the notice shall not be a limitation on any claim for the actual amount of such Loss and Expense.

9.5 Defense of Third Party Claims. If any action at law or suit in equity is instituted by a third party (a "Claim") with respect to which any of the parties intends to claim a Loss and Expense under this Article IX, such party shall promptly notify the indemnifying party(ies) of such action or suit. The indemnifying party(ies) shall have the right to conduct and control any

Claim through counsel of its own choosing, but the indemnified party may, at its election, participate in the defense of any such Claim at its sole cost and expense. If the indemnifying party(ies) does not notify the indemnified party within 10 days after receipt of the notice specified in this Section 9.5 that it is defending any such Claim, then the indemnified party may defend such Claim, and settle such Claim, through counsel of its own choosing, and recover from the indemnifying party the amount of any such settlement or of any judgment and the costs and expenses of such defense, including, but not limited to, reasonable attorneys' fees and disbursements.

Notwithstanding the foregoing, the failure by a party to abide by these terms and conditions shall not affect the other party's obligations to indemnify such party against Loss and Expense under this Article IX, except to the extent the indemnifying party(ies) is actually prejudiced thereby.

ARTICLE X. MISCELLANEOUS PROVISIONS

10.1 Risk of Loss. The risk of any loss, damage or destruction to any of the Acquired Assets to be transferred to Buyer hereunder from any cause shall be borne by Sellers at all times prior to the Closing hereunder. Upon the occurrence of any loss or damage in excess of \$100,000 to any of the Acquired Assets to be transferred hereunder prior to the Closing, Sellers shall notify Buyer of same in writing immediately stating with particularity the extent of the loss or damage incurred, the cause thereof if known and the extent to which restoration, replacement and repair of the Acquired Assets lost or destroyed will be reimbursed under any insurance policy with respect thereto. In the event the loss exceeds \$1,000,000 and the Acquired Assets cannot be substantially repaired or restored within ninety (90) days after such loss, or, without regard to the amount or duration of such loss, if production of any publication is interrupted for three (3) consecutive days resulting in a loss or expected loss of revenues following the Closing Date of \$1,000,000 or more, Buyer shall have the option, exercisable by giving written notice to Sellers within 30 days after such loss, to:

- (a) Accept alternative arrangements proposed by Sellers to provide Buyer the full economic benefit of the ownership of the effected Acquired Assets or Publications;

(b) Remove such particular Acquired Assets or the entire Publication with an equitable adjustment to the Purchase Price, in an amount subject to the reasonable consent of Sellers;

(c) If such loss is a Material Adverse Event, either:

(i) Terminate this Agreement unless the parties can agree to an equitable adjustment to the Purchase Price;

(ii) Postpone the Closing until such time as the Acquired Assets have been substantially repaired, replaced or restored; or

(d) Elect to consummate the Closing and accept the Acquired Assets in their "then" condition, in which event Sellers shall assign to Buyer all rights under any insurance claim covering the loss and pay over to Buyer any proceeds under any such insurance policy thereto received by Sellers with respect thereto.

10.2 Termination of Agreement. This Agreement may be terminated by Sellers or Buyer at any time prior to the Closing Date:

(a) By the mutual consent of the parties hereto;

(b) Subject to extension under Section 7.2(b), by Sellers and Morris Communications if any of the conditions provided in Article VII hereof has not been timely met and cannot be met on or before October 31, 2017 (in each case other than as a result of a breach of this Agreement by Sellers or Morris Communications) and has not been waived, provided Sellers or Morris Communications is not then in material breach of this Agreement;

(c) Subject to extension under Section 8.2(b), by Buyer and GateHouse Media if any of the conditions provided in Article VIII hereof has not been timely met by and cannot be met on or before October 31, 2017 (in each case other than as a result of a breach of this Agreement by Buyer or GateHouse Media) and has not been waived, provided Buyer or GateHouse Media is not then in material breach of this Agreement;

(d) As provided in Sections 1.4, 5.13, 5.19 or 10.1;

(e) By Buyer if any amendment, update or supplement made by Sellers and/or Morris Communications after the date hereof to the Schedules delivered to them by or on behalf of Seller pursuant to this Agreement or any materials supplementally delivered by or on behalf of Sellers and/or Morris Communications discloses any facts or

circumstances which, individually or in the aggregate, which have, or may be reasonably expected to have, a Material Adverse Effect; or

(f) By either Buyer or Sellers if the Closing has not occurred prior to October 31, 2017 and the other Party has not provided notice of an intention to pursue a claim for a breach of this Agreement by the terminating Party.

10.3 Liabilities Upon Termination. In the event this Agreement is terminated pursuant to Section 10.2 above, no party hereto shall have any liability to any other party for costs, expenses, damages, loss of anticipated profits or otherwise, unless the termination occurs because of a willful and intentional breach by such party.

10.4 Expenses. Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such costs and expenses. Any sales or use Taxes or recording or transfer Taxes or fees directly related to transferring the Acquired Assets to Buyer ("Transfer Taxes") shall be paid by Buyer. The cost of title insurance for the Real Property purchased by Buyer hereunder shall be paid by Buyer.

10.5 Employees and Employee Benefits.

(a) Buyer hereby agrees to offer employment, effective the day after the Closing Date, to all individuals who are, on the Closing Date, active, full or part-time Publication Employees (including employees on short-term leave). With respect to each such Publication Employee to whom Buyer offers employment, Buyer shall offer to employ such person at a rate of total compensation substantially similar as that which was paid to such Publication Employee immediately prior to Closing. Each Publication Employee of Sellers who accepts employment with Buyer on the Closing Date is hereinafter referred to as a "New Employee".

(b) Except as set forth in subsection (a) above, Buyer, in its sole discretion, shall determine what employee benefits will be made available to New Employees; provided, however, that Buyer (i) will offer medical coverage to New Employees immediately after the Closing Date, with such coverage to be effective as of the first day of the month following the Closing Date if the Closing Date occurs on or before the 13th day of the month, or otherwise on the first day of the second month following the Closing Date (i.e., November 1st for an October 2nd Closing Date, or December 1st for an October

15th Closing Date; such date the "Coverage Effective Date"); (ii) shall waive for New Employees, to the extent permitted by Buyer's health plans, any pre-existing condition limitations and waiting periods that may apply under such health plans; and (iii) shall recognize New Employees' service with Sellers or any of their respective Affiliates as if it were service with Buyer for purposes of satisfying any vesting requirements under any benefit plans offered by Buyer (but not for purposes of benefit accrual or for determining the amount of benefits payable under any benefit plan other than a vacation plan).

(c) From the Closing Date until the Coverage Effective Date described in Section 10.5(b) (the "Extended Coverage Period"), Sellers and Morris Communications shall cover the New Employees (and their eligible dependents) under Sellers' Employee Benefit Programs listed on Schedule 10.5(c), provided, however, that Sellers and Morris Communications shall not be financially responsible for any such coverage or claim incurred during the Extended Coverage Period. Buyer shall pay all expenses associated with coverage of the New Employees (and their eligible dependents) under Sellers' Employee Benefit Programs during the Extended Coverage Period, including, but not limited to, any allocable share of any broker's or agent's fees, costs of any third party administrator, or premiums paid to any stop-loss provider attributable to the New Employees during the Extended Coverage Period. The New Employees shall remit to Buyer for Buyer's account the New Employee's normal (i.e., pre-Closing Date) portion of the "premium" payable under each such Employee Benefit Program during the Extended Coverage Period. Buyer shall reimburse Sellers for any insurance premium paid by Sellers for such coverage provided to New Employees during the Extended Coverage Period and for any group health plan claim incurred by a New Employee (or individual covered through a New Employee) during the Extended Coverage Period and paid by Sellers after the Closing Date under an Employee Benefit Program with respect to a New Employee (or individual covered through a New Employee). The amount of reimbursement owed by Buyer with respect to a claim shall be reduced by the amount of any reimbursement Sellers or Morris Communications receives from a stop-loss insurance carrier in connection with the claim. Buyer shall reimburse Sellers within 30 days after receiving an invoice from Sellers, accompanied by reasonable documentation of claim amounts paid. Before invoicing Buyer, Seller shall take all necessary action to

obtain reimbursement from its stop-loss insurance carrier with respect to a claim incurred by a New Employee during the Extended Coverage Period and shall promptly forward to Buyer any stop-loss recovery Seller receives on such a claim after Buyer has paid Seller for such claim. For purposes of clarity, a claim shall be considered incurred when the treatment for a given condition is provided, and not when the condition arose. Sellers and Morris Communications shall retain responsibility for all claims incurred prior to or on the Closing Date.

(d) Buyer maintains a health care and dependent care flexible spending account arrangement pursuant to Section 125 and 129 of the Code (collectively, "FSAs"). Effective as of the Coverage Effective Date, Buyer will honor the elections of all New Employees under Sellers' FSAs as in effect immediately prior to the Coverage Effective Date, and Buyer will assume responsibility for administering under Buyer's FSAs all reimbursement claims of the New Employees with respect to the calendar year in which the Closing Date occurs that are submitted to Buyer for payment on or after the Coverage Effective Date, whether arising before, on or after the Coverage Effective Date. As soon as practicable but no more than forty-five (45) days following the Coverage Effective Date, Sellers will cause to be transferred to Buyer an amount in cash equal to (i) the sum of all contributions by or on behalf of the New Employees to Sellers' FSAs with respect to the calendar year in which the Closing Date occurs and made prior to the Coverage Effective Date, reduced by (ii) the sum of (A) all claims incurred in the calendar year in which the Closing Date occurs that are submitted to Seller for payment prior to the Closing Date and paid by the FSAs of Seller or its Affiliates with respect to such New Employees prior to the date of such cash transfer to Buyer plus (B) the amount of contributions collected by Buyer from New Employees for their FSA participation during the Extended Coverage Period; provided, however, if this calculation results in a negative number, then Buyer will pay to Sellers as soon as practicable but not more than forty-five (45) days following the Coverage Effective Date, the amount by which (ii) exceeds (i). Effective as of the Coverage Effective Date, Sellers shall provide Buyer with such information as is necessary for Buyer to establish FSAs for such New Employees, including, but not limited to, each such New Employee's annual FSA election amount and account balance as of the Coverage Effective Date.

(e) As soon as administratively practicable after the Closing Date, Buyer shall establish a 401(k) plan, or cause an existing 401(k) plan, to cover the New Employees, subject to contrary collective bargaining agreement provisions (if any) applicable to New Employees after the Closing Date. Buyer shall permit such New Employees to rollover any eligible rollover (excluding distribution of loan notes) distribution from Sellers' 401(k) plan to its 401(k) plan.

(f) Notwithstanding the foregoing, nothing contained herein shall (i) be treated as an amendment to any particular employee benefit plan, (ii) obligate Buyer or any of its Affiliates to (A) maintain any particular benefit plan or (B) retain the employment of any particular employee (in general or at a particular rate of compensation), or (iii) give any third party the right to enforce any of the provisions of this Agreement. Buyer retains all rights to amend or terminate any of its benefit programs in its sole discretion.

(g) Buyer shall be responsible for any obligations under federal, state or local plant closing statutes, including the Worker Adjustment and Retraining Notification Act of 1988, as amended ("WARN Act"), with respect to events occurring after the Closing Date other than any such obligations arising from the consummation of the transactions contemplated by this Agreement.

(h) Sellers and Morris Communications shall be responsible for and timely pay all compensation owed to New Employees and shall be responsible for and timely provide New Employees with all benefits owed under the Employee Benefit Programs through the Closing Date, or Coverage Effective Date, as applicable. Sellers and Morris Communications will retain all of the Employee Benefit Programs, including all employee benefit plans and pension plans, and Buyer will not assume obligations under any such programs, except as expressly described herein. Sellers shall take all necessary and appropriate action to ensure that New Employees will not continue to be active participants in the Employee Benefit Programs after the Closing Date or Coverage Effective Date, as applicable. Sellers and Morris Communications shall be fully and solely responsible for any costs, expenses, obligations and liabilities arising out of the pension, retirement or other benefit obligations attributable to the Employee Benefit

Programs and Sellers' current or former employees related to the period on or prior to the Closing Date.

10.6 Further Assurances and Consents.

(a) To the extent Buyer and GateHouse Media have proceeded with Closing notwithstanding the failure of Sellers or Morris Communications to effect the deliveries contemplated by Sections 8.1(b) or 8.4, from time to time after the Closing Date, without further consideration, Sellers and Morris Communications will, at their expense, (i) execute and deliver, or cause to be executed and delivered, such documents to Buyer and GateHouse Media as Buyer and GateHouse Media may reasonably request in order to effectively vest in Buyer good and valid (and, in the case of Real Property, good and marketable) title to the Acquired Assets, and (ii) subject to Section 5.6(b), use reasonable efforts to obtain any third-party consents to the assignment to Buyer of the Material Contracts which require the consent of any third party by reason of the transactions provided for in this Agreement and which were not obtained by Sellers or Morris Communications on or before the Closing Date.

(b) From time to time after the Closing Date, Buyer will provide Sellers with access, with reasonable prior notice and during normal business hours, to the financial records of the Publications related to the period on or prior to the Closing Date for use by Sellers in connection with Tax and/or legal proceedings related to the operation of the Publications on or prior to the Closing Date. Buyer agrees to maintain all Tax records related to the Publications for all Tax years that remain open as of the Closing Date unless and until (i) Sellers notify Buyer in writing that any such Tax year(s) has (have) been closed or (ii) Buyer has given Sellers prior written notice of its intent to destroy such records and Sellers have not reasonably and promptly requested that such records not be destroyed.

(c) If, in order to properly prepare its financial statements or documents to be filed with any Governmental Authority, it is necessary that any party hereto be furnished with additional information relating to the Acquired Assets or the Publications and such information is in the possession of any of the other parties hereto, such party or parties agree to use its/their best efforts to furnish such information to the requesting party without cost or expense to the requesting party, unless it is necessary for such party or

parties to incur third party expenses (e.g. legal or accounting fees) in connection with such request in which case the requesting party shall reimburse the furnishing party for such third party expenses. After the Closing Date, except to the extent otherwise noted, each of the parties hereto, shall, to the extent reasonably requested by any other party hereto: (i) assist in the preparation of Tax Returns relating to the Acquired Assets and/or the Publications, (ii) cooperate in preparing any audits by or disputes with any Governmental Authority, including but not limited to, regarding any Tax Returns, (iii) at any time after the execution of this Agreement, assist in the preparation of audited financial statements to the extent they relate to, incorporate or rely upon any information regarding the Acquired Assets and/or the Publications, including but not limited to providing relevant work papers and any certification or representation reasonably requested, (iv) make available information, records and documents relating to Taxes relating to the Acquired Assets and/or the Publications (provided that each party shall have the right to reasonably limit contact and communications to specific individuals within their respective companies), and (v) furnish copies of correspondence received from any Governmental Authority in connection with any Tax audit or information request relating to the Acquired Assets and/or the Publications.

(d) Each of Buyer and GateHouse Media, on the one hand, and Sellers and Morris Communications on the other hand, shall use its reasonable commercial efforts, and shall cause its respective Affiliates to use their reasonable commercial efforts, to consummate the transactions contemplated by this Agreement as soon as practicable following the date hereof. Each of Buyer and GateHouse Media, on the one hand, and Sellers and Morris Communications on the other hand, shall cooperate with the other party, and use all reasonable commercial efforts, to (a) procure all necessary and appropriate applications, notifications, filings and certifications, and satisfy all requirements prescribed by applicable law, rule or regulation for, and all conditions set forth in this Agreement to, the consummation of the Transactions contemplated hereby or thereby, and (b) effect the transactions contemplated by this Agreement at the earliest practicable date consistent with the terms hereof. Without limiting the generality of the foregoing, each of Buyer and GateHouse Media, on the one hand, and Sellers and Morris Communications on the other hand, shall (i) cooperate in good faith and take all actions

necessary, appropriate or advisable to file expeditiously and diligently with the Federal Trade Commission and the Department of Justice the materials required pursuant to the Hart-Scott-Rodino Act, (ii) use its reasonable commercial efforts to prosecute such filings and respond to inquiries related to a favorable conclusion, and (iii) not extend any waiting period under the Hart-Scott-Rodino Act or enter into any agreement not to consummate the transactions contemplated by this Agreement, except with the prior written consent of the other party. In addition, subject to Sections 5.7 and 10.18 and except as prohibited by applicable law, rule or regulation, each of Buyer and GateHouse Media, on the one hand, and Sellers and Morris Communications on the other hand, shall (x) promptly notify the other party of any written communication to such party from any Governmental Authority regarding antitrust matters and permit such other party to review in advance any proposed written communication to any such Governmental Authority, and (y) not participate in any meetings or substantive discussions with any Governmental Authority with respect to antitrust matters without offering the other party a meaningful opportunity to participate in such meetings or discussions.

(e) If the parties are not able to agree upon the Transition Services Agreements prior to the Closing, Morris Communications and Sellers shall provide to Buyer transition services as and to the extent reasonably requested by Buyer, at Buyer's cost (which shall be equal to Sellers' cost), pending the execution of the Transition Services Agreements, if any.

10.7 Waiver of Compliance. Except as otherwise provided in this Agreement, any failure of any of the parties to comply with any obligation, representation, warranty, covenant, agreement or condition herein may be waived only by a written instrument signed by the party granting the waiver. Any such waiver or failure to insist upon strict compliance with a term of this Agreement shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply.

10.8 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given when delivered by hand or by facsimile transmission or mailed by registered or certified mail (return receipt requested), postage prepaid, to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):

10.9 Assignment. This Agreement and all of its terms shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Prior to the Closing, this Agreement shall not be assigned by any party hereto without the prior written consent of the other parties.

10.10 Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of New York without reference to the choice of law principles thereof. This Agreement sets forth the entire understanding of the parties, and supersedes any and all prior agreements, arrangements and understandings, written or oral, relating to the subject matter hereof and shall be governed and construed under the laws of the State of New York. Any action or proceeding involving this Agreement shall be adjudicated in a court with jurisdiction in Monroe County, New York and the parties irrevocably consent to the personal jurisdiction and venue of such court.

10.11 Public Announcements. Prior to the Closing, except as required by applicable law, rule or regulation, no public announcement (including an announcement to employees), press release or other disclosure to third parties concerning this Agreement or the transactions provided for herein shall be made by any party without the prior written approval of the other parties, which shall not be unreasonably withheld, conditioned or delayed. With respect to any disclosures required by applicable law, rule or regulation, including disclosure requirements under applicable securities laws and Current Reports on Form 8-K under the Exchange Act, each party will consult with the other party and allow the other party to review the proposed disclosure prior to making any such disclosures.

10.12 No Third Party Rights. Nothing in this Agreement shall be deemed to create any right on the part of any person or entity not a party to this Agreement.

10.13 Waiver of Jury Trial. The parties hereto specifically waive any right to trial by jury in any court with respect to any contractual, tortious or statutory claim, counterclaim or crossclaim against the other arising out of or connected in any way to this Agreement because

the parties hereto, each of whom are represented by counsel, believe that the complex commercial aspects of their dealing with one another make a jury determination neither desirable nor appropriate.

10.14 Counterparts. This Agreement may be executed via e-mail or facsimile and/or in identical counterparts and each counterpart hereof shall be deemed to be an original instrument, but all counterparts hereof taken together shall constitute a single document.

10.15 Headings. The article and section headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement.

10.16 Specific Performance. Except as provided in Section 10.3, without limiting or waiving in any respect any rights or remedies of any of the parties hereto given under this Agreement, or now or hereafter existing at law or in equity or by statute, each of the parties hereto shall be entitled to seek specific performance of the obligations to be performed by any other party hereto, as the case may be, in accordance with the provisions of this Agreement.

10.17 Severability. If any provision of this Agreement or the application of any such provision to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

10.18 Entire Agreement; Amendments. This Agreement, including the Exhibits and the Schedules delivered pursuant hereto and the documents delivered hereunder, embodies the entire agreement and understanding of the parties in respect of the subject matter hereof, and supersedes all prior agreements and understandings between the parties. This Agreement may not be amended except in a writing signed by both parties; provided, however, that the terms of that certain Confidentiality Agreement dated May 26, 2017 between Sellers and GateHouse Media shall continue to be in force and effect in accordance with its terms. The parties have caused this Agreement to be signed by their respective duly authorized officers as of the date first above written.

The liability of Morris Communications under this Agreement by reason of this Section 10.19 is primary, and neither Buyer nor GateHouse Media shall be required to make any demand on Sellers for performance of any of its obligations under this Agreement, nor to exhaust any legal, contractual or equitable remedies against Sellers, prior to proceeding against Morris Communications.

(b) GateHouse Media hereby guarantees to Sellers, as a primary obligor, payment and performance by Buyer of its obligations under this Agreement and under each of the other agreements contemplated hereunder to which Buyer is a party (including without limitation, all amendments hereof and thereof), in each case, subject to the terms, conditions and limitations hereof and thereof. Commission OKs Crowne Plaza Hotel development

By David Price
 The Augusta Planning Commission has approved a \$100-million Crowne Plaza hotel development in downtown Augusta.

The commission, which met Tuesday night, approved the project after a public hearing. The hotel will be built on a 1.5-acre site at the intersection of Broad and Washington streets.

The project is being developed by the Crowne Plaza Hotel, a subsidiary of the Hilton Hotels Corp. The hotel will consist of 150 rooms, a restaurant, a bar, and a fitness center.

The commission also approved the hotel's design, which features a modern, multi-story facade with large windows and a prominent entrance.

Aiken County tackles truancy

By David Price
 Aiken County is taking steps to address the issue of truancy among school children.

The county school system has implemented a new program to identify and support students who are frequently absent from school. The program involves working closely with parents and community organizations to address the underlying causes of truancy.

The school system has also increased its efforts to monitor student attendance and to provide immediate intervention when a student is absent for several days.

The county is also exploring the possibility of creating a truancy court, which would provide a more formal mechanism for addressing chronic absenteeism.

Truancy is a significant problem in Aiken County, and it is expected that these new initiatives will help to reduce the number of students who are frequently absent from school.

First-time car buyer wants to avoid pitfalls

FOR FIRST-TIME car buyers, the process of purchasing a vehicle can be a daunting task. It's not just about finding a car that fits your needs and budget, but also understanding the various pitfalls that can trap an inexperienced buyer. From hidden fees to complex financing options, there are many traps that can catch a first-time buyer off guard.

One of the most common pitfalls is the "add-on" packages. Dealerships often push these packages, which include things like extended warranties, gap insurance, and paint protection. While these services may seem beneficial, they can significantly increase the total cost of the vehicle. Buyers should carefully review each add-on and consider whether it's truly necessary for their situation.

Another major pitfall is financing. Many first-time buyers are tempted to finance their purchase, but they may not fully understand the terms of the loan. It's crucial to compare interest rates from different lenders, including banks, credit unions, and the dealership's financing department. Additionally, buyers should be aware of the total cost of the loan, including any fees and taxes, to ensure they can comfortably afford the monthly payments.

Finally, it's important to thoroughly inspect the vehicle before purchasing. A pre-purchase inspection by a trusted mechanic can help identify any potential issues, such as engine problems or worn tires. This can prevent costly repairs down the road and ensure that the buyer is getting a reliable vehicle.

Retailers, brands see green for back-to-school shopping

As the back-to-school season nears, many parents and their kids are thinking green. Concerns about the environment have them looking for more eco-friendly options for their children's school supplies. From recycled paper notebooks to backpacks made from recycled materials, there are many ways to shop green.

Parents are increasingly aware of the environmental impact of their purchases. They are looking for products that are made from sustainable materials and that have a lower carbon footprint. Retailers and brands are responding to this demand by offering a wider range of eco-friendly options.

For example, many brands now offer backpacks made from recycled plastic bottles. These backpacks are not only environmentally friendly but also durable and stylish. Similarly, many brands offer notebooks made from recycled paper, which is a more sustainable alternative to traditional paper.

Parents can also look for products that are made from natural materials, such as cotton or bamboo. These materials are biodegradable and have a lower environmental impact than synthetic materials. By choosing these products, parents can help reduce their family's carbon footprint while still providing their children with the supplies they need for school.

Burn Ban and Fireworks

By: Loch Rane Board of Directors

The Fourth of July just isn't complete without American flags, patriotic music and fireworks. But fireworks should be left to licensed professionals, not residents. Under Florida law, only sparklers are legal for resident usage. Anything that flies through the air or explodes is illegal. If you are caught using illegal fireworks, it is a first-degree misdemeanor punishable by up to one year in jail and a \$1000 fine.

Fireworks are very dangerous. Lit sparklers can reach temperatures of 1,300 to 1,600 degrees - at least 200 degrees hotter than

regular butane lighters. It is illegal to use exploding and flying fireworks that include shells and mortars, multiple tube devices, Roman candles, rockets and firecrackers. All fireworks can cause serious injury and burns to the user and spectators. The loud noise can also upset pets, small children and veterans who may suffer from Post-Traumatic Stress.

Fireworks can also start fires. With unusually dry conditions, there is a higher risk of wildfires. On May 9, 2017, the County Manager of Clay County issued a burn ban that will remain in effect until further notice.

In an effort to keep our residents, property and landscape safe, the Loch Rane Board

of Directors has requested that a Clay County Sheriff officer patrol our streets on the Fourth of July and issue citations to residents that use illegal fireworks.

To celebrate, your board of directors suggests you attend a fireworks display where setting them off is left to the professionals. So, grab your chair, blanket and picnic basket full of refreshments and snack and sit back, relax and enjoy the show.

God Bless America. Happy Fourth of July!

(Editor's Note: The burn ban and fireworks restrictions are also in effect for OPCC residents. Have a safe and sane Fourth of July, but please follow the restrictions in place for Clay County!)

TED ENSLEY'S MOTTO AS SHAWNEE COUNTY COMMISSIONER

Name on gardens ‘special’ for Ensley

Former commissioner recalls his service to county, state

By Jessica Cole
jessica.cole@capitaljournal.com

After 32 years in public service for Shawnee County and the state of Kansas, the list of Ted Ensley's accomplishments is long. His name is most visible at the beautiful gardens at Lake Shawnee.

“I can't put into words how I feel about having the gardens named after me at the lake. There were others' names that were considered,” Ensley said of the 37.5-acre Ted Ensley Gardens.

The gardens, which feature more than 1,500 varieties of flowers, an arboretum and paved walking trails, have an active Friends group that works hard to maintain the area. Ensley's wife, Elma, also volunteers at the gardens.

Ensley worked as Shawnee County park superintendent; secretary for the Kansas Department of Wildlife, Parks and Tourism and as first manager of the Kansas ExpoCentre. He was a longtime Shawnee County commissioner.

How long were you with the Shawnee County Parks and Recreation Department?

I was with them for 32 years. My career started there in April of '81 as the park superintendent for the Board of Shawnee County Commissioners. I went from there in August of '92 to secretary of the Kansas Department of Wildlife and Parks, a state cabinet position reporting directly to the governor. (He was appointing me to the position by Gov. Joan Finney.)

Ted Ensley says having his name at the gardens at Lake Shawnee is a special honor for him and his family. Ensley worked 32 years for Shawnee County Parks and Recreation and served for 16 years as a Shawnee County commissioner.
