ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS is entered into as of the 15th day of September, 2009, by and between GE Healthcare UK Limited, a limited liability company registered in England and Wales ("Assignor"), and PerkinElmer, Inc., a Massachusetts corporation ("Assignee").

WHEREAS, Assignor and Assignee are parties to a certain Asset Purchase Agreement dated as of August 21, 2009 (the "Purchase Agreement"), pursuant to which Assignee has agreed to purchase certain assets of Assignor, and Assignor has agreed to cause the same to be transferred, assigned and contributed to Assignee;

WHEREAS, Assignor owns all right, title and interest in and to and is the sole and exclusive owner of the trademarks and trademark applications listed on Schedule A in the applicable jurisdictions identified therein, which Schedule A is attached hereto and incorporated herein, and all common law trademark rights of Assignor related to the use of the same in connection with Products (as defined in the Purchase Agreement) or any similar products (collectively, the "Marks"); and

WHEREAS, pursuant to the Purchase Agreement, Assignor desires to assign and transfer to Assignee all of its right, title and interest in and to the Marks and Assignee is desirous of acquiring the same.

NOW, THEREFORE, for the foregoing recited consideration and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, as beneficial owner, does hereby assign, sell and transfer to Assignee, its successors, assigns and other legal representatives, all of its right, title and interest in and to the Marks, together with the goodwill of the business symbolized by the Marks, the right to sue for and receive all damages for past infringement thereof, the registrations and applications for registration therefor, and all the benefit of the Marks. Assignor does further consent to the recordation of this Assignment by Assignee with the Commissioner of Patents and Trademarks and any similar governmental agency or body in any applicable foreign jurisdiction.

To the extent that any of Assignor's rights or title in and to the Marks cannot be assigned and transferred by Assignor, then Assignor hereby grants Assignee an irrevocable, worldwide, fully paid-up, royalty-free, exclusive license, with the right to sublicense through multiple tiers, to use and otherwise fully exploit the Marks.

This assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, each of which such successors and assigns shall be deemed a party hereto for all purposes hereof. This assignment shall be effective immediately upon its delivery to the Assignee. This assignment shall be executed in one or more counterparts, each of which may be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF the Assignor has executed this Assignment as of the date first written above.

GE Healthcare UK Limited

By: Clara C. Koh

Title: BUS DEV DIRECTOR

State of: England)

County of: Chesham)
