Assignor and Assignee have entered into an Agreement, Plan Of Reorganization, And Corporate Separation, dated June 20, 2016 (the "Reorganization Plan"); and

2. Recordation and Further Actions. Upon Assignee's reasonable request, Assignor shall take such steps and actions, and provide such reasonable cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence or perfect the assignment of the Contributed Intellectual Property to Assignee, or any assignee or successor thereto, and to enable Assignee to record the Contributed Intellectual Property with the appropriate administrative agency.

3. Terms of the Arbitration Award. The parties hereto acknowledge and agree that this IP Assignment is entered into pursuant to the Arbitration Award, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Contributed Intellectual Property. The representations, warranties, covenants, agreements and indemnities contained in the Arbitration Award shall not be expanded, limited or superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Arbitration Award and the terms hereof, the terms of the Arbitration Award shall govern.
