Trademark Assignment Agreement

This Trademark Assignment Agreement (the "Assignment Agreement") is made as of December 14, 2017 (the "Effective Date"), between Global Geophysical Services, Inc., a Delaware corporation (the "Assignor"), and Seismic AutoSeis, LLC, a Delaware Limited Liability Company (the "Assignee").

The Assignor is the registered owner of the trademark "AUTOSEIS", registered in the United States Patent and Trademark Office, Registration No. 4075067, dated December 20, 2011 (the "Trademark").

The Assignee wishes to acquire the Assignor's rights in the Trademark.

For good and valuable consideration, the Assignor hereby conveys, transfers, and assigns to the Assignee and Assignee hereby accepts, all of the Assignor's rights, title, and interest of whatever kind in the Trademark together with

- 1) the goodwill of the business relating to the products on which the Trademark is used and for which the Trademark is registered,
- 2) all income, royalties, and damages due or payable to Assignor with respect to the Trademark, including without limitation, damages and payments for past or future infringements and misappropriations of the Trademark, and
- 3) all rights to sue for past, present and future infringementS or misappropriations of the Trademark.

The Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the Trademark.

Any amendments, modifications, alternations or supplements to this Assignment Agreement shall be made in writing to be legally effective.

Each Party acknowledges that it has read this Assignment Agreement, understands it and agrees to be bound hereby.

IN WITNESS WHEREOF, the Parties hereto have caused this Assignment Agreement to be executed on their behalf by their duly authorized officers.
