## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”), dated as of November 20, 2017, is made by and among Callaway Golf Company, a Delaware corporation, Callaway Golf Sales Company, a California corporation, Callaway Golf Ball Operations, Inc., a Delaware corporation, Ogio International, Inc., a Utah corporation, Callaway Golf Interactive, Inc., a Texas corporation, Callaway Golf International Sales Company, a California corporation (each a “Grantor”, and individually and collectively, jointly and severally, the “Grantors”), in favor of Bank of America, N.A., a national banking association (“Agent”) as agent for the lenders (“Lenders”) party to the Loan Agreement (defined below).

### WITNESSETH:

WHEREAS, pursuant to that certain Third Amended and Restated Loan and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”) among, inter alia, the Grantors, Lenders and Agent, the Lenders are willing to make certain financial accommodations available to Grantors pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Loan Agreement, each of the Grantors is required to execute and deliver to Agent this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants, assigns and pledges to Agent, on behalf of the Secured Parties, to secure the Obligations, a continuing first priority security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “Trademark Collateral”):

(a) all of its trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof, including those referred to on Schedule I hereto (each a “Trademark”);

(b) all licenses of any trademarks (including service marks), trade names, trade dress, and trade styles, whether as licensee or licensor, including those referred to on Schedule I hereto;

(c) all renewals or extensions of the foregoing Trademarks;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(e) all income, royalties, payments and proceeds of the foregoing now and hereafter due or payable, including payments under all licenses entered into in connection with the Trademarks; and

(f) the right to sue and recover damages and payments for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any license agreement.

3. LOAN AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Agent, on behalf of the Secured Parties, pursuant to the Loan Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. GRANTORS REMAIN LIABLE. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with any Trademark Collateral subject to a security interest hereunder.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Each Grantor hereby authorizes the Agent unilaterally to modify this Agreement by amending Schedule I to include any such new Trademark rights of such Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Secured Parties' continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

7. GOVERNING LAW. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York, without giving effect to any conflict of law principles (but giving effect to Federal laws relating to national banks).
