Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Second Lien Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

**SECTION 1. *Terms.*** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

**SECTION 2. *Grant of Security Interest.*** As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Administrative Agent, its successors and permitted assigns, on behalf of and for the benefit of the Secured Parties, a continuing security interest in all of its right, title and interest in, to and under all of the following assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of such Grantor, and regardless of where located (collectively, the "Trademark Collateral"):

(a) all trademarks (including service marks), common law marks, trade names, trade dress, domain names and logos, slogans and other indicia of origin under the laws of any jurisdiction in the world, and the registrations and applications for registration thereof (including the registrations and applications listed on Schedule I hereto); and the goodwill of the business connected with the use of and symbolized by the foregoing; (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims and payments for past, present and future infringements or dilutions thereof; (d) all rights to sue for past, present, and future infringements or dilutions of any of the foregoing, including the right to settle

SECTION 3. *Security Agreement.* The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.
