THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into effective January 6, 2017 (the "Effective Date"), by **Active Brands Company, LLC**, a Nebraska limited liability company ("Assignor") and **Battle-ABC, LLC**, a Nebraska limited liability company ("Assignee").

1. **Assignment.** Assignor hereby assigns, transfers, and conveys to Assignee its entire right, title, and interest in and to the trademarks listed on Exhibit "A", attached hereto and incorporated herein by this reference, throughout the world and any and all rights to any registrations therefor or applications for registrations thereof which may now or hereafter exist anywhere in the world, together with the goodwill of the business connected with the use of, and symbolized by, any of the foregoing throughout the world (collectively, the "Trademarks").

2. **Additional Rights.** In addition to the above-assigned rights, Assignor assigns to Assignee any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to the Trademarks. Additionally, Assignor specifically assigns to Assignee all its claims (if any) to recover for any infringement or other violation of the ownership or use rights of the Trademarks, whether such infringement or violation occurs in the future or has occurred in the past. This right assigned in the preceding sentence includes the right to sue for injunctive relief and monetary damages and to recover attorney's fees for Assignee's own account and benefit and with no right of accounting to Assignor. Assignor agrees to cooperate with Assignee in any such action.

3. **Other Covenants.** Assignor hereby covenants that it has full right, power, and authority and has been duly authorized to convey the right, title, and interest herein assigned, and that it has not and will not execute any agreement in conflict herewith.

4. **Further Assurances.** Assignor further covenants that, when requested, it will, without charge to Assignee, execute and deliver all documents and take all such further actions as may be necessary, desirable, or convenient to enable Assignee to obtain, maintain, and enforce its rights and interest in and to the Trademarks and all other rights assigned hereunder and to perfect in Assignee sole and exclusive title to the Trademarks and the other rights transferred hereunder anywhere in the world. In furtherance of the foregoing sentence, Assignor hereby appoints Assignee as its attorney in fact to execute and deliver any and all such documents as Assignee may deem necessary or appropriate to vest in Assignee sole and exclusive right, title, and interest in and to the Trademarks and all other rights assigned hereunder. Such appointment shall be deemed to be a power coupled with an interest and is, therefore, irrevocable.

5. **Communication.** Assignee is authorized to communicate with the United States Patent and Trademark Office (and corresponding office or agencies in individual states of the United States or in other countries of the world), and the United States Patent and Trademark Office (and corresponding office or agencies in individual states of the United States or in other countries of the world) is authorized to receive and act upon all instructions, communications, correspondence, or other information sent or provided by Assignee to the same extent as if this Assignment had not been made and such item had been received from Assignor.
