TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Agreement"), dated effective as of December 28, 2016, is entered into by and between Advanced Comfort Technologies, Inc., a Utah corporation (the "Debtor"), and Black Oak-Intellibed-Senior Debt, LLC, a Utah limited liability company ("Secured Party").

A. Debtor and Secured Party have entered into that certain Security Agreement, of even date herewith (as the same may be amended, modified, supplemented, renewed, extended or restated from time to time, the "Security Agreement"; all terms defined in the Security Agreement, wherever used herein, shall have the same meanings herein as are prescribed by the Security Agreement).

B. Pursuant to the terms of the Security Agreement, Debtor has granted to Secured Party a lien and security interest in all General Intangibles of Debtor, including, without limitation, all of Debtor's right, title, and interest in, to and under all now owned and hereafter acquired trademarks, together with the goodwill of the business symbolized by Debtor's trademarks, and all products and proceeds thereof, to secure the payment of the Obligations (as defined in the Senior Credit Agreement (the "Credit Agreement") dated as of December 28, 2016, by and between Debtor and Secured Party).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby grants to Secured Party a lien and continuing security interest in all of Debtor's right, title, and interest in, to, and under the following (all of the following being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired, and such grant insofar as it applies to Loan Collateral covered by the Credit Agreement, is in confirmation of the existing and continuing Lien and security interest granted under the Security Agreement:

(1) each trademark, trademark registration ("Trademark Registration") and trademark application ("Trademark Application"), including, without limitation, each trademark, Trademark Registration and Trademark Application referred to in Schedule 1 annexed hereto, together with the goodwill of the business symbolized thereby; and

(2) each trademark license, including, without limitation, each trademark license listed in Schedule 1 annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Debtor against third parties for past, present or future (a) infringement, dilution or breach of any trademark, Trademark Registration, Trademark Application and trademark license, including, without limitation, any trademark, Trademark Registration and trademark license referred to in Schedule 1 annexed hereto, and any Trademark Registration issued pursuant to a Trademark Application referred to in Schedule 1 annexed hereto; or (b) injury to the goodwill associated with any trademark, Trademark Registration and Trademark Application.

The lien and security interest contained in this Agreement is granted in conjunction with the liens and security interests granted to Secured Party pursuant to the Security Agreement.

Debtor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[Signature page follows]

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed by its duly authorized officer as of the date written above.
