## Marks Assignment Agreement

This assignment agreement (the "Agreement") is effective as of the date of its complete execution (the "Effective Date"), between Provado Technologies, LLC, a Florida limited liability company ("Provado Technologies"), and LogistiCare Solutions, LLC, a Delaware limited liability company ("LogistiCare").

In exchange for valuable consideration paid to Provado Technologies by LogistiCare, namely \$100, in addition to other valuable consideration from LogistiCare, the sufficiency of such consideration both parties acknowledge conclusively, the parties agree as follows:

1. Provado Technologies covenants that it has adopted, used, and owns certain service marks (the "Marks") each of which are listed on Schedule A attached hereto.
2. Provado Technologies hereby assigns, transfers, and conveys to LogistiCare all right, title and interest in and to the Marks, including, without limitation, all goodwill of the business symbolized by the Marks, all common-law rights in the Marks, and all Marks registration applications and registrations pertaining to the Marks.
3. Provado Technologies shall take whatever action LogistiCare deems necessary or appropriate: (a) to properly complete the transfer to LogistiCare of the Marks; (b) to establish full ownership of the Marks by LogistiCare; and (3) to assist LogistiCare in obtaining, maintaining, and strengthening any registration for the Marks.
4. This Agreement may be executed in counterparts. A true copy or facsimile of the undersigned signatures shall be treated as originals for all purposes. All counterparts when executed shall constitute one agreement binding upon all parties notwithstanding that all of the parties are not a signatory to the original or the same counterpart. A counterpart may be delivered to the other party by e-mail.
